# *Welcome to the 2018 Longhorn Opportunities Spotlight Sale*

Dear Texas Longhorn Friends:

I would like to thank you, the consignors, for being part of the inaugural Longhorn Opportunities Spotlight Sale. This is a unique opportunity, not just as a way to market animals in a sale, but as a way to showcase your breeding operation. The animals going through the ring today are not trader cattle, but cattle that these individual ranches have been building their operations around. Now you have the opportunity to utilize these powerful genetics as well. Cattle unloading will be on Friday morning starting at 10 a.m. and we expect cattle to be in place by late that afternoon. Join us at the Will Rogers complex, which is a safe, clean facility, where we can enjoy viewing of the cattle under one roof.

The sale will also be on the Internet via Hired Hand Live for those of you unable to attend. If you have any advance questions on these animals, I encourage you to call the consigning ranches and ask questions regarding the individuals you are interested in. These ranches are passionate about their livestock and want to help you any way possible. I am also available to answer any questions. If I do not have the answer, I will get it for you.

In the Longhorn breed, we put enormous impact and value on the cows in our herd. The same consideration should be made when selecting a herd sire. Taking a lesson from commercial livestock producers, we can appreciate bulls as equal value to cows as they contain 50% of the genetics. Commercial producers will spend between \$3,500 to \$7,000 on a sire that they only use for a 4-5 year window. When they have utilized him they typically take him to the local market and invest in another solid sire to keep their breeding program moving towards the next generation. Some will see this as a loss but, we are striving for a quality breeding operation where keeping replacement females will allow us to further our programs the quickest. The opportunity to acquire half or full interest in these two herd sires offered today could be the smartest breeding decision you have ever made. Investing in the right sires for your program will give you the most profitable return on investment.

We are also offering many foundation females that you can either build an embryo program around or phenomenal brood cows for your pasture program. The offspring these animals produce are an investment in your future as well as the future of the Longhorn industry. We are offering several elite embryo calves that are either on the ground or as an embryo pregnancy. Talk about a jump start to an operation.

If you're just getting started in the Longhorn industry you need to build with a solid foundation. For those who are established, we have the missing building blocks you have been searching for.

This sale was established to promote the programs that work with Longhorn Opportunities as well as those who have done business with JBR Longhorns LLC, Chisholm Trail Cartel, and friends. We appreciate your business. When we work together we are stronger. Buy with confidence and let's put some profit in your pasture.

Sincerely,

Justin Rombeck  
Longhorn Opportunities

## ONLINE BIDDING INFORMATION

Internet Viewing & Bidding Courtesy of Hired Hand Live, a Product of Hired Hand Software [www.HiredHandLive.com](http://www.HiredHandLive.com).

Go to [www.HiredHandLive.com](http://www.HiredHandLive.com) and follow the prompts to either log in (if you've used our system before) or become a registered bidder. We recommend using the internet browsers Chrome or Firefox, not Safari. Bidders are required to register for each sale they wish to participate in. Viewers are not.

A Credit Card is required for online verification but will not be billed. Upon notification that you've placed a winning bid on an animal the sale will invoice you with mailing instructions for payment by check, wire transfer or money order.

You can place absentee and max bids if you are unable to be online live during the sale. These bids are NOT seen by anyone other than Hired Hand staff and are placed automatically by our system to purchase the animal at the lowest price possible for you.

To also join Hired Hand's Mobile Marketing List and receive text updates of sale prices and buyers please text "2244.longhorns" to the number "779-48." There is no fee to participate and no buyer's premium.

Internet buyers are responsible for coordinating their own hauling. All terms and conditions listed in the sale catalog apply to on-line bidding. All announcements from the Auctioneer take precedence over anything posted on-line. The Auctioneer always has final say in all bidding disputes.

Contact Molly Clubb, Hired Hand, for additional assistance: 319-269-8903 or [molly@hiredhandssoftware.com](mailto:molly@hiredhandssoftware.com).

