PRODUCTION SALE
FORT WORTH, TEXAS

WELCOME

Welcome to our first ever Production Sale everyone! Thank you for joining us.

We'd like to share our story with you. We think it's important to share what's lead us to this point in our breeding program and this important point in our involvement in the Longhorn Breed!

In 1995 we moved to Queen Creek, AZ where we had only about 4 acres of irrigated pasture land. We desperately needed something to eat the grass. After seeing a Longhorn steer that a friend had, and learning the history of the breed, we quickly knew that was the type of cattle we wanted.

We proceeded to contact Charlene Semkin who lived in Arizona at the time and was known for her herd of Texas Longhorns. Being the salesperson that she is, she easily convinced us that cows and calves would be much more enjoyable than a yard full of steers. Charlene also convinced us of all the fun we could have showing the Longhorns we'd purchased. Since that also peeked our interest, we thought we'd give it a try and try we did! We raised and showed many Champion Longhorns from 1995 until our kids had graduated High School. It was during this time that we learned so much about the balance and structure of these great cattle.

Around 2000, Horn Measurement competitions began to gain popularity and we realized that if we were going to compete in those events we needed to also focus on finding the right genetics to add horn to our well conformed cattle. That's when we purchased Watson 167. His daughters have deep bodies with

good wide hips and plenty of milk. Watson 167 daughters have made a huge impact in our herd. Some of them include Cooper's 167 Lamb, Whistle Me Dixie BCB, Red Diamond BCB, Dixie Red BCB and Katz Meow BCB.

As his daughters came on strong and continued to impress us we began looking for a bull to cross them with. It was then that we found Working Man Chex. In order to purchase Working Man Chex, we had to purchase a man's entire herd, which consisted of roughly 40 head. We made the deal and got so much more than just the bull. You see, one of the animals in the herd was a young 2 year old heifer out of a bull called Rutledge's Dinger and a cow called GF Haley Hitter. We named her Ringa Dinger....sound familiar?

We've met some of the best people we know through Texas Longhorns. Some friends are just like family now. We're glad to have had the opportunity to learn from the 'old timers' that have since passed and we're happy to help the new breeders that are just getting started.

You can buy from us with confidence. The cattle we offer in this sale, any other sale or by private treaty are backed by our guarantee. We don't knowingly sell bad cattle and we love happy, repeat customers.

We'd like to welcome you to our sale and we are proud to offer some of our breeding for your consideration. We hope you enjoy our story. We'd love to hear yours – please make sure to come and introduce yourselves at our sale if we have not already met or contact us beforehand with any questions you may have about our cattle.

Sincerely,
Brent and Cindy

Jace and Treasure Hunt BCB

The next bull to enter our herd was Bandera Chex. Have you seen his dam? We look at the dams, as much as sires, when choosing our next herd sire. Why not, you're probably going to have a pasture full that are like her. We have some outstanding offspring by this great sire as you'll see in this sale.

Since those days of searching and learning, our herd sire lineup now includes great bulls like Ringman BCB, Swagger BCB, Fifty-Fifty BCB and now Justify and Big City BCB.

We've won many Championship Titles and Horn Measuring Bronzes. We have over 40 Rifles from Futurity wins. We bred the Longest Horned Steer ever publicly measured, Bucklehead BCB. We've hosted many ranch tours and served on several committees. Brent was the TLBAA Chairman of the Board for a time. We raised our kids in sale barns and show arenas.

DOB: 4/21/17 Reg #1: CTI314914 PH #: 42/7

Breeding: Exposed to Fifty-Fifty BCB from 6/12/19.

Sales Comments: OCV'd. We are starting this production sale off with Rowdy Spirit. Spirit has been to a few futurities and everybody that sees her falls in love with her color, horns and beautiful body. Rowdy Spirit has a pedigree to kill for. Her dam, Fantom Ring, who measures 93" TTT is out of the top producing Ringa Dinger. Rowdy HR, her sire, has been named The Ultimate Bull two years in a row. You can't go wrong with this one!

Breeding: Exposed to Justify from 12/26/19.

