# Welcome

The Texas Longhorn Breeders Gulf Coast Association thanks you for being a part of this sale and futurity. Our focus is to promote the Texas Longhorn breed, get our youth involved with the breed and grant scholarships for their education. This event is a fund raiser to help us complete our goals. Our volunteer staff has worked diligently to provide you with the 2019 Cattle Baron's Premier Longhorn Sale and the Winchester Futurity. Together we all make it the best it can be.

We could not do this sale without all of our consignors, sponsors, staff members and volunteers. Thank you to each and every one of y'all for making this happen. As prospective buyers, you will find quality cattle in this sale that will fit the need of any herd. We have a great auctioneer, Joel Lemley. We hope you enjoy the sale.

Our catalog format starts the sale day with a great variety of heifers, the oldest being born in 2016. The rest of the sale is comprised of a superb assortment of premium cattle, including one group of cattle with twisty horns and twisty horn genetics. You will find quality animals spread throughout the 109 lots being offered.

We are blessed to live in a country where we can do the things we choose to do. We appreciate you choosing to be here and we hope that your Longhorn experience with us is a good one.

Thank you for participating.

Sincerely,

*Stephen Head*

TLBGCA President

One of life's greatest joys is helping others succeed. TLBGCA helps students succeed in their education by providing scholarship funds to help offset the cost of college tuition. In May, 2018, TLBGCA awarded scholarships to Garrett Ybarra, Peyton Anderson, Lydia Salsbury, Matthew Wallace, Kelli Jones, Paul Cinque, Cameran Emory and Sierra Wood. A significant portion of the scholarship funds are provided by generous breeders (both donors and buyers) at the Cattle Baron Sale and Winchester Futurity. Thank you for helping us make a positive impact on the lives of teenagers striving to reach their goals.

**Comments:** OCV. It's been a pleasure to watch this heifer grow. Her horns are starting to get more movement. Horns like hers will take awhile to grow out so don't be freaking out on her TTT measurement. Her dam now has over 76" TTT of beautiful rolling horn. Her dam is a real good milker and is very quiet, we're sure she will be, too. Her sire, Ringman BCB, has produced very solid, productive and competitive calves for us. To top it off she sells bred to another favorite bull of ours, Bandera Chex for a fall calf! We'll have updated information at [www.bolenlonghorns.com](http://www.bolenlonghorns.com)

**Breeding:** Exposed to Pearl Snap BCB from 8/2/18 to 11/4/18. Exposed to JTW Big Country from 11/4/18 to sale date.

**Comments:** OCV. Here's a beautiful Black Kettle heifer, not even 3 years old. We've weaned a very nice heifer off her and she's bred back to Pearl Snap BCB; should have a calf in early summer. Pearl Snap BCB is a partnership bull with the Bolens and he is a Bandera Chex son. Wonderful color pattern, nice growthy young cow that milks very well and shows good mothering instincts. Emerald is gentle and works easily. All offspring are Millennium Futurity eligible. Great background genetics on this pretty young girl.
