Schmitt Horse Ranch

Growing up in the horse-sale world, Kyle and Riley Schmitt have always enjoyed traveling throughout the country, buying and selling great horses. In 2017, they put on their first horse sale with the intention to become the best place to find your next gelding!

This is a sale with rules and stipulations and horses with quality that must meet higher expectations. This sale brings in riding geldings of all levels and disciplines and ranging in all price ranges, literally having something for everyone, including ranch and trail, prospects, barrel and rope, reiners, cutters, and pleasure!

The Five Star Horse Sale was created with the intention to put faith back into buying horses from an auction. Schmitt Horse Ranch and all of the consignors try their hardest to pick out the best of the best to offer you on sale day. The sale preview lets potential buyers see the horses ridden and move in a big area, not just a narrow ally or sale ring.

Every horse is not for every person – the goal here is to sell you the horse that best matches you! Watch those videos, make phone calls, and ask questions! All horses are guaranteed sound; buy with confidence!

Internet Viewing and Online Bidding

Internet viewing and bidding courtesy of Hired Hand Live, a product of Hired Hand Software.

www.HiredHandLive.com

Go to www.HiredHandLive.com, find Five Star Horse Sale in the list of auctions, and follow the prompts to register.

We recommend using the internet browsers Chrome or Firefox, not Safari.

A Credit Card is required for online verification but will not be billed. Upon notification that you've placed a winning bid on a horse, the sale will invoice you with instructions for a wire transfer.

You can place absentee and max bids if you are unable to be live online during the sale or are worried your internet connection will not keep up. These bids are NOT seen by anyone other than Hired Hand staff and are placed automatically by our system to purchase the animal at the lowest price possible for you.

There is no fee to participate and no buyer's premium. Internet buyers are responsible for coordinating their own hauling.

All terms and conditions listed in the sale catalog apply to on-line bidding. All announcements from the Auctioneer/Auction block take precedence over anything posted on-line. The Auctioneer always has final say in all bidding disputes.

Contact Jaymie Feldmann, Hired Hand, for additional assistance: 319-239-2662 or jaymie@hiredhandsoftware.com.

Sale Terms & Conditions

Sale Order: Horses will sell in consecutive catalog order.

Bidding: You MUST be registered in the office for a buyer's number before bidding. Each horse will be sold to the highest bidder, with the exception of reserved prices. The decision of the auctioneer will be final if any questions arise during the sale. The auctioneer also reserves the right to reject any bid.

Online Bidding: We are offering online viewing and bidding this year. You MUST get pre-approved at www.hiredhandlive.com/. Live and absentee bidding available. ALL online purchases will be required to wire money in full by Monday, Feb. 4, 2019 – NO exceptions. Horses will not leave the auction company's hands until the horse is paid for in full.

Buyers Payment: Buyer shall pay for all horses at the conclusion of the sale and shall pay the full price by one of the following: cash, money order, cashier's check, or personal check. Iowa has a 7% sales tax on all horses unless a tax-exempt form is signed. Forms will be available in the office.

Right to Registration Papers: Right-to-registration papers shall not pass to purchaser until the horse has been paid in full and checks have cleared the bank, at which time they will be mailed to the buyer. If paid in cash, they will be handed out sale day.

Catalog: Every effort has been made to ensure correctness of the catalog, however, the seller, sale management and auctioneer are not responsible for errors or omissions. All statements and corrections announced at the time of the sale shall supersede the catalog. All comments stated in the catalog are as stated from the consignors and not the sale management. Again, we have made every effort to ensure the catalog is correct.

Announcements: Announcements from the auction block take precedence over any printed material.

Health: Horses will all have a negative 6-month Coggins Test and Health Certificate.

Inspection of Horses: There will be an on site preview both Friday, Feb. 1 and Saturday, Feb. 2 to inspect horses.

Rideability: It is the buyer's responsibility to make sure the horse is a good fit. We are not responsible for your inability to ride the horse.

