Greetings to all Longhorn Enthusiasts,

We welcome you to our Great Northern Longhorn Classic II sale. After the success of our inaugural sale last year we decided to make more top Longhorn genetics available to all breeders, but especially the upper Midwest through this sale. Consignors have brought their best bringing top genetics for horn, conformation and color. There is something for everyone. One of our original goals for this sale was not just to have another sale but, to get great Longhorn breeding into the hands of new breeders' herds. At last year's sale, one third of the consignments went to new breeders or herds that didn't have purebred stock!!! For the established breeders there are consignments with pedigrees that run deep and would be a solid addition to any breeding program. A **Big Thank You** to who have shown interest, to those bidding and to the buyers. A **Special Thank You** to those sponsors and consignors who without their support, this sale wouldn't be possible. Our hope is that you enjoy the time spent with us and all the Longhorn family. Have a great weekend.
