Welcome to the 19th Annual Horn Showcase Sale in Lawton, Oklahoma!

In 2000, the first HSC raised the bar and prices of our cattle. With the hard work of our members, staff, and the support from our sponsors and exhibitors, this event continues to grow each year. We would like to thank Dale Hunt for his passion for this breed and the concept of the Horn Showcase.

With the support from our sponsors we are able to put on this legendary event and sale. A very special thank you to those who have sponsored, especially for this trying year.

We continued the concept of offering one Horn Showcase sale again this year. While we opened it up to all eligible cattle this year, we still are highlighting the bred and owned consignments with their own special logo on their sale page. We've also marked those consignments which have their parentage verified or DNA markers on file in the TLBAA office. A new addition to the sale allowed our breeders the opportunity to offer a Pen of Heifers as one consideration. This allows our breeders to bring some of their younger heifers and have those genetics available to our buyers. Thank you to our consignors for digging deep into their programs and bringing their best!

We've brought in Bruce McCarty as our auctioneer this year and look forward to his expertise on the block along with Chase Vasut as our pedigree reader. We will also have Hired Hand Live taking internet bids, should you not be able to attend. Please visit hiredhandlive.com to set up bidding 48 hours prior to the Saturday sale.

This year has brought challenges to all of us in both our personal and professional lives. We hope the normalcy of a Texas Longhorn sale will allow all of us the opportunity to enjoy our animals and camaraderie that comes with visiting with old and new friends. The love for Texas Longhorn cattle and the excitement in our industry is stronger than ever, so bid with confidence and buy a Longhorn that you will enjoy and will make you money! Thanks for attending this year's sale, may your pastures grow long and your horns grow longer.

Sincerely,

Matt Baca

Internet Viewing & Bidding Courtesy of Hired Hand Live, a Product of Hired Hand Software www.HiredHandLive.com.

Go to www.HiredHandLive.com and follow the prompts to either log in (if you've used our system before) or become a registered bidder. We recommend using the Internet browsers Chrome or Firefox, not Safari. Bidders are required to register for each sale they wish to participate in. Viewers are not.

A Credit Card is required for online verification but will not be billed. Upon notification that you've placed a winning bid on an animal the sale will invoice you with mailing instructions for payment by check, wire transfer or money order.

You can place absentee and max bids if you are unable to be online live during the sale. These bids are NOT seen by anyone other than Hired Hand staff and are placed automatically by our system to purchase the animal at the lowest price possible for you.

To also join Hired Hand's Mobile Marketing List and receive text updates of sale prices and buyers please text "website.longhorns" to the number "779-48." There is no fee to participate and no buyer's premium.

Internet buyers are responsible for coordinating their own hauling. All terms and conditions listed in the sale catalog apply to online bidding. All announcements from the Auctioneer take precedence over anything posted on-line. The Auctioneer always has final say in all bidding disputes.

DH PLATINUM

TLBAA No. CI283316

P.H. No. 212

DOB: 11/7/2012

CONSIDERED BY:
KYLE & WHITNEY MAYDEN

BREEDING: Exposed to DH Revival from 1-1-20 to sale.

COMMENTS: Platinum is a really nice, quiet handling cow that will take a cube by hand but not run you over. She has a solid twist focused pedigree and has produced us some really great heifers that we have retained. We have wondered if she is homozygous black as she has only ever had black calves. She will be a great addition to your herd.

CONSIDERED BY:
SUZANNE & WILLIAM H. TORKILDSEN, M.D.

BREEDING: Exposed to Trued Up BCR from 6-1-20 to 10-1-20.

COMMENTS: OCV'd. Cyclone is a beautiful, colorful young Casanova Magnum daughter. She has two over 90" and five over 80" tip-to-tip animals in her pedigree. Her dam, Touch N Whirl Pat, is a long time top producer. This heifer is as sweet as can be and has a very promising future. She is exposed to Trued Up BCR. He is a 90 inch bull that has given us some very exciting heifer and bull calves so far with 99% being brindle in color. He comes from an incredibly predictable cow family going back to El Coyote genetics. So this should be a very exciting cross.

Red Hot CDC is a mix of Big Red HR, who is a full brother to the \$100,000 Rowdy HR, and a mix of some of the best Bolen breeding there is. Ask Cindy, they have had tremendous success with Working Man Chex and this little heifer carries that blood. COMMENTS: OCV'd. I first met Diamond Thief at the Navasota sale several years back. Phil & I were looking for a really nice one to add to our boutique herd. Her breeding & beauty caught my eye. I walked in the pen to check out her temperament. When she let me scratch her on the head, I figured this would be the one I was taking home. We have two gorgeous heifers out of her, so we thought we'd share her while she was still young. BTW, she still lets me scratch her on the head and, of course, loves to be hand fed cubes. She works easy and is absolutely beautiful.

BREEDING: Exposed to DH Revival from 1-1-20 to sale.

COMMENTS: Suzy has a loaded pedigree to compliment any herd and has raised us some fantastic calves. We really enjoy her grulla coloring and have found she passes that to her calves. She is big framed and milks really well. We think you will enjoy owning her as much as we have. Take a good look at her service sire - will be a great pairing!

She's bred to Hubbells 20 Gauge for a spring calf, that should be very exciting! This 20 Gauge x Cowboy Catchit Chex cross is really looking awesome. Go to hubbellonghorns.net for more info.

COMMENTS: OCV'd. Bubbles is sired by Rowdy HR, two time Ultimate Bull Champion, and a full sister to the 92" in horn, Slam's Rose. She is a tall, correctly framed heifer, and has lateral horn measuring 38" at 13 months. Her dam, bred by Dale Hunt, is a beautiful brindle cow measuring 70" as a 3yo. There's Cowboy Tuff Chex over the Sweetheart line and a mix of the old school Capone bull that did so well over an 80" Butler cow. A genetic goldmine.
