# WELCOME

Fellow Longhorn Breeders and Enthusiasts,

We would like to be the first to welcome you to the 2024 Texas Longhorn Legacy Sale. Over the past 20 years, this sale has been a staple of the industry and is always an amazing time spent with friends and family. We make it our goal to be better each year with all the sale and weekend has to offer, and this year is no exception.

We would like to thank our consignors this year for digging deep to bring us one of the best lineups of cattle we have seen. This lineup of females will add value and production to any herd in the nation. With over 140 animals originally consigned, we thank each and every one of you for wanting to be a part of the sale this year. Due to the overwhelming support, we are excited to have the Friday Night Heifer Sale.

Our goal is to provide everyone a weekend you will be talking about for years to come while getting the chance to own some of the best cattle the industry has to offer. From Mechanical Bull Rodeos, Welcome Party, Neal McCoy, the Heifer Futurity and Cow Patty Bingo, there will be plenty to keep you busy. Be sure to check out our wonderful vendors in the lobby, as they too are bringing the best they have to offer.

As always, this event would not be possible without the support of each of our sponsors and consignors. It is because of each of you we can bring you this great event and keep making it bigger and better.

Please take the time to enjoy all the Legacy Sale has to offer. We are here to serve you, and thank each and every one of you for being here.

Our only rule is "Have Fun". We are thrilled to have you as part of the 2024 Legacy Sale presented by the Longhorn Legacy Group. Welcome to Grapevine. Let's have some fun!!

**SIRE:** COLLUDER

**DAM:** SILVER GRACE KELLY  
(SILVER KELLY X SILVER MERLOT)

**DOB:** 2/14/2022    **PH#:** 2203    **REG:** CI341536

**BREEDING INFORMATION:** To be announced on sale date.

**COMMENTS:** OCV'd. Buyers Choice- Colluder has changed our entire herd. He's out-produced on everything he's touched. We wanted to bring the best of Colluder's offspring and we couldn't choose. So, we'll let you have the pick of your choice. JM5 Rose Queen is the first ever Colluder calf. She's out of a huge Silver T bred female, Silver Grace Kelly, that was 87" TTT before her 5th birthday. JM5 Rose Queen has brought in the money in the futurity world, has a great horn set and is built like a brick house. She measured 56.125" TTT and 841lbs at 21.5 months old. Both of these heifers have already surpassed Silent Iron's (their granddam) 26 month old TTT measurement. Don't forget your chance at Colluder's Moneyball and your chance at winning another \$10,000 at select futurities.

**SIRE:** COLLUDER

**DOB:** 3/31/2022    **PH#:** 2206    **REG:** CI341539

**BREEDING INFORMATION:** To be announced on sale date.

**COMMENTS:** OCV'd. Buyers Choice- Colluder has changed our entire herd. He's out-produced on everything he's touched. We wanted to bring the best of Colluder's offspring and we couldn't choose. So, we'll let you have the pick of your choice. The second option is JM5 Stiletto. She is another multi-futurity winner and an extremely well built Colluder heifer. She has a huge foundation of milk and body on the bottom side of her pedigree. She measured 55.25" TTT at 20.5 months old and weighs 942lbs. The X factor and the power of out-producing, what's going to happen with this next generation? Both of these heifers have already surpassed Silent Iron's (their granddam) 26 month old TTT measurement. Don't forget your chance at Colluder's Moneyball and your chance at winning another \$10,000 at select futurities.

We purchased 6CR Rebel Kat's dam at the Fort Worth Stockyards Sale for \$350,000 in 2022 and then did some IVF work with her and Rebel HR, one of the hottest sires of his generation. The culmination of this phenomenal heifer that is showing extreme promise in her development. We strive to be the best we can be and the same philosophy applies to the development in our livestock operation. Bentwood Ranch has a Cowboy Tuff Chex daughter from LTL Sheza Outside Kat that measured 75.25" TTT 2 months before her 3rd birthday. Just imagine all of the possibilities on how this heifer could be mated to make an impact in your program.

