# WELCOME

Howdy,

Welcome to Sorensen Sandy Creek Ranch (SCR).

Paul and Staci Sorensen started SCR in 2005 with 86 acres and 12 head of Brangus cattle. As the years went by, this hobby grew and in 2014 SCR expanded into what it is today with 400 cows and 14 Registered sires. The vision is to take the best commercial Brangus cows and breed them to registered sires, resulting in Brangus Premium Gold Calf. You will see that no external operations are used to grow or finish the animals. From the time the calf hits the ground until the time it leaves the property; the TEAM here has been caring for and raising the cattle. As of 2016, SCR has added a Registered Brangus operation that includes the purchase of several registered cows that has grown to over 30 head. They will be available at future auctions as we broaden our offering. The TEAM here at SCR is excited to share our passion with you and hope you have a great experience at this year's sale.
