## *Welcome Longhorn Enthusiasts to the 22nd Millennium Futurity*

Welcome Everyone to Lexington, Kentucky for the 2023 Millennium Futurity. We are thrilled to be back and can't wait for an exciting weekend full of Longhorn friends, memories being made, and some of the best young cattle in our industry being shown for the next few days. This has been a great year for the Millennium Futurity with tons of excitement and 2 new partners joining the fun. Our goal is to continue to make this event bigger and better, and with your help, we are doing just that.

As usual, this event would not be possible without all of you who stepped up to sponsor. This allows us to do so much in the way of promoting this event and our Texas Longhorns. From Bourbon Tours, larger payouts, and not to mention having an amazing panel of judges, it would not be possible without you. From the bottom of my heart, I'd like to send a huge "Thank You!" Throughout the event, I encourage you to thank each sponsor as well. We have an exciting weekend planned, especially the annual "SELLING OF THE ROOSTER." Where will he go this year?

If this is your first time to the Millennium, I would like to thank you for coming. There is such a rich history of this event, and with new participants and those in attendance, it just helps us continue to grow our great breed. If you have any questions at all, or if there is anything we can do, please don't hesitate to reach out to us!

The Longhorn Market, and especially the futurity scene is at an all-time high across the country. It is so amazing to see how much it has grown and to get to meet all the great new breeders coming in this year. We have a fun weekend planned for you and we hope that you take in all the Millennium and Lexington has to offer.

Again, Welcome to the 2023 Millennium Futurity. Let's have some FUN!

**DOB:** 5/29/2022    **PH#:** 12/22    **REG:** C1341428

**BREEDING INFORMATION:** Exposed to HH Game Over from 8/20/2023 to sale date.

**COMMENTS:** This YR Roscoe daughter has every single quality we all breed for and she's one of his best daughters we've ever put up for auction! It's really going to hurt to let this sweetheart go, so don't miss this opportunity to be one of the lucky few to own a YR Roscoe daughter! She has a ton of horn for her age with a unique, low, backward twisting kink and, to top it off, she's a granddaughter of the late, great Concealed Weapon! You can't go wrong with her power-packed pedigree! Her full sister, YR Cajun Flame, measured 78.375" TTT at 2 years and 8 months old. Even though she's a little young, we're exposing her to our young bull, HH Game Over, who's really starting to make a statement. Don't miss out on this one!

**BREEDING INFORMATION:** Exposed to LTL Tin Cup from 6/30/2023 to 9/1/2023.

**COMMENTS:** Here's a fantastic descendant of Drag Iron, Shadowizm, Cowboy Tuff Chex and RHF Sharp Gingerette! This heifer has been a looker since the day she was born and we're so excited for her to represent our program at this year's Millennium Futurity and Sale! LTL Sharp Scarlett 823 measured 62.5" TTT on 6/30/2023 and will have been through three futurities by sale date. We believe she'll be an incredible attribute to anyone interested in moving their program forward with key genetics and add a pop of color to their assortment. She'll have her first calf by LTL Tin Cup (WS Vindicator x SHR Buttercup) in Spring 2024. We're not letting these genetics go entirely; we'll be retaining her mother, 2NR Lynette, and her half-sister, LTL Callietta 823, sired by Elfego.

She's feminine from her face to her tail and is an easy keeper. Her dam has produced three great calves, is a good milker and great mama. She has a flashy herd sire prospect at side, out of our young outcross bull, HH Game Over, who's really starting to make a name for himself. She's exposed back the same way for a possible 3-in-1 package! Don't fault this heifer based on her dam's measurement. Her dam had a traumatic injury as a calf that stunted her horn growth. (50 AMP X BL SWAHILI)

**DAM:** PRETTY RUSTIC  
(THE JUDGE 00 X BB PRETTY DIANA)

**DOB:** 6/4/2022    **PH#:** 208    **REG:** C1340232

**BREEDING INFORMATION:** Not Exposed.

**COMMENTS:** CK Pretty Shy is a beautiful heifer with fantastic conformation and temperament. She's out of our super producer, Pretty Rustic, which we acquired from G&G Longhorns, and our colored-up Loomis Ranch bred herd sire, Shiloh Chex 005 (50 Amp x BL Swahili). Shiloh Chex 005 brings Fifty-Fifty BCB, Bandera Chex, Drag Iron, WS Jamakizm and Peacemaker 44, to the top side of this pedigree. Pretty Rustic has a perfect lateral horn set, stamps all her calves, is a great milker and one of our favorite cows in the pasture. CK Pretty Shy has her dam's lateral horns and sire's great body. Don't let this one fly under the radar!

**BREEDING INFORMATION:** Exposed to HL Double Barrel from 11/16/2022 to 4/14/2023. She's heavy bred and will likely calve prior to sale date.

**COMMENTS:** RO Primadonas Carmen IT combines the wonderful genetics of Drag Iron and R3 Santana and measures over 62" TTT at just over 2.5 years old. Her first calf will be special, regardless if it's a bull or heifer, by bringing in HL Double Barrel genetics. The calf will more than likely be on the ground before the sale, so you will be able to bid accordingly based on what you're looking to add to your herd. If you're looking for a flashy red and white heifer to add to your pasture, with an undoubtedly flashy calf as a bonus, you will want to bid on this girl! **SIRE:** ROWDY HR  
(J.R GRAND SLAM X LLL ROSEMARY)  
**DAM:** DH BUTTERCUP  
(BUSHWACKER CHEX X DH SUNSHINE)

**DOB:** 4/21/2021      **PH#:** 321      **REG:** C1334306

**BREEDING INFORMATION:** Bull calf at side born 5/22/2023, sired by WS Cochise. Exposed to WS Demolition 5/22/2023 to sale date.

**COMMENTS:** This young cow milks great and takes good care of her 1st calf. She comes from a line of strong milkers on both sides. Her sire, Rowdy HR, was the 2x Ultimate Bull and her dam was over 80" TTT as a 5-year-old. Her full sister, DH Rowdy Butterscotch, sold at the Legends Sale for \$12500. This cow brings in greats like Bushwacker Chex and DH Sunshine, who's been a great producer, having multiple daughters in the 80" TTT range. Her grandmother, BL Sun Flower 765, was 85" TTT. This is a family of consistent producers who raise nice calves and bring in lots of color. Her calf is out of WS Cochise, who brings in some greats from the Widespread Ranch herd, like his dam, WS Trifecta, and WS Vindicator, to name a few. She's bred back to another outstanding bull, WS Demolition, who's going to be well into 80" TTT by three years old. He brings in some powerhouse animals like WS Sunstar and his dam, WS Dynamite.