# Spotlight on 2018 Longhorn Opportunities Customers

*Thank you to all of the 2018 Longhorn Opportunities customers!  
I appreciate the opportunity to work with your breeding programs  
and your valued friendships.*

## **Terry & Sherri Adcock \* TS Adcock Longhorns \* Lamesa, TX**

TS Adcock Longhorns became a reality in 2006 when we finally quit talking and bought two bred heifers and a weanling heifer and began building a program for breeding the all-around Longhorn using top, proven genetics. We make our living growing cotton four miles north of Lamesa, TX. But our passion is our kids, grandkids and Longhorns. The first years were influenced by Boomerang C P when Terry went to Kansas to get a cow and, instead, came home with a Boomerang C P son. Right now we are using the genetics of Concealed Weapon and JP Rio Grande in two of our herd sires, TS Magnificent Ken and his son TS Lone Star 22/5, and the genetics of Cowboy Tuff Chex and JP Rio Grande in a third, TS Red River Tuff. Our bulls are young, but they are producing some outstanding offspring that we are really excited about. Terry and I enjoy being members of all three associations. We have made many wonderful friends since starting out in this business and have so many to thank for sharing their knowledge and expertise with us. It is an exciting time to be in the Longhorn business!

## **Dr. Gene & Jolie Berry \* Rocking B Longhorns \* Baton Rouge, LA**

After a short time raising crossbred cows, Gene and Jolie moved to a pure Longhorn herd in 1981. Appreciating and enjoying the unique Longhorn traits, they became Lifetime TLBAA members and joined the Ark-La-Tex and Dixie Longhorn Affiliate organizations. In 1989 they worked with other Ark-La-Tex members to help host the annual TLBAA convention in New Orleans and a subsequent Cow College 101 event in Baton Rouge directed by Dr. Bob Kropp of OSU. Gene served as Ark-La-Tex Affiliate President and two terms on the TLBAA board. He just completed a term serving as first Chairman of the Hall of Fame Committee. Practicing medicine for 40 years, he recently retired from his career as a heart surgeon.

## **Lauren and John Clark \* Buffalo Gap Longhorns \* Buffalo Gap, TX**

Lauren and John Clark, began raising Longhorns in 2013. The original seven cows were purchased from CedarView Ranch, and they partnered with Todd McKnight in the ownership of FL Rio Maxine for the purpose of utilizing flushing on this great producer. On Todd's advice they also hired Justin Rombeck as an advisor for their breeding choices and for assistance in Longhorn sales.

They purchased RC Pacific Mermaid in 2016. Mermaid is the ultimate cow with 5 over 80" offspring by the time she was five years old. The foundation herd now consists of three Casanova x FL Rio Maxine cows, four RC Pacific Mermaid heifer calves, two Mermaid bull calves for future use, and several exceptional two year olds. Buffalo Gap Longhorns is focused on producing the highest quality Longhorns possible with the focus being stacked genetics of top quality animals.

## **Rusty & JoAnne Clark \* J Bar J Longhorns, LLC \* Osage Beach, MS**

After 25 years in the marine business on beautiful Lake of the Ozarks, I retired. It didn't take long to realize I needed to find another passion. Drawing on my curiosity and fascination for majestic Texas Longhorn cattle, I started out cautiously by purchasing a steer named Buddy. We fell in love with Buddy and knew he needed friends if he was going to be happy in his new home. We were referred to Oren O'Dell who helped us with our next purchase of four heifers and a bull. A new chapter was written and J Bar J Longhorns was conceived. We are breeding for the total package animals with deep pedigree's. We utilized LLL Maxamillion for four breeding seasons, and are currently using Cowboy Casanova Pride to take us to the next level. Please visit our website [www.jbarjlonghorns.com](http://www.jbarjlonghorns.com)

## **Todd & Amanda Danley \* ANB Ranch \* Sweetwater, TX**

ANB is a family owned and operated ranch. Each one of us enjoys spending time with the cattle and the time spent as a family. Todd is self employed and owns & operates a crop insurance agency with his father in Seminole. Amanda is a teacher at Seminole ISD and has taught Pre-K for the past 13 years. Sarah and TJ help as much as they can at the ranch and fight over the name of each new calf. We started out with two cows from Rocking O in Lockhart and our herd has grown from there. Although we are new to the breed it is our goal to grow our herd with the best quality Longhorns we can by focusing on conformation, horn, color and disposition. We are proud to have King Cowboy as our herd sire out of Cowboy Chex and Hubbell's Queen Blade. He has a ton of horn, great coloring, huge body and great temperament.

