# WELCOME

Greetings Longhorn Enthusiasts,

Wow! What a line up for the seventh Great Northern Longhorn Classic. This event continues to grow, bringing in new breeders regionally, as well as animals going back out of state to new and established breeders. Thank you for believing in our market here in the Northwoods. It's a pleasure to see new breeders buy their first animal and then come back the next year for a few more. Thank you to the breeders who send us the quality cattle our market is looking for. If the pedigrees don't make you look, the animals themselves will. Thank you to the bidders, winners and contenders. You help keep our market strong and the excitement rolling. Our sponsors have been nothing short of amazing. Events, big or small, aren't possible without sponsors and we don't have to look far for support. You help us to keep the food amazing and the people talking. The Cheesehead futurity has become quite the event with payouts of almost \$50,000 last year. Every year, we get new families here to showcase their breeding program and enjoy the company of their longhorn family. We can't wait to see you all and look forward to catching up over a plate of cheese curds.

This donation is very close to all of us in our Wisconsin Association, so I wanted something special to generate funds for the Ride for Ty Campaign. He was an incredible young man that we lost way too soon.

**COMMENTS:** It's not often we offer a heifer with a pedigree as stacked as Hicks Lady Gator's. Her top side speaks for itself with the Guinness World Record bull, Cowboy Tuff Chex; the famous true black cow, Night Safari BL833; the legendary bull, JP Rio Grande and the industry changing cow, Lady Monika BL. Her bottom side brings in Jet Black Chex and a strong dose of Butler breeding through JH Lady Like. Not only is her pedigree loaded with the top producers from Bob Loomis' program, but her dam, JH Unlady Like, has been one of the top producers in our program. **COMMENTS:** OCV'd. Tilted Halo BCB's pedigree is filled with production. She is deep-bodied, an easy keeper, has a nice udder and has strong maternal instincts. She has a ton of beautiful rolling horn, and she comes from some of the best Bolen Longhorn breeding. She is sired by Justify and out of a full sister to the legendary Annie Get Your Rifle BCB. She has been exposed to our up-and-coming herd sire, FL Jeremiah's Boaz, who is a beautiful brindle son of Hubbells Jeremiah 29:11 and has been throwing some very flashy babies! **DOB:** 3/21/2020

**PH#:** 03

**REG#:** CI325773

**BREEDING:** Bull calf at side born 4/27/2023, sired by PCC Frontrunner.

**COMMENTS:** OCV'd. This girl is the definition of all around solid. Her dam was out of the heart of the Bolen Longhorn program, bringing in Bandera Chex, the sire of Fifty-Fifty BCB. On the bottom, JJ Ocean Abby is by RC Tsunami 2, the 2nd longest total horn bull in the breed at 116.75" TH. That brings in both Concealed Weapon and longhorn legend, RC Pacific Mermaid. Abby's half-brother by Happy 9 is an over 120" TTT 5-year-old steer named JJ Primo that will likely become one of the top five longest steers in the industry at maturity. Abby comes with a bull calf at side sired by PCC Frontrunner, who brings in PCC Rim Rock, sire of the 93"+ TTT PCC Dazzle Doll. Her measurements and breeding status will be updated at the sale. **COMMENTS:** Enuff Charm BCB has delivered four heifers in a row... So we certainly have her influence in our herd, as we've kept every one of them. She comes from the heart of Loomis Ranch's, genetics with Cowboy Tuff Chex and the beautiful BL Safari Sue, then you drop down to the bottom side and you have the popular Fifty-Fifty BCB bull, plus Nancy Dunn's and Bolen Longhorn breeding. We purchased her from the Bolen's at their production sales. So, in other words, she has respected genetics. She has great Texas twist horns, is colorful and is exposed back to two great bulls. Game Changer, the big black and white son of Gold Mine 1, and the brindle 90" TTT Vindicator's Edge, out of Vindicator. We hope you get four heifers in a row like we did!

**BREEDING:** Exposed to Game Changer from 3/25/2023 to 5/7/2023 and Heartbreaker from 5/20/2023 to present.

**COMMENTS:** We love this cow and you will too. She's tall, long, child-friendly and milks like a queen. We've had great luck with our KC Just Respect daughters, so she's hard to part with, but we wanted to support Dan and his sale. Two of her offspring are herd sires in East Texas, both big and brindle, and this year she had a heifer. She has beautiful twisty horns that are much desired. Take her home and watch her produce for you. She's bred back to either the black and white Game Changer bull out of Gold Mine 1 or Vindicator's Edge, the 90" TTT brindle son out of WS Vindicator. She measured 82.75" TTT in April and is still growing. She is a front pasture cow for sure!

