Welcome to the 2021 Eddie Wood Cowtown Classic Sale in Fort Worth, TX!

We are extremely excited to host each of you for this amazing sale. The consignors dug deep into their breeding programs to consign what we feel is the best group of cattle we have put together in many years.

The past year has offered challenges for all of us in the Texas Longhorn industry and in our personal lives. We have all figured out a way to create our “new normal” while also filling it with our passions that bring stability to our world. Fortunately, the Longhorn industry fared better than many.

The sale is starting with some amazing heifers and you will find many elite cows throughout the sale. It is our goal to provide a group of cattle that will meet the desires of every breeder. The quality of cattle has never been better and we are proud that we have consignments from breeders who specialize in show cattle to the best horn genetics available.

This sale is the first sale of the year and is also the largest exposure opportunity for our amazing Texas Longhorns, being held at the historic Will Rogers Center in Fort Worth. We strive to bring all breeders together in an effort to utilize our talents and resources to market the Texas Longhorn Breeders Association of America and our amazing cattle to new buyers and the general public.

We encourage all TLBAA members to participate in the Longhorn weekend. Please attend the Directors Meeting and the Annual General Membership meeting, along with the Hall of Fame and Year-End Awards Reception on Friday. After the sale, head over to the Will Rogers Coliseum to watch the TLBAA World Qualifying Open Halter which should begin approximately 30 minutes after the sale. Hang around later that day for the Open Non-Haltered and the exciting Trophy Steers in the evening. You can also cheer on our youth at the TLBT youth show at 9 am on Sunday in the coliseum.

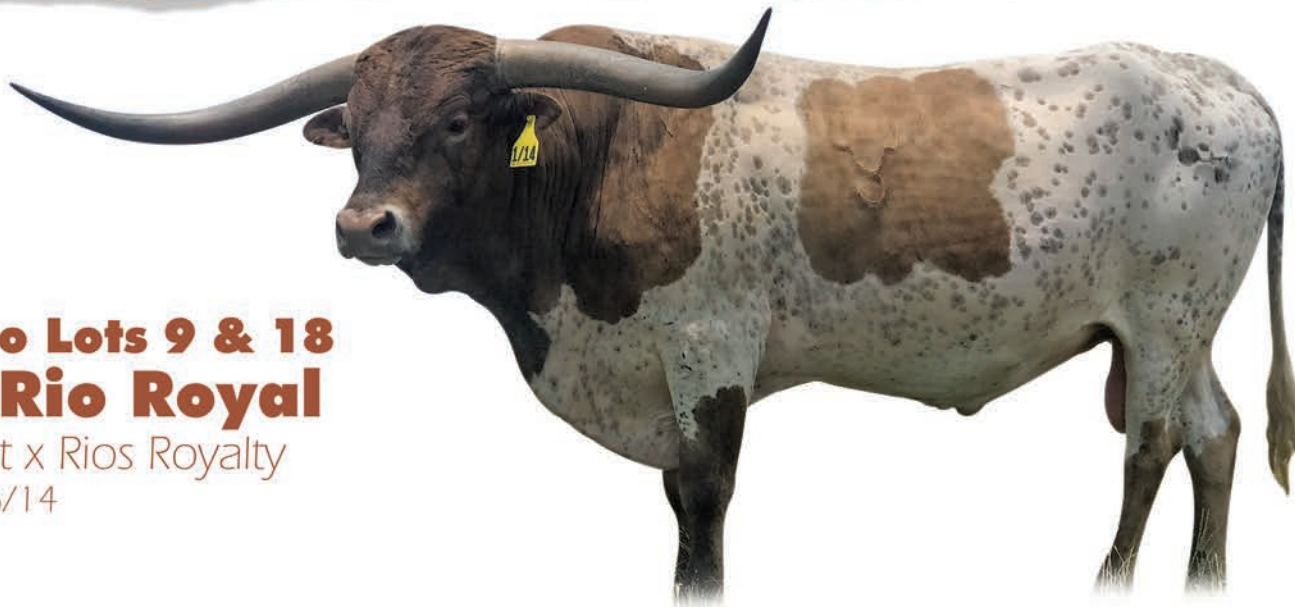

The Eddie Wood Cowtown Classic is a great opportunity to start the year off with a bang! Again, we want to thank our consignors for some amazing animals to offer at public auction. Come join the fun and excitement with your TLBAA.

Thank you for your participation and commitment to the TLBAA, our industry and our beautiful registered Texas Longhorn Cattle.

LUCKY LUCY SRC { LLL LUCKY
KIMMIE SUE SRC

Breeding: Exposed to Safari Tuff SRC from 1/1/20 to sale.

Comments: OCV'd. Lucky Lucy is what we describe as a total package cow! She is a granddaughter of both Jamakizm and LLL Lucky. Lucy raises a big calf each year and is a pleasure to have in the pasture. She sells exposed to Safari Tuff SRC, our 80" TTT three year old Cowboy Tuff Chex son.

Breeding: Exposed to Tejas Hard Rock from 1/1/20 to 2/15/20; Delta Lucky Ace from 3/1/20 to 6/15/20; Jason Kidd from 9/21/20 to sale.

Comments: OCV'd. Zech bought Firefly's Touch in May 2019 for \$12,500 and I had hoped to be able to play with these genetics for longer. Touch is the prettiest cow on the ranch

and she raised a gorgeous heifer that has extreme backward turning horns that will twist like her dam's. Look at all the great animals listed in her pedigree - Touchdown of RM, Phenomenon, Starlight, CP Yates Flower, GF Heavy Hitter and her dam 2D Rocks 585 Firefly - Stacked for greatness and exposed to Tejas Star grandson - Hard Rock, then Delta Lucky Ace and to be sure - Jason Kidd the gorgeous speckled brindle Jester grandson. Measured 83.875" TTT in June 2020.

7 BAR PEACH KRISTY

Consigned by Hagler Ranch

PEACH BRANDY ST { CHUCKWAGON
PEACHES

Breeding: Exposed to WS Elevation from 5/1/20 to 11/120.

Comments: OCV'd. 7 Bar Peach Kristy is an ET daughter of Maximus ST and Peach Brandy ST that has such magic. Maximus ST is the grandsire to Craft's 100"+ TTT Rex's Red Rose. In fact, 7 Bar Peach Kristy is a 3/4 sister to Max's Red Rose who is 90" TTT. She might be the easiest keeping cow we have ever owned. We have her bred for a spring 2021 calf to be sired by WS Elevation (Cowboy Up Chex X WS Sun Star). This cow could put you on the map.