### Alex Dees \* CR Longhorn Ranch \* Harper, OR

Welcome to CR Longhorn Ranch, where Alexandra Dees is striving to raise quality registered Texas Longhorns in Harper, Oregon. We want quality animals that can handle a harsh winter. We want females with perfect structure that can handle rough terrain, as well as strong emphasis on horn, color, milk, and fleshing ability. We have used sons of industry leading females that are loaded with maternal power. The baseline for the past few years has been Archer Texa and Concealed Weapon. The daughters they have given us are invaluable.

### Richard & Jeanne Filip \* Bentwood Ranch \* Fayetteville, TX

Since entering the Longhorn business in 2000, Richard and Jeanne have been major players in the industry and their breeding program has produced some of the finest Longhorns in the business. A partner in CV Cowboy Casanova, his offspring have set sales records. The Filips recently acquired Cowboy Tuff Chex, Guinness Record holder for the longest tip-to-tip bull at 101". The Filips also own M Arrow Chaching, the longest total horn cow in the industry at 129" total. Their herd has six over 90" TTT cows and twenty-three cows over 80" TTT. Richard was 2014 Millennium Futurity Exhibitor of the year and 2017 TL-BAA breeder of the year. Through an aggressive embryo program, the Filips continue to produce genetic crosses which produce color, conformation, milking ability, and awesome horn growth.

### Pat & Janet Gleason \* Big Valley Longhorns \* St. John, KS

We are a 3rd generation farm and working cattle operation located in central Kansas. Today we carry on the same farm and ranching traditions as our great-grandparents did on the exact same land. Our program is focused on betterment of the breed and raising total package animals. Janet enjoys visiting about Longhorns and also attending sales and events. You can reach Janet at 620-804-0324 anytime or email her at janetkeller@wildblue.net. www.bigvalleylonghorns.com

### Keith and Marcia Hagler \* Hagler Ranch \* Taylor, TX

Keith and Marcia Hagler are owners of Taylor Auto Credit pre-owned car dealerships, Loanco Inc. and Hagler Investments. All located in and around Taylor, Texas. They have 2 daughters and live on Hagler Ranch just outside of Taylor. They fell in love with the Longhorn breed back in 2008, but the last few years have really been trying to build a breeding program of sound genetics.

### Frank & Michelle Hevrdejs \* Deer Creek Longhorns \* Brenham, TX

Michelle and I invite you to come on out to Brenham and see our herd for yourself. We have something for every breeder. You can be assured that every Longhorn at Deer Creek is healthy and is worked in conjunction with our vet twice a year. We do not keep culls of any sort, and pride ourselves in having only Texas Longhorns with good dispositions that are easy to work and a pleasure to have in your pasture and ours. Call any time to arrange a visit.

### Tucker & Carrie Hilbert \* Rockin Hil Ranch \* Bennington, KS

Our family is very excited about becoming part of the Longhorn community and developing new relationships. We are excited about our genetics and the colorful, long-horned animals to come! If you're passing through feel free to call and visit our ranch.

May God Bless you and your herds!  
Tucker & Carrie Hilbert  
www.rockinhilllonghorns.com

### Nancy Ince \* Rocking I Longhorns \* Bergheim, TX

Nancy Ince formed Rockin I Longhorns when she purchased her first 2 Longhorns in January 2010 for "Yard Art". Nancy fell in love with their beauty, demeanor, the way they interact socially, and of course the babies. If she was going to raise Longhorns, she wanted good bodies, good bloodlines, and good dispositions. This is where Tony Mangold came in. Nancy and Tony together have purchased and bred these wonderful animals. He has been a tremendous help in buying, breeding, marketing, and direction of the program. They have several predominant female lines they have been building off of - Eternal Tari, Lassie and Doherty, Tejas Star, Bomber Chex and Tuff Chex sires have been brought in to breed to our female lines. By doing this, we are working on twist and stacking the best genetics possible. Besides natural breeding, we also do AI and embryo work. Justin, with Longhorn Opportunities, has been a great asset to this program and a very good sounding board. The herd is now up to over 400 head, which keeps Nancy's daughter, Nichole Keith who manages the operations, along with our Ranch Manager Jimbo Kimbro extremely busy. Our primary ranch is located in Charlotte, TX where a hay operation enables our herd to have plenty of food year round. Nancy's other daughter Samantha Mangold, along with Brandon Maldonado, head up our Lean Beef operation. They are selling the beef to restaurants, farmers markets and online. They also sell the heads and capes, through Samantha's Boutique (Sam I am) We ask that you go to our web site rockinlonghorns.com, look at our herd and give us a call for purchases, questions, or just to talk.