**COMMENTS:** OCV'd. This is a tough one to let go of. This heifer is one of our best 2023 calves. Her dam, Hubbells Anastasia, has never given us a bull and her heifers are all 60"+ TTT at two year olds; just a tremendous cow. Her sire, HL Higher Ground, is an outstanding bull out of the great Horseshoe J Important. BCR Josie 248 is quiet and has sound feet. She measures 34" TTT at 11 months old with black, twisty horns. She should make a tremendous brood cow. See more information at [www.BullCreekLonghorns.com](http://www.BullCreekLonghorns.com).

**COMMENTS:** OCV'd. This one is so hard to let go. Her dam, TLS Bwana's Petunia, the longest-horned Bwana Chex daughter, is the best female that we have bred and raised. TLS Spirit's Rose was Petunia's first calf! She was a wonderful, attentive mama with her first calf and will be bred to KDK Wildfire for a Spring 2024 calf. TLS Spirit's Rose has beautiful brindle color with a speckled and spotted pattern on a nice deep body. Her gorgeous lateral horns measured 76.125" TTT on 11/16/2023. M7 High Caliber is deep-bodied with tons of capacity, while eloquently standing as square as any animal I've ever owned. She has a straight topline and clean underline. We all want cows with a great temperament, she's been halter broken and shown by our youth. She has strong maternal traits and has an perfect udder. Her lateral horn is how you get big tip to tip numbers! Icing on the cake? She has a heifer baby at side sired by M.C. Hangin' Tuff. M7 Longhorns sold a full sister to DH Lakshmi here last year for \$18,000. This shows the consistency this line has proceeded for us! **COMMENTS:** OCV'd; Johne's negative. It's hard to let this heifer go with her breeding and early horn direction. Her horns are going down and back- the best early horn direction in my opinion! She measured 58" TTT at 25 months old. Her horn pedigree includes multiple superstars in the industry like Cowboy Tuff Chex (106"+ TTT), BL Rio Catchit (101"+ TTT), Dunn Lucky Dice (100"+ TTT), Helm Lauras Light Mocha (96"+ TTT), Dunn Got Double Lucky (92" TTT), Royal Reputation (90" TTT), CV Cowboy Casanova (88" TTT), Delta Lucy Ace (87.5" TTT) Wiregrass Laura (89.25" TTT) and numerous others, too many to count. The best part is that she is confirmed bred to Blue Moon GLR, who has been producing extremely colorful calves with great horn potential. His pedigree is impressive as well, with seven over 90" TTT animals. For updated information, go to [www.GillilandRanch.com](http://www.GillilandRanch.com).

**BREEDING INFORMATION:** To be announced on sale date.

**COMMENTS:** OCV'd; BVD-PI negative. This girl isn't just another pretty face, she also has a solid pedigree that includes tons of horn, flashy color and high value animals. Her sire is the very colorful, 97.5" TTT Dunn Got Double Lucky, whose progeny has rarely been offered for sale. Her paternal granddam is the 104" TTT Dunn Lucky Dice, who sold for \$200k at the 2021 Legacy Sale and her grandsire is the \$100k+ Delta Lucky Ace. Her dam's a striking 4-year-old we raised out of our Stockton-Burton bred Capone daughter, 88" TTT Pricey Pony. Her dam and granddam have what serious breeders look for in a maternal line: femininity, consistent production and a well-formed udder! She measured 55" TTT on 12/9/2023 and she's only been entered in one futurity, where she tied for 1st in her class. She's been TLBAA Parent Verified and color coat tested as a homozygous wild type.

