Welcome to the 2024 Eddie Wood Cowtown Classic Sale in Fort Worth, TX!

We are incredibly excited to host each of you for this fantastic sale. The consignors dug deep into their breeding programs to consign what we feel is the best group of cattle we have put together in many years.

We are thrilled to continue to be a part of the legendary Fort Worth Stock Show & Rodeo. The Stock Show offers an excellent opportunity to showcase our breed in front of the general public and other livestock enthusiasts.

The sale includes some amazing heifers, and you will find many elite cows throughout the sale. Our goal is to provide a group of cattle that will meet the desires of every breeder. The quality of cattle has never been better, and we are proud to have consignments from breeders who utilize some of the top genetics available.

The Eddie Wood Cowtown Classic is the first sale of the year and the most prominent exposure opportunity for our amazing Texas Longhorns, being a part of the historic Fort Worth Stock Show and Rodeo in Fort Worth. We strive to bring all breeders together to utilize our talents and resources to market the Texas Longhorn Breeders Association of America and our exceptional cattle to new buyers and the general public.

We encourage all TLBAA members to participate in the Longhorn weekend. For the first time, all Longhorn weekend events will take place on the Will Rogers Memorial Center grounds! You are invited to attend the Directors Meeting, the Annual General Membership meeting, and the Hall of Fame and Year-End Awards Reception on Friday in the Stagecoach Room in the Amon G Carter Exhibit Hall. You can also cheer on our youth at the TLBT youth show at noon on Sunday, January 14, in the Watt Arena. On Monday, January 15, the day begins at 9:00 am in the historic coliseum with the Open Haltered classes. The Open Non-Haltered classes and the exciting Trophy Steers follow them.

The Eddie Wood Cowtown Classic is an excellent opportunity to start the year with a bang! Again, we want to thank our consignors for some amazing animals to offer at public auction. Join the fun and excitement with your TLBAA.

Thank you for your participation and commitment to the TLBAA, our industry, and our beautiful registered Texas Longhorn Cattle.

Sincerely,

Nik Nikodym

LOT
A

Be on the cover of an issue that many breeders keep at hand as a daily reference for two years.

The A.I. Sire Directory publishes every other July, in even numbered years. This reference shows a photo, pedigree, AI number and owner of all TLBAA certified A.I. Sires. It's a great tool for tracking down genetics to add to your program or to find the owner of a bull you're interested in.

Bulls are listed free in the directory pages. What better way to put your bull first in the mind of potential buyers than to grace the cover of this special edition. Raise your hand and your bull(s) can be featured on the cover.

BCR ELEGANTE 355

Breeding: Not exposed.

Comments: OCV'd. Pretty sells and she's it! She has her fancy pants on! Beautiful little heifer out of Bob Lee BCR and BCR Grace and Style. Great pedigreed heifer that brings HR Slam's Rose - dam to Rebel HR and the Bolen's Ringa Dinger on bottom, genetics that produced Fifty Fifty BCB who has produced multiple \$200,000 females like Native Beauty 50/50 and Dunn Lucky Dice, and JP Rio Grande and Swagger on the top side. All these genetics have proven both in the sale ring and in the futurity ring. Both parents boast over 83" in total horn - while Style carries the Texas handlebars, Bob Lee BCR's are set low so her horn set should be a nice lateral. Ready to breed to your bull! Millennium Futurity Eligible.

Comments: OCV'd. TT Lily is big and long and look at her color WOW. One of the easiest keepers we've ever had. We just weaned her first calf and he is built like a tank. We will be showing him in both halter and futurities this year. She was a great first time mom and being a Cowboy Catchit Daughter she is a great milker. Study her pedigree it is packed full of great producers. On her top side Cowboy Catchit Chex brings both horn and size to the table and on her bottom side, CT Hera is going back to the biggest Phenomenon daughter ever, JMC P's Gingersnap, Iron Mike, Hunts Command Respect, and Overwhelmer. Why are these animals mentioned? Because they've all had major value in the breed during their time. And that's where future value comes in. TT Lily is confirmed bred to Hubbells 20 Gauge. Comments: OCV'd. Lucky Lucy has raised us three great heifers and is the dam to our favorite heifer that we have retained as her replacement. We want to start selling some of our better genetics and can't wait to see how her genetics continue to influence our breeding program for many years! She is bred to JH Maga 2020 who is adding leg and horn to all his calves. Lucy is an easy breeder and easy to work. We hope you enjoy her as much as we have.

Breeding: Exposed to WS Elevation from 5/1/23 to 9/1/23.

Comments: OCV'd. Large framed female that is loaded with color and horns that measure 79.5" TTT in August, 2023. She is a wonderful mother and the kind to put in the front pasture. We just love these big framed daughters of Drag Iron. Her dam goes back to Coach, MF TNT, Tabasco, and Zhivago, a great foundation for twist. We have her bred to WS Elevation who has been the best sire we have used to date with several of his daughters that will mature to the 90's" TTT. Lots of milk and twist.

Comments: OCV'd. Joyful is a big bodied, big horned cow. She has been a great producer for us. Great pedigree right out of Jimmy Jones breeding. She comes bred to HL Front N Center, our partnership bull with Hudson Longhorns, who goes back to Vindicator and Casino Ace. Take a good look at her. Updated measurements at sale time. Give her a good look.
