# WELCOME

Greetings Longhorn Enthusiasts,

And the wave continues! What started six years ago as a first-time splash-in-the-bucket regional sale, has been rising year-to-year high with the tide, the Great Northern Longhorn Classic Sale has brought to the upper Midwest some of the country's top Longhorn genetics from the nation's top breeders and their breeding programs. This sale, and its cattle, have planted seeds drawing an ever expanding number of first-time owners and new breeders, along with those established breeders who have added some powerful genetics offered in the sale, to their own breeding programs within each group helping to grow the Longhorn market for everyone in the industry. A huge "Thank You" goes out to those consignors who bring the quality cattle the market is looking for; to the sponsors who support us in putting on a top-notch futurity and sale that draws more Longhorn enthusiasts into the Longhorn family; and finally to those who come searching to add that special animal to your herd, whether you have the winning bid or not: you are the ones driving this market and your support is greatly appreciated. While attending this weekend, we hope you take some time to enjoy the "Great North Woods" of Wisconsin, along with the Great Northern Longhorn Classic Sale and the Northstar Cheesehead Futurity. We look forward to seeing all our Longhorn friends, both old and new, so enjoy the weekend!!

5D Ranch, Dan & Denise Huntington

**DOB:** 3/23/2017      **PH#:** 731      **REG:** CI304500  
**BREEDING:** Exposed to Hubbells Northstar

**COMMENTS:** Take a look here, just a young cow. Should be over 80 by sale time. She measured 78.5" on 12/21/21. Loomis breeding on the top side and Tejas Star on the bottom! Should have calf by sale time. We are keeping her last years Northstar heifer as a replacement. Hubbells Northstar is a son of Cachit over the Hubbells Rio Morning Glory. A heck of a young cow that will fit in anywhere!

**COMMENTS:** Here's a rare opportunity to obtain an own daughter of Rebel HR out of a CTC daughter. Pure genetic Gold Mine. Rebellious has been left unexposed and will be ready to be bred to an industry leading bull. Horns go out with a twist staring to develop. Bid with confidence.

**DOB:** 9/9/2021      **PH#:** 126      **REG:** CI333964  
**BREEDING:** Not Exposed

**COMMENTS:** OCV'D...Research and study her pedigree depth. She is bred for greatness. Her Dam is a full sister to the over 90" cow at 5 years old WS Vixen. The WS Gypsy cow by master breeder Tom Smith is a known big time producer with multiple offspring bringing top dollar at sales. Put the best of Bob Loomis with the best of Mike and Debbie Bowman's herd in this heifers sire, RJF Cajun Cowboy, making her a sure enough bang up heifer. What's more exciting than buying a heifer?? Bid with confidence we have done all the hard work so all you have to do is enjoy her!!

**COMMENTS:** Rio Lindsey is a really pretty blue roan cow that has produced really pretty calves. She is bred to our outstanding bull, Tuxedo, that is over 82" TTT and is producing lots of horn at an early age. Rio Lindsey is a really good cow and her horns are flat and rolling. **BREEDING:** Exposed to HL Jango from 6/30/2021 to 10/31/2021

**PH#:** 904**REG:** CI322891

**COMMENTS:** PB Ariana's Reflection has a strong pedigree and horns that continue to grow like her 87" dam. Her older maternal brother was the 90"+ Gun Lee Zee SH 58/2. PB Ariana's Reflection's sire is JH Ener-Chi, who brings in JH Rurally Screwed who is making his mark in the longhorn breed. We are retaining her flashy 2021 heifer calf by Cowboy Tuff Chex as her replacement and will have a calf by sale date by the phenomenal HL Jango, a young true black bull that was over 85.5" at 38 months. Will have her exposed back to HL Jango prior to sale date for a possible 3 in 1! She may be white but her first calf was all colored up. Bred to our tri-colored Cajun Heat bull, which brings in Fifty-Fifty BCB and Delta Lucky Ace. **PH#:** 1/6**REG:** 273311

**COMMENTS:** This HL Lincoln daughter has produced two beautifully colored heifers in a row. She should have a summer calf at side by sale date out of our previous herd sire Sneaky Pack, who is out of "The Beast" and Jam Packed. She'll then be exposed to our G&G Longhorns partnership bull Night Life BCB until sale date for a late spring calf that could be amazing. Copper Penny has a very good nature and is easy to work. At only 6 1/2 years old she's just reaching her prime and should raise many great calves in the future. We're keeping her 2021 heifer as her replacement.

**REG:** 288486

**BREEDING:** Exposed to Hubbells North Star from 6/1/22 to 8/4/22

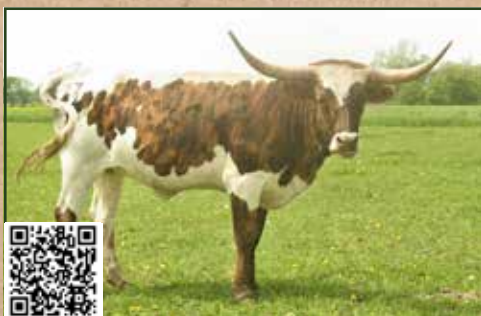

**COMMENTS:** Fancy well built young female. She is 60 3/8" at 23 months old and horns are just starting to twist. She goes to 90" Drag Iron on top and 89" J.R. Trixi. The Trixi line is how we got Dominatrix that topped the East Coast heifer sale. This heifers mother is all Ron Jones breeding and sells today too. Her grandma J.R Reba is still in our herd at 22 years old. Very consistent out producing female line. She has been exposed to Hubbells North Star who is a Catchit son from Hubbells 20 Guages mother. He's a big brindle bull that will add horn and color to this girl.

She has a deep star studded pedigree all the way back to a cow out of the El Coyote Ranch that Tom Smith used with great success named La Bonita.