### **Kelli & Todd McKnight \* CedarView Ranch \* Pittsburg, KS**

In 2001, Kelli and Todd McKnight's Longhorn journey began with a tiny herd of 3. They named their ranch CedarView. Through on-the-job training, trial and error, Todd and Kelli, along with their 3 children, fell in love with the care and raising of this wonderful breed of cattle. With the assistance of Longhorn Opportunities for the past 13 years, their program is producing Longhorns with a fantastic combination of pedigree, horn, conformation, disposition, color, predictability, and consistency.

CedarView Ranch utilizes (ET), (AI), and exceptional herd sires for natural breeding. They raised and used CV Cowboy Casanova for many years, which has now produced the next generation of elite heifers. They have also produced some of the top bulls in the industry such as CV Casanovas Magnum, Tuff Stuff, and CV Call of Duty. Raising Registered Texas Longhorns has become not only a business but an enjoyable hobby for the McKnight family. They are constantly reminded through their cattle of God's power, incredible creativity and abundant blessings.

### **Pat, Mike & Nick Mills \* Pecan Creek Longhorns \* Taylor, TX**

Pecan Creek Longhorns was established in 2015 by Mike and Pat Mills, and their sons Nick and Lance. Born and raised in Taylor Texas, a small agriculture rich community NE of Austin, it came as no surprise to Pat when Mike told her he was interested in raising Longhorns. Soon after, that dream became a reality and a family partnership was formed. After receiving recommendations from friends in the business, Pecan Creek Longhorns decided on developing their herd with registered Longhorns because of their unique qualities and highly sought-after breed recognition. Their goal is simple: build a solid, reputable program from the ground up, from some of the most complete animals in the industry, that anyone would be proud to own.

### **Shilo & Nick Noyes \* Running N Longhorns \* Fruitland, ID**

We started with Longhorns in 2011 as a hobby because I thought they were so unique. Shilo and I have three daughters Allison, Kylee and Reagan who all help with the cattle when needed. We are now focused on raising a Longhorn that has size, color and horn. Pacific Cowboy 40 has been a game changer for our program, his heifers are looking great.

### **Scott & Amelia Picker \* A & S Land & Cattle \* Dundee, OR**

A&S Land and Cattle is located in the heart of Oregon's wine country. Scott and Amelia Picker are coming into their 6th year of raising Longhorn cattle and they are still as enthusiastic as the day they started. Scott does most of the day-to-day, Amelia is the vet, Carson (16) feeds and Emily (14) does the halter breaking. It is truly a family effort and well worth it. 2017 accomplishments included Grand Champion Mature Female and Grand Champion Heifer at the Deschutes County Fair. The Picker Family is well into their Longhorn addiction and looks forward to working with the breed for years to come.

### **Cliff & Elizabeth Schroeder \* Lone Star Ranch and Cattle \* Whitesboro, TX**

We recently retired and bought some acreage outside of Whitesboro. We've always thought it would be cool to have Texas Longhorns. Being very new to the industry, our first purchase 2 1/2 years ago was basically "yard art". We've thoroughly enjoyed having them and watching the herd grow. In the past year, we've gone to some auctions and seminars. After learning more, we realized we wanted to breed quality cattle to make this more than a hobby. We are now in the process of selling some of our original herd, keeping some for embryo recip, and purchasing cows with quality bloodlines.

