

HELM SERENA 692

Date of Birth: 09/28/2016
Registration 1: CI310910*
Registration 2: 274766
Breeder: Helm Cattle Company

Courtesy of JH Cattle Company

This cow is awesome! she has great color and a great disposition. Not to mention a huge set of horn's. With both parents being over 80" im pretty sure she is on her way there. She is currently being exposed to Gold Mine 1

TTT: 78.6250 on 12/07/2024