**COMMENTS:** Who doesn't love a nice, clean, squeaky cheese curd in Wisconsin! Well look no further because this girl has got the STUFF! She is wonderfully feminine, well-built with clean lines and great lateral horns. Her sire is our main grulla herd sire who puts the body and color on all of his offspring. Her dam is right off of the famous Hunt Ranch in southern Utah, which produced the famous Hunts Command Respect. She is a great outcross to many of the popular bulls right now and has been left unexposed to breed to your bull of choice! BREEDING: Not Exposed.

**COMMENTS:** Meadow Green Miss Rio is an own daughter of JP Rio Grande, who she looks just like. Plus, she's tall with lots of leg and an excellent lateral horn set. Her dam is a young, big-horned daughter of Nifty Fifty. Nifty Fifty (80"+ TTT) is sired by Fifty-Fifty BCB and out of the great producer, Vanilla Puddin 116 (93"+ TTT). Besides Vanilla Puddin has produced Vanilla Cupcake (94"+ TTT), Meadow Green Vanilla Bean (94"+ TTT) and the huge, brindle bull, Shenanigans (85.5"+ TTT); this is a big-horned family. I raised two of these JP Rio Grande/Nifty Fifty heifers because I wanted to cross these two bloodlines; the older and the modern. They're both awesome and that's the only reason I'll let one go. Take a look at her, she's a good one.

DOB: 6/10/2021

PH#: 19

REG#: 288022

BREEDING: Exposed to Fuego from 7/1/2022 to 9/15/2022.

COMMENTS: The Cowboy Tuff Chex and WS Jamakizm cross has worked well for many breeders and Painted Love LV is no different. She's sired by SW Easy Lovin, a Cowboy Tuff Chex son, out of the great Mi Tierra 166, one of the prettiest black and white cows in the breed. On her bottom side, you have Red Iron, a full brother to Drag Iron, who's over 2200 lbs and sports 101" TH, and you have Whisper's Eve, who's an Emperor daughter and out of the great Joy Ann, who sold for \$50k at the Legacy Sale several years ago. Painted Love LV is bred to Fuego, a son of JH Rural Safari Son and out of JH Rural Patina, a JH Rurally Screwed daughter. JH Rural Safari Son is 90"+ TTT and one of only two black bulls to reach that measurement. Fuego has very lateral horns and will certainly have a great tip to tip as he ages. Painted Love LV has a lot of horn and will probably roll over and be a gorgeous cow. Her conformation is great as well and she has plenty of capacity to carry big, healthy calves. She will be an asset to any herd.

*Courtesy of Hired Hand Live, a Product of Hired Hand Software*

- Go to [www.HiredHandLive.com](http://www.HiredHandLive.com) and follow the prompts to either log in (if you've used our system before) or become a verified, registered bidder. Please use Google Chrome as your Internet Browser. Do not use Safari.
- Bidders are required to register for each sale they wish to participate in. Viewers are not.
- New bidders are required to go through a verification process that includes a valid credit card.
- There is no fee to participate or buy online. There is no buyer's premium added to sale prices.
- All winning bidders will receive a notification. At that time it is your responsibility to:
  - contact the sales office and arrange payment. Sales office information can usually be found in the front of your sale catalog and is not the same as Hired Hand Live.
  - arrange hauling/transport
- Hired Hand Live and it's employees are not responsible for helping you arrange payment or hauling. Please complete these tasks on your own.
- Absentee and max bids can be placed ahead of time if you are unable to be online live during the sale. These types of bids are blind and are placed automatically by our system in order to purchase the animal at the lowest price possible for you. We do not disclose max bids amount to any sale staff.
- All terms and conditions listed in the sale catalog apply to on-line bidding. Users also agree to terms and conditions upon signing in to use Hired Hand Live; therefore, bidding is a binding contract. Dishonesty in bidding or abuse of the system will result in being banned from future use.
- Contact Hired Hand Software for additional assistance, as needed. While the sale is in progress, if your call is not answered, please listen to the voicemail recording of other available numbers to assist you. # RIDE FOR TY

## NO ONE RIDES ALONE

Promoting awareness and prevention of suicide to all, especially those in the horse community.

Ride for Ty is a group of friends and horse enthusiasts who have come together to honor their friend Tyler J. Thiel. Tyler was a member of the horse community who spread smiles wherever he went. He was an amazing horseman who was always willing to help anyone in need. You didn't even have to ask, if you needed help he would be there for you. Tyler committed suicide and is now riding the trails with God and those who passed before us. This group of family and friends have come together to honor Ty by doing things for others as he would. We also want to bring awareness to suicide and suicide prevention.

And of course we plan to ride the trails and cherish the moments.

*Ride for Ty is a 501c3 nonprofit with funds being used for school mental health and suicide awareness programs, post secondary education scholarships and equine related youth scholarships .*