### **Chad & Janell Smith \* Smith Longhorns \* Killdeer, ND**

Chad, Janell, Rope, Bailey, and Cinch Smith of Killdeer, ND had been raising longhorns for years, when we decided to pursue a different avenue and raise quality Longhorns with a focus on the total package – horns, conformation, and color. Through the help of modern technology, we have been able to build a program with quality genetics.

### **Brad & Michelle Spray \* Crooked Horn Ranch \* Sharon, OK**

Brad & Michelle Spray live in rural Sharon, OK with their two children Tayler, 7, and Ridge, 1. Brad is co-owner in a construction business and Michelle is a procurement specialist for a chemical manufacturing plant. After losing twin boys in 2015, God helped us with the loss by bringing us to the Texas Longhorns. We have since developed a passion for them. Brad is an avid hunter and travels to Colorado and Kansas for elk, mule deer and whitetail deer hunting. The cattle have become something the whole family can enjoy. Last year, they named the ranch after one of the first four Longhorn cows they purchased. The ranch now consists of 20 head of Longhorn cows and a handful of angus-cross cows. They are excited for what the future holds in the industry, meeting other enthusiasts, and building a stronger total package herd.

**Comments:** OCV. JP Rio Grande's legacy originally was the outstanding offspring that he produced, but it didn't end there. The production of his daughters continues to take breeders to the next level. Prime examples are BL Rio Catchit and Hubbells Rio Glory. Today you can add the next phenomenal offspring of JP Rio Grande and Eternal Diamond who is nearing in on 96" TTT. As you can see below in a few of the Eternal Diamond offspring she is proving herself to be a phenomenal producer like her dam.

DYNAMIC DREAM 005

**Breeding:** Exposed to Cowboy Casanova Pride from 12/23/17 to sale date.

**Comments:** Maxamillion did so many wonderful things for our program. His full sister is Showtime Mona Lisa owned by Hoosier Longhorns. Horse Head Show Time is in her 80's TTT and 100's TH. On the dam side you will find Awesome Alamo, who is out of the legend Hatch's Candy Cane that generated so much money when crossed with Awesome Viagra. Exposed to Cowboy Casanova Pride, a CV Cowboy Casanova son out of the huge producer Gala Show Of Stars.

BOMBER CHEX 80 { JP RIO GRANDE  
BL PRETTY BOMER

PCC BLAZER { PCC SHADOW CATCHER  
PCC BLITZEN

**Breeding:** Exposed to DG Eternally Cool from 1/15/18 to sale date.

**Comments:** Fancy young Bomber Chex daughter. Bomber Chex is over 80" TTT son of the 80"+ TTT JP Rio Grande and the 85" TTT Pretty Bomber that goes back to LCR Buena Joya. On the dam side there is a dominant brindle gene and goes back to Gunman a few times. Her first calf was a bull that has a brockle face and brindle sides. We have her exposed to DG Eternally Cool, who is double bred WS Jamakizm and also has Shadow Jubilee and ECR Eternal Tari.

# DELIVERING EXCELLENCE - EXCEEDING EXPECTATIONS

---

I'm Justin Rombeck, dba Longhorn Opportunities. I have been working as a breeder of Texas Longhorns for 21 years. I worked as ranch manager for 3 years before deciding to start Longhorn Opportunities. It gives me so much pride and excitement to help so many programs utilize breeding strategies to develop top tier animals and become industry leaders. Listed below are the areas I can address to help ranchers reach their short term and long term goals.

## LONGHORN OPPORTUNITIES PROVIDES THE FOLLOWING CONSULTATION SERVICES:

- Individualized breeding decisions to increase productivity in brood cows.
- Herd sire selection to develop a program for greater productivity and development. Identify females that will complement the herd sire to maximize profits.
- Recommendations on eliminating animals that are not productive or profitable. Discussing animals that have physical flaws or temperament issues that are not desirable.
- Developing herd health solutions to insure a healthy productive herd. This includes nutritional planning.
- Developing a strategic mating program for AI, ET, and IVF. This includes pre-purchase background checks to determine that the animal will be productive and profitable within your breeding program.