Soundness Guarantee: All horses are guaranteed sound unless stated otherwise from the auction block. We represent and warrant to the buyer the following for 48 hours after being sold: The horse is sound of eyes and wind; the horse will hit the ground sound on all four feet; the horse is not a cribber; the horse has not been nerved. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. Soundness does not guarantee pass of a check by your vet following the sale. ALL vet exams should be done PRIOR to buying the horse, NOT after. Please examine horses prior to the sale ring. The sale staff is not responsible for announcing scars or blemishes.

All horses' heights are approximate.

Kyle and Riley Schmitt have the final say over any controversy.

Neither the Auctioneer, Schmitt Horse Ranch/ Five Star Horse sale, any representative thereof, nor their consultants shall be responsible for any liability whatsoever, including, but not limited to, the loss, damage, injury, death, or illness of any horse, person, or property before, during or after the sale.

Horses are able to stay at the Ellsworth Community College until noon on Sunday.

NOTES: "Boss" is a good looking, compact made gelding with that hard to find deep golden buckskin color. He has proven himself in the show pen in many classes with multiple different riders. Boss is a finished reiner, very easy to ride, will go any speed you ask, and would be a great teacher for anyone looking to get into the performance arena. He has been hauled for years, carried the flag at barrel races this summer, trail rode, worked cattle, and will cross all of the trail course obstacles. Boss is very low key, not easily excited, easy to handle, loves attention, saddles up the same every day, and does not require lunging, just get on and go type of guy. He has been used as a lesson horse as well, great with kids and unexperienced adults. Take him to a show one weekend and throw the kids on him to enjoy around the farm the next. PERFORMANCE RECORD: NCHA earner of \$6,324; NCHA Certificate of Ability.

NOTES: "Rey" is a gorgeous, bright colored bay roan gelding that is a finished cutter. Super nice horse suitable for open, non-pro, or amateur classes. Already earned over \$6k NCHA and could easily go back to the cutting pen or show him in other events as well. Very broke and responsive, quick footed, smooth mover, lopes collected and soft, bends at the poll, and can really stop. He has the look of a head horse and I don't think it would take much to convert him over. This gelding will catch people's attention, flawless confirmation, beautiful flowing tail, cool colored, and broke the very best! Sound, current on deworming, shoes, and coggins. NOTES: "Xtra" is an extra special gelding that we have owned for over a year. He is absolutely gorgeous, four white legs, blaze face, and a beautiful snow white mane and tail. Xtra is a trained reiner, very talented, quick footed, and does all of the maneuvers with ease. He is very fun to ride, low headed, smooth mover, big stopper, easy turner, very responsive, and is great minded. We believe he could easily be shown in reining, ranch riding, and versatility. Xtra has been hauled to a handful of rodeos throughout the summer getting exposed to the sights and sounds and I also carried the flag on him at a few events. We have ponied horses on him, trail rode through the fields and ditches, and along the road. He crosses all of the trail course obstacles and we have played around with some cattle on him. Xtra is a rare find, he has flawless confirmation, gentle, beauty, brains, and TONS of pedigree. He is fun to be around, has a neat personality and likes people. It will be hard to see this one go, he is truly the whole package. Sound, current on deworming, dental, shoes, and coggins. PERFORMANCE RECORD: In 2017: 3rd Barrel Racing Bash ADA Oklahoma November Senior 1D class.