**DAM:** W5 ICE PRINCESS  
(SWAGGER BCB X ALLEY CAT BCB)

**DOB:** 3/30/2022    **PH#:** 5/22    **REG:** CI343786

**BREEDING INFORMATION:** Exposed to Dark Dust from 11/1/2023 to 3/1/2024.

**COMMENTS:** OCV'd. Justified Icing HCL is a beautiful roan-colored heifer that not only has a ton of lateral horn, but has a deep, correct body to complement that. This heifer has it all! Her sire, owned by the Bolen + Torkildsen partnership, is producing top selling females and futurity winners. Her top side brings in Concealed Weapon and Horseshoe J Example. Her dam is a young, over 100" TH cow, sired by Swagger BCB. Justified Icing HCL will easily be over 60" TTT at 24 months old. She is exposed to PCC Dark Dust, who was 76.75" TTT at 24 months old. Be sure and check out his pedigree. This calf is going to be an exciting one! See more information at [www.HolyCowLonghorns.com](http://www.HolyCowLonghorns.com).

Louboutin CDC should be 80"+ TTT as a 3-year-old. She is a double-bred Cowboy Catchit Chex and Hubbells Morning Glory. Her grandsire Hubbells 20 Gauge is out of Hubbells Rio Glory, who's a legend. She has a daughter sired by Cowboy Catchit Chex that was 88.75" TTT at 4.5 years old and a daughter sired by Romans 7 who was 89.75" TTT at 3 years and 4 months old. Her dam is our true black, 90"+ TTT cow, who brings in Over Kill, Jester, Drag Iron, and WS Jamakizm. Her sire, M.C. Hangin'Tuff, pulls the genetics of the longest-horned bull in the industry, Cowboy Tuff Chex. She's confirmed bred to the first true black bull to reach 90"TTT, JH Lightning In A Bottle, whose offspring are hard to come by! This calf will be double-bred Cowboy Tuff Chex and will include other greats in its pedigree like JH Rural Safari Son, JP Rio Grande, Lady Monika BL, Night Safari BL833 and Poco Lady BL. **DAM:** SILVER TIGER  
(CV CALL OF DUTY X TIGER BELLE)

**DOB:** 3/15/2021    **PH#:** 253    **REG:** CI333606

**BREEDING INFORMATION:** Exposed to Silver Leighman from 5/8/2023 to 11/1/2023 and Hubbells Butch Cassidy from 11/2/2023 to 12/1/2023.

**COMMENTS:** OCV'd. The night of the sale is this heifer's third birthday! She is a tough one to let go. We've turned down several offers to price her. The magic cross is the 90" TTT and 115" TH Heart Breaker over the 85" TTT and 107" TH CV Call of Duty daughters. Silver Tigress is a tri-colored brindle with size and perfect conformation. Silver Tigress is quiet, pretty and will have a superior horn set when she grows up. She was 68.5" TTT five months before she turns three years old. Now wait until her horns roll back out! The icing on the cake is she is bred to our black and white 3-year-old bull Silver Leighman, who is already 85"+ TTT and is half-brother to the 105" TTT 5-year-old Silver Heart cow who is a multiple HSC Champion. One of our absolutely best from 2021... She has no flaws.

**COMMENTS:** OCV'd. RR Lucky River is a Delta Lucky Ace daughter out of Sweet River Queen BCB, combined to give her great composition. Just before she turned 18 months old, she measured 47" TTT of blood-flowing red, flat, lateral horns. This would be a great heifer to add to any herd. She's a 3/4 sister to 20 Roses, who sold for \$38k here at the Legacy Sale. The maternal and paternal lines in this girls pedigree are off the charts. She measured 72.25" TTT at 24 months 3 weeks old. She has the body and horn direction that isn't slowing down, plus, she's never been flushed! To top it all off, she is exposed to our PCC Dark Knight son who goes back to the great PCC Dazzle Doll and PCC Fashion Doll. This is one of the strongest grulla lines in the breed! # DONATION LOT BENEFITTING MARTHAS RANCH FOUNDATION

**TX Stock dogs is donating a registered Border Collie to The Legacy Sale and all proceeds go to Martha's Ranch non-profit organization.**

The Border Collies will be started on livestock. That training will include both directions, lay down, walk up and a recall. Both parents are high drive register border collies. JG Cedar is a smooth coat red and white female. She has all the grit you could ask for in one. Ghost is a smooth coat black and white male. He is double bred Satus stock dog and is truly one of a kind. He has so much heart and loves what he does every day. Tx stock dogs is a family owned and operated kennel. At TX Stock Dogs we pride ourselves on making strong working dogs that can also fit into any family. We raise and train Border Collies and Idaho shag dogs.