## ANIMALS PRODUCED WITH ASSISTANCE OF LONGHORN OPPORTUNITIES

57

STARBASE COMMANDER { PPF GUN MAKER  
LADY DIXIE

MS. OMAHA { J.R. GRAND SLAM  
FREMONT

Buyer: \_\_\_\_\_ \$ \_\_\_\_\_

**Breeding:** Exposed to WS Elevation from 6/1/17 to 8/21/17.

**Comments:** OCV. Fremont is a good momma cow who raises great calves. She passes her flashy color and gentle disposition. We are keeping her heifer calf. She is bred to our herd sire, WS Elevation, who is a Cowboy Up Chex son and out of WS Sun Star.

CONSIGNED BY ROCKIN I LONGHORNS  
**SHAMROCK KELLY**

TLBAA No: C259143 PH No: 158 DOB: 2/13/2008

58

ZD KELLY { DIAMOND W PAY CASH  
DELTA URSULA

SLICK'S LITTLE STAR { SALIDA SLICK  
STARLIGHT

Buyer: \_\_\_\_\_ \$ \_\_\_\_\_

**Breeding:** Bull calf at side born 11/13/17 and exposed to JBR Eclipse from 1/15/18 to sale date.

**Comments:** The impact that ZD Kelly has made in the industry is phenomenal, but the true impact is yet to be seen. His daughters are large framed females that have more wow factor than your grandma's fine Crystal. We have retained a daughter of hers from Hubbells Rio 007 as her replacement. Her dam, Slicks Little Star, was a huge producer and a direct daughter of Starlight. Frame, milk, conformation. And bred to a HSC 2x futurity winner, HSC horn champion, and 2x superior award winner.

*Thank you for attending the sale.*

*See you again next year.*

*God Bless*

# TERMS AND CONDITIONS

1. **BIDDING:** Each lot will be sold to the highest bidder with reserve. All buyers must be registered with a buyer number and must have proper identification. All bidders must be at least 18 years of age. On line bidding platforms must have their buyers approved prior to the auction by Auction Management.
2. **RESERVES:** Reserves must be given to the Auctioneer Only. No Reserves will be accepted once the auction has started. Removing of a reserve will be accepted.
3. **BIDDING DISPUTES:** The Auctioneer in charge will settle any disputes during the auction as to bids, and his decisions shall be final.
4. **TERMS:** Terms of the auction are cash or check. Payment from proceeds with a negative balance is not permitted. Checks are to be made payable to: Lemley Auction Services. All billing must be pre-approved by Auction Management prior to check out.
5. **POSSESSION:** Immediately after lot is sold, it will be the sole risk and responsibility of the buyer thereof, but possession cannot be obtained by buyer until payment is made.
6. **TRANSFERS OF TITLE:** On sale animals, Texas State Health Requirements should be considered by bidders before purchasing. All animals will be transferred to registry of their choice, but must be indicated at time of check out.
7. **GUARANTEE:** Guarantees are strictly between individual consignor and the purchaser at the auction.
8. **NOTICE:** The purchaser must look to the seller for fulfillment of all or any guarantees and representation made hereunder and not that of Lemley Auction Services or auction staff.
9. **REPRESENTATION:** The Auctioneer is acting as an agent of the seller and all representations made by the Auctioneer are made on behalf of the seller. The Auctioneer is not responsible for the acts or behavior of the seller. Any action or recourse will be directed to the seller and not to the Auctioneer.
10. **ANNOUNCEMENTS:** All announcements or changes from the auction block shall take precedence over information printed in the catalog.
11. **LIABILITY:** All persons who attend the auction do so at their own risk. Sale manager and anyone connected with the sale assume no liability, legal or otherwise, for any accidents that may occur.
12. **CONTRACT:** At the drop of the hammer the above terms and guarantees shall constitute a contract between the buyer and seller of each lot sold.
13. **TRANSPORTATION:** Delivery of purchased lot will be at buyer's expense or can be arranged by seller.
14. **OFFICIAL PAPER WORK:** Official load out paper work will be submitted to the buyer when payment is received. All official paper work for Scratched lots and Pull Outs will not be handed out on sale day. Paper work will be mailed after sale day. No animal can leave the sale facility until a load out/receipt bill of sale is signed by a member of auction staff.
