RANCH

WELCOME

Greetings to all Longhorn Enthusiasts,

It's been five years since the start of the first Great Northern Longhorn Classic sale in June of 2017. The success of this sale from the beginning has come from the Longhorn family from around the country. From the consignors who each year have dug deep into their breeding programs to bring their best, to those who have attended, bid and purchased some great cattle, your support is what creates the excitement that is the Longhorn breed. Lastly, to all those new to the breed, you are the future. It's a wonderful thing to see the new faces and families at these events joining the Longhorn community.

A big thank you to the sale sponsors. Your support has helped us show case the Longhorn breed in the upper Midwest and around the country. Through this sale you're helping to build a strong market to the new and established breeders alike.

We hope you all enjoy the weekend Cheesehead Futurity and Great Northern Longhorn Classic sale in the heart of the "Great North Woods" . It's a Longhorn family reunion. Family, Food, Fun, and Great Longhorns.

BREEDING: Exposed to Pearl Snap BCB from 11/23/20 through Sale Date.

COMMENTS: This young cow has a great calving record. She's had 7 calves as an eight year old. She's bred to Pearl Snap BCB (Bandera Chex x Wulfco's Shadow Dancer) for an early fall calf. Just a great producer!. She has a sweet disposition and is an easy keeper. Nice horns with an outward sweep. Spark is a WS Jamakizm granddaughter, with a nice mix of Boomerang CP on the bottom side. A good cow to build a herd around! Millennium Futurity eligible.