NOTES: "Easy" is a big, full bodied beautiful gray gelding. He is a finished barrel horse that clocks 1D/2D times! Easy also knows the poles, trail rides outstanding, ponied colts, and is broke enough to take to the cowgirl contests and show in the all-around. He runs to either the right or left barrel first and has done great both ways, it is the rider's preference on what they like. Easy has the laid-back, fun loving personality that everyone will be sure to love. He has been hauled to big 4D barrel races, jackpots, rodeos and everything in-between. Easy is not a spooky or flighty horse, warms up calm and cool, will exhibition any speed you ask him to, and walks in and out of the gate flat footed. For a big horse he is very ratey and loves to turn, which makes him fun in small patterns but he also has the outright speed where he can really clock in the big pens as well. Easy is not only a barrel/performance horse, he is a fun horse to just pull out of the stall and take for a leisure ride. He is very broke and has all of the fancy buttons! Come ride him to really appreciate him. Eligible for all of the Paint Barrel Racing Incentive Program nominated barrel races. Sound, current on deworming, shoes, and coggins. NOTES: Elvis is a big unique colored gelding. Our neighbor started this horse under saddle and then used him to assist him in calving his 150 head beef herd. He carried calves on him and used him as a shield to doctor calves out in the pasture. Due to money problems we bought Elvis from out neighbor and have been working on his arena riding. He is a perfect all around horse, go cut a cow out on him, put the kids on him, run barrels. You name it he can do it. Has more riding than most 5 year olds. Don't overlook him being a younger horse he has a rock solid foundation very sound and is a perfect package. FMI call 641-414-1195. 14.2 1/2HH

NOTES: "Taboo" is a cute, compact chestnut rabicano gelding with four white legs and a blaze down his face. We bought this gelding from the Cowan Ranch, he is well started in the cutting and should make a very nice non pro horse. He is very talented, has a good feel to him, big stopper, quick footed, and has a lot of cow sense. We have been dragging the log, getting him use to the rope, tarps, and crossing all of the trail course obstacles. He is good minded and always wants to please. Big time heel or calf horse prospect or take and finish him in the cutting! Sound, current on deworming, shoes, and coggins. NOTES: We have owned Chisum since he was a long yearling. He is very gentle with wonderful ground manners. He's an absolute gentleman on the ground and under saddle. He is very light in the bit, neck reins and moves off leg pressure. Chisum has been trail ridden all over from Nebraska to Tennessee. He is traffic safe, rides out by himself or with a group. We have used him for all aspects of ranch work. He has ponied and halter broke colts. He has been used to sort, move, rope and doctor cattle. We have used him for a lesson horse with all levels of riders, from beginners to advance. He has been shown in the Iowa Ranch Horse Association, placing in Ranch Riding, Ranch Pleasure and earned money in Ranch Roping and Breakaway. Chisum stands great for the farrier, ties, hobbles, ground ties and loads with ease. He is the whole package if you're looking for a great all around horse. NOTES: "Thor" is an extra gentle gelding that is pretty amazing! He's palomino with four white legs and a blaze down his face. He is reining trained and will ride to the level of rider on his back. Low headed and extremely easy going, rides on a loose rein, never goes any faster than you ask, all one hand broke, and is safe for all levels. Thor is very trained in and out of the arena, he has been ranched on and rode out through the timber and hills. Goes where you point him without any hassle or fuss. He is also well started in both the heading and heeling, quite in the box, has a lot of natural rate, and a good deep stop. Thor has been shown one time in the reining no fault of his own and earned 3K NRHA. Owner got busy with younger horses and he got pushed to the back burner. He can easily go back to the show pen in multiple events, broke enough to do the cow horse and versatility classes as well as the ranch riding. Thor is a pleasure to have around, he is one of those horses that never has a bad day. He's always happy to see you, always has a good attitude and will dang sure put a smile on your face. NOTES: "Banjo" is one cool cat, he is a trained cutter that is fancy broke to ride. No bridle required to ride this guy, very responsive and easy to maneuver. Banjo will lope out of his tracks, quick roll backs, lead changes, good stopper, and really rides off of your seat and leg cues. Prior to us Banjo had been ranched on extensively, drug claws, sorted pairs and trail rode many miles. He is sure footed, will cross anything you ask him to, traffic safe, and goes where you point him without hesitation. I have given riding lessons on Banjo this summer, he is great with inexperienced riders. He will ride to the level of rider on his back. Banjo is an all-around type of guy, show him in the ranch riding, versatility, cow horse, cutting, ranch horse competitions, you name it he can do it! He is very trained and has a great mind, saddles up the same every time you ride him and stays broke with time off. Sound, current on deworming, shoes, and coggins. NOTES: "Friz" is one cute little steel gray gelding. He's had cutting training as a colt, quick footed, good stopper, and has a good way of moving. Friz is gentle as can be, loves attention, always meets you at the gate to be caught, and has a bubbly cool personality. We have been riding Friz through the fields and ditches and along the highway. He crosses the trail course obstacles, good with a rope, and we have been turning back on him. He's compact made, high bred, talented, and we believe he'd make a jam up breakaway, heel, or calf horse. His picture doesn't do him justice, wait till you see him in person! NOTES: "Disco" is a talented, cute, jet black gelding with tons of cow sense. He's a trained cutter that's recently been earning his keep as a turn back horse. He has a lot of feel, rides off your seat, and is a big stopper. Would excel in the cow horse or is an ideal heel or calf horse prospect. He's started on the roping machine and ready for you to go on with. Disco has good footwork in his spins, snappy roll backs, and always working off his hind end. NOTES: "Buff" is near and dear to my heart. He is a finished barrel horse that will go any speed asked. We sold Buff 4 years ago to a high school rodeo family and we got the chance to buy him back earlier last fall. We jumped on the opportunity, I love this horse! Buff typically runs in the 2D and on occasion will slip in the 1D with an aggressive rider, he is very push style which makes him great for a young or novice rider! He is not going to go any faster than you ask him to, he's sure footed, not spooky or flighty, will walk in and out of the arena, SAFE, and is just simply easy to get along with. Buff is the most laid back horse I think I have ever been around, stands tied like a soldier, hauls perfect, quiet in his stall, great to shoe, clip, bathe, and rides the same no matter how long he sits idle. He also knows the poles, trail rides great, pointed colts, and is broke enough to do about anything on horseback. This is the type of horse that doesn't come up for sale very often, go make your run then throw the kids on to do the peewee classes. He is by the deceased legend Bully Bullion out of a daughter of Mr Eye Opener, doesn't get much better than that!! Come ride him to really appreciate him. Sound, current on deworming, shoes, and coggins. FMI call Riley 507-459-8654. 15.3HH

