2018 Rocky Mountain *Select* Texas Longhorn Sale

TO BENEFIT THE

SEMPER FI
FUND

Welcome to Colorado!

The 20th annual Rocky Mountain Select Texas Longhorn Sale promises to be the best yet, with truly outstanding cattle from reputation breeders across the country. Besides the obvious—pleasant days and cool evenings, with various tourist attractions—there are two primary reasons for the popularity of the “Colorado Sale.” In 35+ years of hosting Texas Longhorn sales we’ve learned that success comes from offering *good cattle* and a *memorable social experience*. That’s why we call it a rendezvous ... and emphasize the family-friendly presale party. (And don’t miss the stagecoach rides on Friday!)

The Rocky Mountain Winchester Futurity kicks things off on Friday morning. The Grill at Latigo, located in the same building as all activities, will be open all day Friday and Saturday, plus “ringside” food and beverage availability during the sale.

Your Sale Hosts

Stan Searle *Gary Lake*

Friday features our first-ever Heifer Sale (37 terrific young females from the country’s finest programs), followed by our steak dinner/banquet and salute to the Semper Fi Fund. You’ll also be treated to entertainment from Charlie Searle and his band of itinerant minstrels aka Ashtōnz. (Charlie’s musical career began near Brackettville, Texas at Alamo Village working for Happy Shahan, a good friend—and past president of TLBAA and founding member and director of the ITLA.)

We’ll have both online and telephone bidding available via Hired Hand Live. If you have to miss all the fun in person, be sure to study the catalog online and then watch the sale. Bidding is easy (details below). We look forward to having you here for a great Colorado weekend—at the Futurity, Heifer Sale and party on August 10 and the Select Sale on Saturday the 11th at 11:00 am.

Register to bid at least 12 hours before the auction by visiting www.HiredHandLive.com and follow the prompts. A credit card is required for online verification but will not be billed. Previously registered Hired Hand Live sale participants must re-register for this event using user name and password. Absentee and “max bids” for those unable to be online during live event may be placed by contacting Molly Clubb at (319) 269-8903 or molly@hiredhandsoftware.com.

2. **TERMS:** Terms of the sale are cash or check to the clerk at the conclusion of the auction. No funds will be released until all checks have cleared the bank, usually within 10 days.
3. **CERTIFICATE OF REGISTRY:** Certificate of registration will be transferred to the purchaser. Give full name and address to the sale clerk when making payment to facilitate proper transfer of ownership.
4. **HEALTH:** All cattle pass the requirements to sell in this state and most other states. Interstate health papers will be furnished for each animal over six months of age. 2018 Rocky Mountain *Select* Texas Longhorn Sale **DONATIONS**

In October of 2014, Searle Ranch was chosen as the last stop on a week-long Colorado adventure for a group of disabled U.S. military veterans. The trip was made possible by the SEMPER FI FUND (www.SemperFiFund.org), an organization founded in 2003 at Camp Pendleton, California to help disabled vets make successful and fulfilling transitions back into civilian life. The 2014 trip included vets who had expressed an interest in ranching and the Western way of life, so it was fitting that their last "rodeo" on this occasion was our annual roundup and branding day.

A great time was had by all, with one of the highlights being paraplegic vet Aaron McMihelk of California roping calves on horseback, aided by a custom-fitted saddle (Aaron also earned the Top Hand Award that day, over no one's objection). A relationship was formed at that point, and we're proud to be able to, for the fourth year in a row, partner with the Semper Fi Fund through

the Rocky Mountain Select Sale and our consignors and sponsors. Thanks to the generosity of both donors and bidders, we were able to give over \$30,000 to the SFF at last year's sale. This year's items include what has become a RMSS tradition: a toy farm set donated by Dale and Janet Eppard's DJE Cattle Co. and contributed to by WI Longhorns, Struthoff Ranch, Ben and Lindsey Monk, Hired Hand Websites

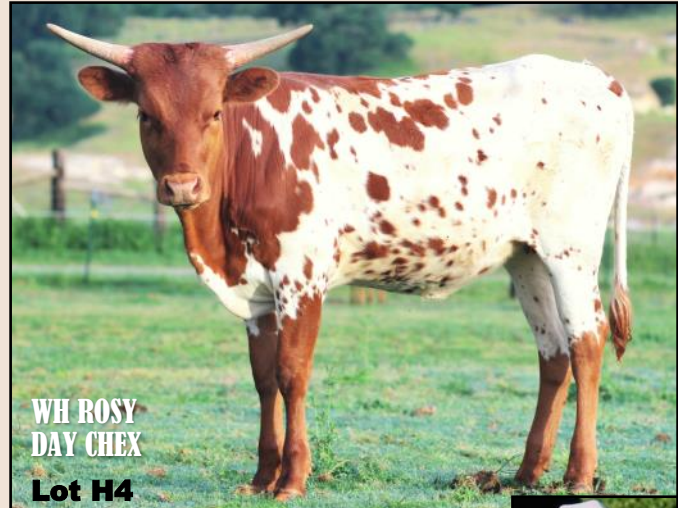

and Software, Tomey Farms, End of the Trail Ranch and Phil Long Ford of Chapel Hills in Colorado Springs.

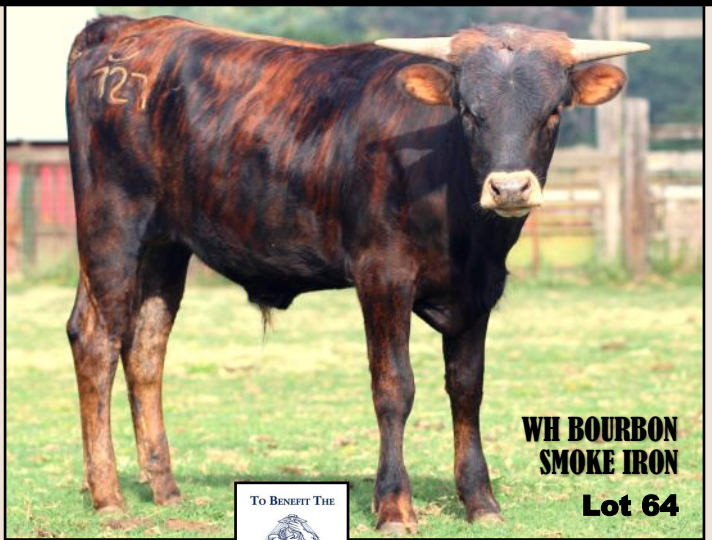

Also donated to the 2018 sale on behalf of the Semper Fi Fund is a semen lot from Warren and Cathy Dorathy of California (10 straws of Boomerang CP, 10 from Renegade 19/5 and 10 from D/O Sundance, includes shipping). We'll be taking donations for the SFF up 'til sale date, and look forward to making another healthy contribution on August 11 to an extremely worthy cause.