Sales Comments: OCV'd. Riverboat Queen is a stout and well made sweet young cow. Her dam, a sister to Rutledge's Miss Brook, has been in our program for 15 years because of the consistency in this family. We've added the genetics of Fifty-Fifty BCB to this maternal line for even more predictability and we're confident that this gal will be an asset!

Sales Comments: OCV'd. Over the years we've had several inquiries to purchase Annie Get Your Rifle. She's a highlight of this sale. The day she was born we were showing some people our cattle when her dam brought her out of the woods for the first time. When we laid eyes on her we said that little gal will win some futurity rifles. And she has! In fact she's claimed many awards throughout her show and measuring career. She's a large frame cow and super calm. One of her daughters measures 81" as a 3 year old. Her dam is one of our 3 foundation maternal lines and you can see why on our website.

Breeding: Ringman heifer calf born 2/13/19. Exposed to Big City BCB from 4/16/19.

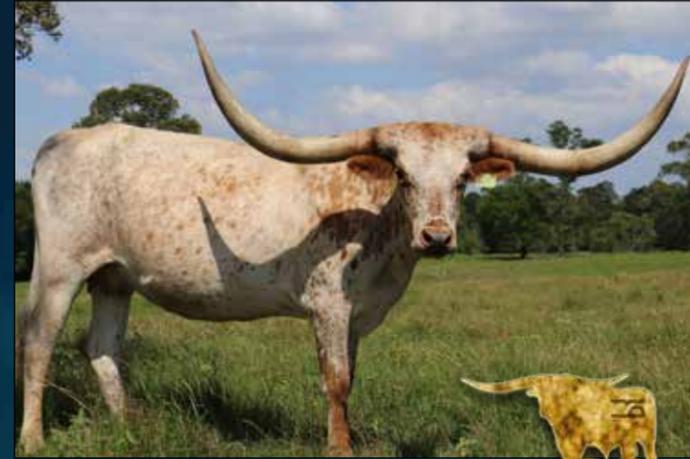

Sales Comments: OCV'd. This young cow goes back to some really good genetics from the show circuit. Her granddam, Impact's Three Ten, was one of our award winning show cows. She has the beautiful traditional handle bar horns that are slowly disappearing from our breed. Gigi Bandita is a good mother cow and raises good calves. Here's a chance at a real solid Bandera Chex daughter.

SHAMROCK AMAZING HORNE

DOB: 6/28/12 Reg #1: CI281428 PH #: 12

Breeding: Ringman BCB heifer born 4/1/19.
Exposed to Big City BCB from 4/16/19.

Sales Comments: Shamrock Amazing Horne has powerful genetics that most are looking to add to their herd. Her granddams, Texana Van Horne and WS Rainbow have good foundation genetics for a lot of breeders. She's brown, black and white with pretty Texas handlebar horns. Her udder is well attached with good, small teats. You can't go wrong with these genetics. She sells with a Ringman BCB heifer on her!

DOB: 5/12/09 Reg #1: CI262547 Reg #2: 271331
PH #: 918

Breeding: Exposed to Swagger BCB from 3/16/19.

Sales Comments: This is the dam of Double Down BCB that we own with Dale Hunt and Pearl Snap BCB that we own with John and Christy Randolph. She's also the dam of the incredible Bandera's Ghost BCB. It's hard to find a cow that will produce both great bulls and heifers. Wuloco Shadow Dancer is one of a kind. Her big bodied offspring have lateral twist and good dispositions. We're keeping her heifer in our herd to continue this line of genetics. This cow is a super producer! Her big bodied offspring have lateral twist and good dispositions. Her horn got bumped when she was young and fell slightly but kept growing.

Sales Comments: OCV'd. Holiday Cheer has done everything we could ask of her. She's won futurities, won horn measuring events and produced a beautiful heifer that we are keeping in our program. Her dam, Whistle Me Dixie BCB, was the first cow to win World Grand Champion and the Horn Showcase combining both worlds. This family is as consistent as you could ask for when looking for predictability. She's got 85" TTT and a ton of total horn. We can't count how many times we'd been asked to price this young cow and it took us a long time to agree to put Holiday Cheer in the sale. Here's your chance to own her.
