# WELCOME

We are happy to announce the continuance of the longhorn sale and futurity here in Lebanon, Pennsylvania. It is the Appalachian Trail Sale and Futurity, a new name and no affiliation.

We want to continue to hold this sale, here on the East coast. Not just for the breeders to showcase their animals; but it also provides an opportunity for them to purchase cattle. It is also important to retain the relationships built over the years and come together to socialize, if only for a few days. It strengthens the Longhorn community and hopefully will generate interest for new breeders as well.

Hired Hand Live and Huntington Sales will be doing the sale and futurity this year. The futurity will have all money pay outs with exception to the Grand and Reserve Grand Champion heifers. There will also be a Calcutta this year. We have a very nice lineup of sale animals this year, over 60 head. I think you'll like what is being offered.

There will be something for all ages. Our Friday evening meal will be catered by "The BBQ Trough" again and is being sponsored graciously by Randy Murry of New Age Cattle Company. The futurity awards will follow at 7 pm. The kitchen will be open Friday and Saturday for breakfast and lunch.

For those wanting to spend a few extra days in the area, it is a short drive to many attractions. Hershey, Lancaster, and the Harrisburg area are all within an hour drive and boasts some of the best food around and offers many historic sites. Gettysburg Battlefield is about 90 minutes south. Hershey Park offers an amusement and water park as well as the famous Hershey's Chocolate World. Or if you just want to take a leisurely drive, Pennsylvania offers some of the most beautiful scenic farmland and country side.

A huge thank you to all the consignors and sponsors and everyone else that has made this event possible. We could not do it without your support.

We look forward to seeing everyone!

Sincerely,

*Nelson Hearn, Adriana Norris, Tina Anderson & Justine Reitenauer*

**COMMENTS:** Truly Siera is sired by Kevin and Jodi Bryants futurity winning bull, Equalizer, and out of a Top Caliber bred female; this young cow has the pedigree to be a top producer. She has it all. The only thing better than her color is her temperament. She has been halter broke and successfully shown by our youth. We are keeping her 2023 heifer calf, sired by Cowboy Tuff Chex, as a replacement. She sells bred to Guy and Charlotte Cote's futurity winning bull, DCR Roman's Patriot, for a Fall calf. **COMMENTS:** For us to come this far east, we wanted to make sure and bring something special. DCT Angel Light is a gorgeous black heifer that is exceptionally well bred. Her sire is none other than the exciting JH Lightning In A Bottle, the first black and white bull to go over 90" TTT, while her dam, HIL5 She Talks To Angels, is an own daughter of the great WS Vindicator and the 95" TTT RJL Icy Trail. There is power, predictability, color and a whole lot of horn in this sweetheart heifer.

**BREEDING:** Bred to LTL Tin Cup.

**COMMENTS:** From her unique and artistic horn set ,to her multi-brindle coloring, "Iggly" has some of the most character out of any young cow on the ranch. Her sire, Trued Up BCR, has a collection of impressive progenies. Her mother, BCR Bingo, is a Fifty-Fifty BCB direct daughter and remains with Rockin' D Longhorns registered program in Santa Fe, Texas. She's really easy to work and walk around. We believe she would do well in a family-oriented environment where she'll be eating cookies out of your hand soon. She will have a calf at side by our WS Vindicator son, LTL Tin Cup. We will be retaining her 2023 heifer by our HL Double Barrel son, LTL Double Splash.

**COMMENTS:** This heifer has some beautiful brindle coloring coming out all over. Her mother's pedigree has Butler breeding and goes back to Peacemaker 44 and Dode's Blue Boy and her sire's out of Cowboy Catchit Chex. Hubbells Mystic Warrior has and is producing some very solid animals with color for us. This heifers mother is loaded with color and is a producer; out producing herself every time. Her service sire, Pearl Snap BCB, needs no introduction. The calf this heifer is going to produce should be a knockout!

**COMMENTS:** Sired by the great Loomis bred Jagaur Chex, you're bringing in some wonderful genetics like Expedite, Cowboy Catchit Chex, BL Lady Grate, Cowboy Tuff Chex and a plethora of Jimmy Jones' Horseshoe J breeding. All these cows have proven production in the show ring and the sale ring. On her bottom side you have a lateral horned, black and white daughter of All in BCB (sired by Fifty-Fifty BCB) and out of another great line of Jimmy Jones' breeding. In total, her visual pedigree has produced \$85,588+ in Futurity earnings. To top it off, she's bred to Journeyman, the Jones/Stoltz/Talley partnership bull who's sired by Powerwagon and out of Horseshoe J Amarillo, the Fifty-Fifty BCB daughter who has crazy twist out of Horseshoe J Journey (Concealed Weapon x Horseshoe J Important). What an amazing cross this will be.

**COMMENTS:** Lilly was one of our first longhorns, who we bought as a calf. She's a beautiful paint colored longhorn and has been the matriarch of our herd for many years. She's an excellent mother and has produced well for us. You can scratch and feed her by hand and she was halter broke at one time to show. Her genetics are old school, a direct granddaughter of Super Bowl and Lamb's Power Play, making her a great choice for some of the new genetics in today's market. The last time we measured her she was just a little shy of 80"TTT. Take her home, you won't be disappointed!

**COMMENTS:** Silver Steele's horns are really starting to sweep back and roll out. She may be red, but she throws really colorful calves. Her pedigree from Happy 9 has M Arrow Cha Ching (142"TH) and Cowboy Tuff Chex (120"TH), who are the two longest total horned animals in the breed. Then, the calf has the same pedigree coming in with Heart Breaker (90"TTT), who's a flush mate to Happy 9. So, he has a double dose of M Arrow Cha Ching. Steele milks great and has no flaws or bad habits. She's running with Hubbells Butch Cassidy (85"TTT), which gives this next calf a possibility of three generations of Delta Van Horne cows, all in their 90's TTT. Bid in confidence!

**COMMENTS:** This pretty black and white cow was bred by Ron Jones. She's sired by the 88" TTT Wow's Ace, who Ron used for three years. She's produced HSC Tip-To-Tip winners. And now for the exciting part, J.R. Bazinga is bred to M.C. Mr. Big Stuff and due for a Summer calf. She is extremely tall and extremely friendly, plus has all the horn genetics you could hope for. Her dam, XC Andy's Rose, who sold for over \$15k in 2020, was 96" TTT almost a year ago, at last measurement. These maternal genetics are packed with steady consistent horn growth and Code Breaker is showcasing that perfectly. She is by Da Vinci Code, an own son of the 2021 Ultimate Bull, Delta Lucky Ace. That gives her four paternal generations of beautiful brindle coloring. Who better to pair her with than the 2024 Trailblazer Spotlight Bull, Hubbells Jeremiah 29:11. Bid with confidence here!