NOTES: "Brother" is a well-built, strong, gray gelding with a big family personality. He has been hauled extensively for trail riding and will tackle anything you put in front of him. Whether it's open waters, deep mud or heavy brush, to open trails or the 4-H pen he has it covered. Brother also has a strong background sorting and loading cattle, and will really lock on and work a cow. For the last two years he has been used as a practice horse for heading and heeling. He stands great for the farrier and will load and haul perfect. Over the last year he has also been rode by a 9 year old girl for trail riding and moving cattle. Brother would make a great addition to anyone's family. FMI call 608-482-1616. 14.2HH

SELECT GELDING SALE

FIVE STAR *Horse Sale*

Each year on the first Saturday of February we host a select gelding sale. We offer 20 of our best geldings along with 55 outstanding consignment horses. All of these horses are broke to ride and are guaranteed sound. The sale offers everything from finished show horses to very nice prospects ready to finish out your way. There will be an assortment of reining, roping, barrel, trail, cutting, ranch, pleasure, and versatile horses so there should be something for just about everyone.

We offer an exceptional preview that offers live cattle roping, barrels, cutting, and general riding. This is the time to be shopping those horses and asking questions to find the best fit for your needs. We know how important your investment is, and we want you to feel as comfortable about your purchase as possible. With two full days of viewing and inspecting, along with sale videos posted online prior to sale time, the Five Star Horse Sale is a great way to shop for your next dependable mount!

Being in the business 365 days out of the year, we know how hard it is to find those special, hard to find quality geldings. We put this sale together to give people a chance to go to one place and have an opportunity to pick through some of the top end geldings being offered for sale. Not every horse is accepted into the sale, we pick the best options with overall quality in mind.

As this sale grows so does the selection, we want Five Star Horse Sale to be your number one spot to buy or sell your special gelding!