## ABOUT TX STOCK DOGS

Kennady Wagner and Braden Roach are the founders of Tx stock dogs. They have been in the livestock industry for many years and felt they could bring awareness to how important a stock dog is to an operation. Their stock dogs are next to them all day while working on the ranch. They feel that these two breeds have enough endurance to work along side you all day but can also hangout with you inside once the work day is over.

**Martha's Ranch Foundation was a dream for years.** It was made a reality in 2020 by Exponential Founder and mother to twins on the autism spectrum, Kim Bays, alongside her husband Matt Bays. Inspired by the need to foster community, a desire brought to an even greater focus during the covid 2020 lockdowns, Martha's Ranch aids families impacted with autism by providing a place to take a vacation surrounded by those who understand the unique challenges and joys this brings. It aims to provide resources for research, aid, and the avenue to share experiences to help enhance the family support structure. Martha's Ranch continues to grow each day, from lakefront family cabins and event barn to animal interactions. We'd love for you to learn more about our community and ways to get involved.

**DOB:** 8/11/2013    **PH#:** 325    **REG:** CTI287226

**BREEDING INFORMATION:** Exposed to Colluder from 11/17/2023 to sale date.

**COMMENTS:** OCV'd. There's "legacy" written all over this cow. She's 86" TTT and sired by arguably the best producer in the longhorn history. She's out of a daughter of a Butler cross bull Rockin' H Longhorns used successfully and the great FL Rio Maxine, who's out of Maximus ST. This cross has produced some great daughters with a ton of horn (a full sister measured 88.25" TTT in her 5th year). Her value is her huge production. DDR Grande Confetti has produced a big time cow named ATR Rose Gold Confetti (90"+ TTT), who's daughter, E.R. Fifty Shades of Gold, sold at the 2023 Legacy Sale for \$32,500. At the same sale, her daughter, W.E. Hangin' Gold, sold for \$25,000. To top it all off, she sells bred to the 2024 Spotlight Bull, Colluder. We are retaining their 2022 heifer who's as colored up as she can be. Check out Colluder's dam during the sale, she's the 113" TTT cow that's selling. **COMMENTS:** OCV'd. It's a family affair at Legacy 2024! Silent Love is a daughter of the 113" TTT Silent Iron and a full sister and flush mate to 2024 Spotlight Bull, Colluder. Silent Love is starting to display the iconic twist her family is known for. She's a brindle beauty that produces flashy color each time. She's a big, beautiful cow with a perfect udder. She has a stud herd sire prospect at side sired by JH Rural Safari Son, the 90" TTT, 2,000 lb. godfather of black and white. She sells exposed back to the undefeated, brindle champion, DH Hired Hand. Hubbells Super Nice is very easy to work, she also has never been IVF'd or flushed. Her 2018 heifer was one of the high selling heifers at the 2019 Legacy Sale. **COMMENTS:** OCV'd. Look at the depth and color on this beautiful tri-colored cow with a heifer calf at side by the 91" TTT Rocket Man 10. She's the type of cow that demands a presence in the pasture and is clearly a front pasture cow in our opinion. Her heifer calf's potential is limitless and we felt this mating was one we couldn't pass up the opportunity to produce. **COMMENTS:** OCV'd. The first thing you notice about this beauty is her perfect, beautiful rolling horn set, poised to go over 100" TTT. The next thing you can validate is her production: two natural service heifers, the oldest should be over 60" TTT at two years old. Then you look at her pedigree to see who contributes to that future production: how about her very productive dam, Awesome Nova, who goes back to BL Rio Catchit and Poco Lady. Then, up top you have the productive, 90"+ TTT Vanilla Milkshake combined with Fifty-Fifty BCB. Her conformation is sound and she's an easy keeper. This is a wonderful foundation cow who has a basket of genetics to work with and produce from. Her daughters, BCR Cheers to Kristie, was 89"TTT as a 4-year-old and Cheers BCB was 85"TTT as a 4.5-year-old and sold for \$30,200. In her futurity career, she has won her class in two futurities as well as one 2nd place and one 3rd place. With a whopping 92.5"TTT, who can imagine the amount of total horn she has? She'll be dropping a calf from BR Jungle Jim around the first of the year and will be exposed back to him for a period after for a possible 3-in-1 package. (JP RIO GRANDE X WD LADY RANGER 9/139)

