THE DERBY
COW SALE

April 12-13, 2024 • Lexington, Kentucky • Blue Grass Stockyards
HELD IN CONJUNCTION WITH THE BLUEGRASS FUTURITY

WELCOME TO BEAUTIFUL LEXINGTON, KENTUCKY AND THE HUDSON/VALENTINE BLUEGRASS SALE

There are so many wonderful sightseeing opportunities in Lexington. Kentucky's finest Horse Park is located directly behind the fantastic Bluegrass Stockyards facility. A replica of the Ark, is just a few miles away, majestic Horse Farms are scattered throughout, and the Bourbon Distilleries are numerous in this area. We hope you take the time to enjoy the beauty and experience what this great State has to offer.

The Bluegrass Sale has attracted numerous first time Longhorn Buyers and we strongly hope that it will continue to do so, as we promote the Texas Longhorn in this area.

A huge Thank You to our dynamic group of Event Sponsors that help make this event possible. Their Leadership has had a profound influence on the Longhorn Industry and they have brought some of their finest females today that are bred to leading sires. We extend a heart felt "Thank You" to the all the Consignors that have outdone themselves by creating a tremendous offering for your consideration this weekend. These cattle are representative of the producer's dream, outstanding offering of horn, pedigree, color, femininity and conformation. Many of these cattle are representative of legendary cow families that will allow you to continue their rich heritage through your breeding programs.

Have a wonderful weekend as you mingle with the greatest group of people.

With her dam, Carolina Pride at 80" TTT - daughter to Cowboy Catchit Chex; and her sire, Armored at 77" TTT at 3 years old, she stands to measure up to some good genetics. She has been exposed to Tuff Match, a son from Tuff Cowboy. With any luck at all, you can bring this gal home and hopefully calve in the near future!

Horseshoe J Important, Horseshoe J Idolize, HL Brickhouse and Wiregrass Magnolia 09...what more could you ask for? Her sire, KCCI Monetize, has done a great job for us. His calves are stamped with beautiful color, textbook horn sets and fantastic bodies. Breed her to the bull of your choice and let this pedigree go to work for you. You'll be glad you did!

Breeding: Exposed to Jaguar Chex from 2/1/24 to 4/11/24.

Comments: OCV. Starry Night is the best we've ever produced. She is dog gentle, as are all animals from this maternal line. She is by the great blue roan bull, Patton HB, who is over 96" TTT. Her dam is a BL Night Chex daughter and a Drag Iron granddaughter. Starry Night was over 51" TTT at 18 months with all black horn, and is that rare black and white heifer that projects to be a 90" mature cow. Wow! All that while being an outcross to so many of the great young bulls in the industry- no Tuff, no Rio Grande, no Fifty-Fifty, etc. And look at her current breeding: exposed to Jaguar Chex. If you love black and white (who doesn't!?), it's hard to get any better than this!
