# FRED BRYANT

August 24, 1948 - November 29, 2020

On Sunday, November 29, 2020, the first day of advent, Fred Bryant (72) experienced firsthand the promise we have of eternal life with Jesus. Fred was preceded in death by his parents and two brothers, Jonjo and Bill.

He was born August 24, 1948 in Cairo, Illinois the son of W.C. and Lucy Bryant of East Prairie, Missouri. He served in the U.S. Army in Korea 1969 –1970 and earned a degree in marketing and finance from Southwest Missouri State University.

Fred worked in the animal nutrition industry for 31 years and in 2005 he and his wife, Cheryl, returned to Southwest Missouri and bought a farm to raise cattle. He loved his farm community and visiting neighbors with his canine sidekick, Millie. He loved his church family, his cows, fishing, gardening and the great outdoors, but his greatest love was for Jesus and his family. His greatest joy was to have family and friends around, with lots of activity and good food. There was always bantering and laughter with Fred around. His joy for life was contagious and he will be dearly missed by all who knew him.

Fred is survived by his wife of 48 years, Cheryl (Dale), a son, Patrick Bryant of Joplin, Missouri, two daughters; Ky Englund and her husband Tim of Springfield, Missouri, Libby Tyner and her husband Eddie of Cincinnati, Ohio; one brother, Mike Bryant and his wife Jane, seven grandchildren; Katie, Shelby, Blythe, Brad, Silas, Remy, and Lela; nieces, nephews, and friends to numerous to count.

BREEDING: Exposed to Diego BCR 948 from 11/12/21 to 3/18/22.

She's a deep bodied, clean underneath, straight on top and square in the back with horns cranking over to be a very twisty momma cow. Her dam, Sirius RL, and granddam, WS Auto Sue, bring big soggy calves to the pens every year. She's bred for a quick return on your money. We did all the work, take her home and reap the rewards. COMMENTS: Beautifully built young cow we got from Dale Hunt's herd. She is a Bushwacker daughter, meaning she's a Cowboy Tuff Chex granddaughter and she looks it. Excellent mama with perfect udder and a very easy keeper regardless of the weather. We're keeping her 2021 heifer, who is a carbon copy of her, for replacement.