**DOB:** 3/26/2019    **PH#:** 5/19    **REG:** CI322785

**BREEDING INFORMATION:** Exposed to Gold Mine 1 from 1/1/2024 to sale date.

**COMMENTS:** OCV'd. HL Pistol Annie is a prime example of Hudson Longhorn breeding. An own daughter of the \$100k CV Cowboy Casanova crossed with JP Rio Grande genetics just works. Her mother is just under 90" TTT with a tight lateral twist and Annie is on her way to 90" TTT herself! We have her exposed to Gold Mine 1, who's the face of the 2024 HSC and the leading sire for the class of 2015! The color this calf will have is going to be out of this world!

**DOB:** 9/9/2019    **PH#:** 11/19    **REG:** CI331585

**BREEDING INFORMATION:** AI'd to Jaguar Chex with heifer sexed semen.

**COMMENTS:** OCV'd. I'm not sure we'll ever get lucky enough to own another cow like this. Rustic Delta has exceeded everything we could've ever imagine and she's done it at a young age! She was a 65" TTT 2-year-old, an 80" TTT 3-year-old and a 90" TTT 4-year-old. With her incredible horn direction, she's on the fast track to uncharted territories and has a good shot at being 100" TTT in her 5th year. With all that being said, she's so much more than a measurement. She possesses all of the traits that we love in our cattle such as fertility, milking ability, disposition, color and production. Her 2022 heifer, 20/20 Tunica, is her mini-me and frankly, she's the only reason we would ever consider letting go of Rustic Delta. With no Cowboy Tuff Chex or Cowboy Catchit Chex influence in her pedigree, we decided to AI her to Jaguar Chex using heifer sexed semen for a 2024 calf that will surely make you smile from ear to ear for years to come.

**SIRE:** WARLOCK HR  
(BIG RED HR X HR WHITE SHIELD)  
**DAM:** RIVERFORKS MAY OLA  
(COWBOY CATCHIT CHEX X RIVERFORKS REFINED)

**DOB:** 6/13/2024    **PH#:** TBD    **REG:** TBD

**COMMENTS:** OCV'd. Choice lot! You pick the best of three flush mates. We've paired Riverforks May Ola with Harrell Ranch's outstanding herd sire, Warlock HR (93.75" TTT, not counting 3" tipped off his right side). Warlock HR is sired by Big Red HR, a full brother to the 2x Ultimate Bull Rowdy HR. His dam is a daughter of WF Commando, making her a half-sister to Rebel HR, who produced a \$700k daughter. His dam also brings in Iron Mike ST, a bull whose daughters topped sales and had a great run at Red McCombs Sale. Riverforks May Ola (86.5" TTT) is a Cowboy Catchit Chex daughter out of a TK Longhorns' Del Rio Chex daughter, going back to JS Overdrive (watch these genetics, there's a ton of twist in the industry that goes back this way). The three pregnancies are currently safe-in-calf in recipis with a calving date of 6/13/2024. The buyer gets to pick their choice of the three when the youngest heifer is 30 days old. We'll help arrange shipping!

