» WELCOME

Dear Texas Longhorn Breeders,

Welcome to the 2019 Cherry Blossom Sale and Futurity! We are thrilled you made it out to the Culpeper Ag Facility that is once again host to this great event in what is hoping to be a sunny and dry Spring.

It has been a joy over the years to see the East Coast Market thrive. From new breeders stepping in and becoming active, to older breeders continuing their legacy of integrity and helping those around them get started. We can all learn a lesson from each of you as to how we should conduct ourselves helping and at times, putting others above ourselves.

We are thrilled to be bringing you the Annual Cherry Blossom Sale once again. We have a wonderful lineup of some of the best cattle the East Coast has to offer. To each consigner, sponsor, and participant, we thank you for being here.

Great things are starting to happen with our beloved cattle. Prices are still remaining strong in comparisons with other breeds, and we are seeing new breeders coming in weekly.

I encourage you to say “hello” to a new face this weekend. We were all once newbies into the Longhorns and a simple hello and handshake goes a long way to welcoming new members into our Longhorn family.

We hope that you take in all the Cherry Blossom has to offer this year. We would also like to thank Ann Gravett for generously hosting the Friday Night Social. As always, we love to hear input from our members as to how we can better serve you! I hope you enjoy your weekend at the 2019 Cherry Blossom Sale and Futurity! Thank you to all the East Coast Breeders setting the example.

Sincerely,

Lane Craft
TLCA Chairman of the Board