**BREEDING INFORMATION:** Exposed to Backfired Love LV from 6/27/2023 to 10/15/2023.

**COMMENTS:** OCV'd. Here is an excellent producing female who consistently produces great calves. She's a daughter of Jack Pot, a WS Jamakizm son, and out of Allens 289, who's sired by Top Caliber. This girl has a triple twist and it's very lateral! If you like twisty horns, you'll love this cow. **COMMENTS:** OCV'd. We've been wanting to offer something special to this sale since we started in this industry and we're excited to bring TC Trudi this year. She's an 80" TTT 3.5-year-old with a growth rate expected to be in the mid 80"+ TTT by the sale date and she doesn't turn four years old until the end of April! She's a half-sister to our up-and-coming herd sire and Multi-Grand Champion Bull, Jest a Cowboy, both sired by Tuff Cowboy DC. Her dam is one of the last living Field of Pearl daughters. She's out of our most predictable producing families and her 2022 daughter is probably the best heifer we've ever raised. **BREEDING INFORMATION:** Bull calf at side sired by BR Jungle Jim. Exposed back to BR Jungle Jim for possible 3-in-1 package.

**COMMENTS:** OCV'd. Look at the stacking of genetics that this young female possesses. She goes back to the Legendary WS Jamakizm, Texana Van Horne, HL Brick House, JP Rio Grande, FL Rio Maxine and Ringa Dinger. She's very elegant and doing a wonderful job raising her first bull calf, sired by BR Jungle Jim, which is already showing signs of brindling up, just like his dam. The HL Brick House cow has been one of the highest dollar generating females of her time with her daughters are averaging almost \$40k. Rustic Confetti's horns are starting to roll over for an amazing twist that will make traffic back up for miles! We have exposed back to BR Jungle Jim for a potential 3-in-1 package.

**BREEDING INFORMATION:** Bred to Colluder.

**COMMENTS:** OCV'd. 3P 50/50 Poetry Blend has been a joy to watch grow in our pastures. We have a crazy emotional relationship with her which made this decision the hardest one we've ever made. She's a complete package cow with her loud color, perfect udder, amazing conformation, fertility, beautiful rolling horns measuring 90 7/8" TTT, gentle disposition, must I go on! We worked hard to produce a cow like this and are proud to offer her to a very lucky breeder. Her dam, Total Spectrum, produced multiple daughters, all reaching 60"+ TTT as 2-year-olds, 70"+ TTT as 3-year-olds and 90"+ TTT at 6-year-olds, consistently. We found Poetry's genetics crossed well with Drag Iron genetics, so why not breed her to the Legacy Spotlight Bull, Colluder, who measures almost 95" TTT and his dam Silent Iron, measuring 113"+ TTT! They should make magic with this calf! This will be the hardest cow for us to say goodbye to, tears will be flowing, but we can say with all our hearts, she's special and she deserves a life with someone who'll appreciate all she has to offer. Thanks for looking!

**BREEDING INFORMATION:** Heifer calf at side born 9/24/2023, sired by JHCC VooDoo. Exposed back to JHCC Voodoo from 9/24/2023 to present.

**COMMENTS:** OCV'd. Pacific Aces High may be too young to gamble at a casino, but she's the odds-on favorite to be the best bet in the house. Her sire, All In BCB, is a son of Fifty-Fifty BCB and out of Ringa Dinger, two widely respected cattle who wear the Bolen Longhorn brand. Her dam is a granddaughter of the longest-horned bull in the breed, Cowboy Tuff Chex. In addition, she's 90"+ TTT as an 8-year-old and her sire was 87" TTT two years ago. Pacific Aces High was 80" TTT on her 3rd birthday and we believe she's on a track to join the rare triple digit club. If not in that club, she'll certainly be very close. She sells with a heifer calf at side sired by JHCC VooDoo, a son of the 86" TTT Gold Mine 1 bull and our young herd sire who we're expecting great things from. As a bonus, she's bred back the same way for a 3-in-1 package.
