## *Welcome Longhorn Enthusiasts to the 21st Millennium Futurity*

Well, it's finally here. The 2022 Millennium Futurity is about to begin. What a journey it's been. Last year, Christy Randolph stepped down as the Millennium Futurity's Managing Partner and handed the reins back over to me. It was almost like it came full circle. In 2001 we decided to grow the "G&G Millennium Futurity" with partners and call it the Millennium Futurity. Since then we've had 91 partners join, set new industry standards and records with heifer sales, and developed a young animal market that was unheard of at the time. We've all made great friends and lots of laughs while also losing some dear and meaningful people and plenty of tears, all lasting memories.

We made some major changes this year that were a little scary to think about. We moved the event from Texas to a more central part of the Longhorn market with hopes it'll draw more participation that is more centralized. At the penning of this letter it's still left unknown but time will tell. We had a tremendous amount of new partners join, welcome to your first Millennium Futurity as a partner! We changed up some sponsorships, changed up the awards, changed up the showing schedule, changed up the sale timing. We changed up a whole lot. But the heart of the Millennium will never change. It's for the promotion of Longhorns and that's what we plan to do.

This year we guaranteed \$100,000 in prize money, something that's never been done in the 22 years of this event. Thank you to the wonderful sponsors that stepped up to help get this idea really rolling. Everyone bought into it. That's why it worked.

We have a select portion of heifers to sell on Saturday following the show. The results won't be posted until after the sale so the buyers won't know if any of the sale animals won any money. We've just been trying to make it flow smoother, to make it more fun, and to add even more value to the promotion of Longhorns. We hope you join us. We are looking forward to another great year and some wonderful things to come.

# Why the yellow highlights?

We wanted to be different and create a new feature to your standard sale catalog. Each of the yellow highlighted animals are over 80" TTT. Thanks to Hired Hand, we were able to track down many of these measurements. Although we're well aware that there are many great cows under 80" TTT, we wanted to give some extra promotion to the consignments who pulled from the heart of their herds. Thank you to each and every consignor!

Sami meant the world to us and we could think of no better way to honor her than to name this amazing animal after her. We have entered Sami into numerous futurities and shows, and all of her winnings have been given to the family for the Samantha Jean Memorial Rodeo and Scholarship funds. Including her 3rd place finish at the Millennium last year. We wanted to make a splash at our very first Millennium Futurity as a participating partner by offering Samantha Jean in the premium heifer auction. **COMMENTS:** Blushing Bride is 46.125" TTT at 17 months. She should be mid to high 50s at 24 months. No surprise there given her pedigree which features **Top Caliber** and **RM Miss Kitty** as the parents of her sire. See Lot 3, who is a full sister to Blushing Bride and who also sells today as evidence of the lateral shaped horns this mating produces. Right now Blushing Bride is, in our opinion, too young to breed. So, she'll sell open; however, if buyer wishes we will offer one of two options. The 1st option is that we'll retain possession of her for long enough to put her out with **BH Ferdinand** (our 90" **Patton** son) starting Nov. 1st and until we can confirm conception. Under that option, buyer would be responsible for transportation beyond 200 miles from our ranch in Bowie, TX. The 2nd option is that we will give buyer two straws of **BH Ferdinand** conventional semen. We can't make a better offer than that.

# *The Futurity Money Earners*

## THE OFFICIAL MONEY EARNERS LIST FOR LONGHORN FUTURITIES

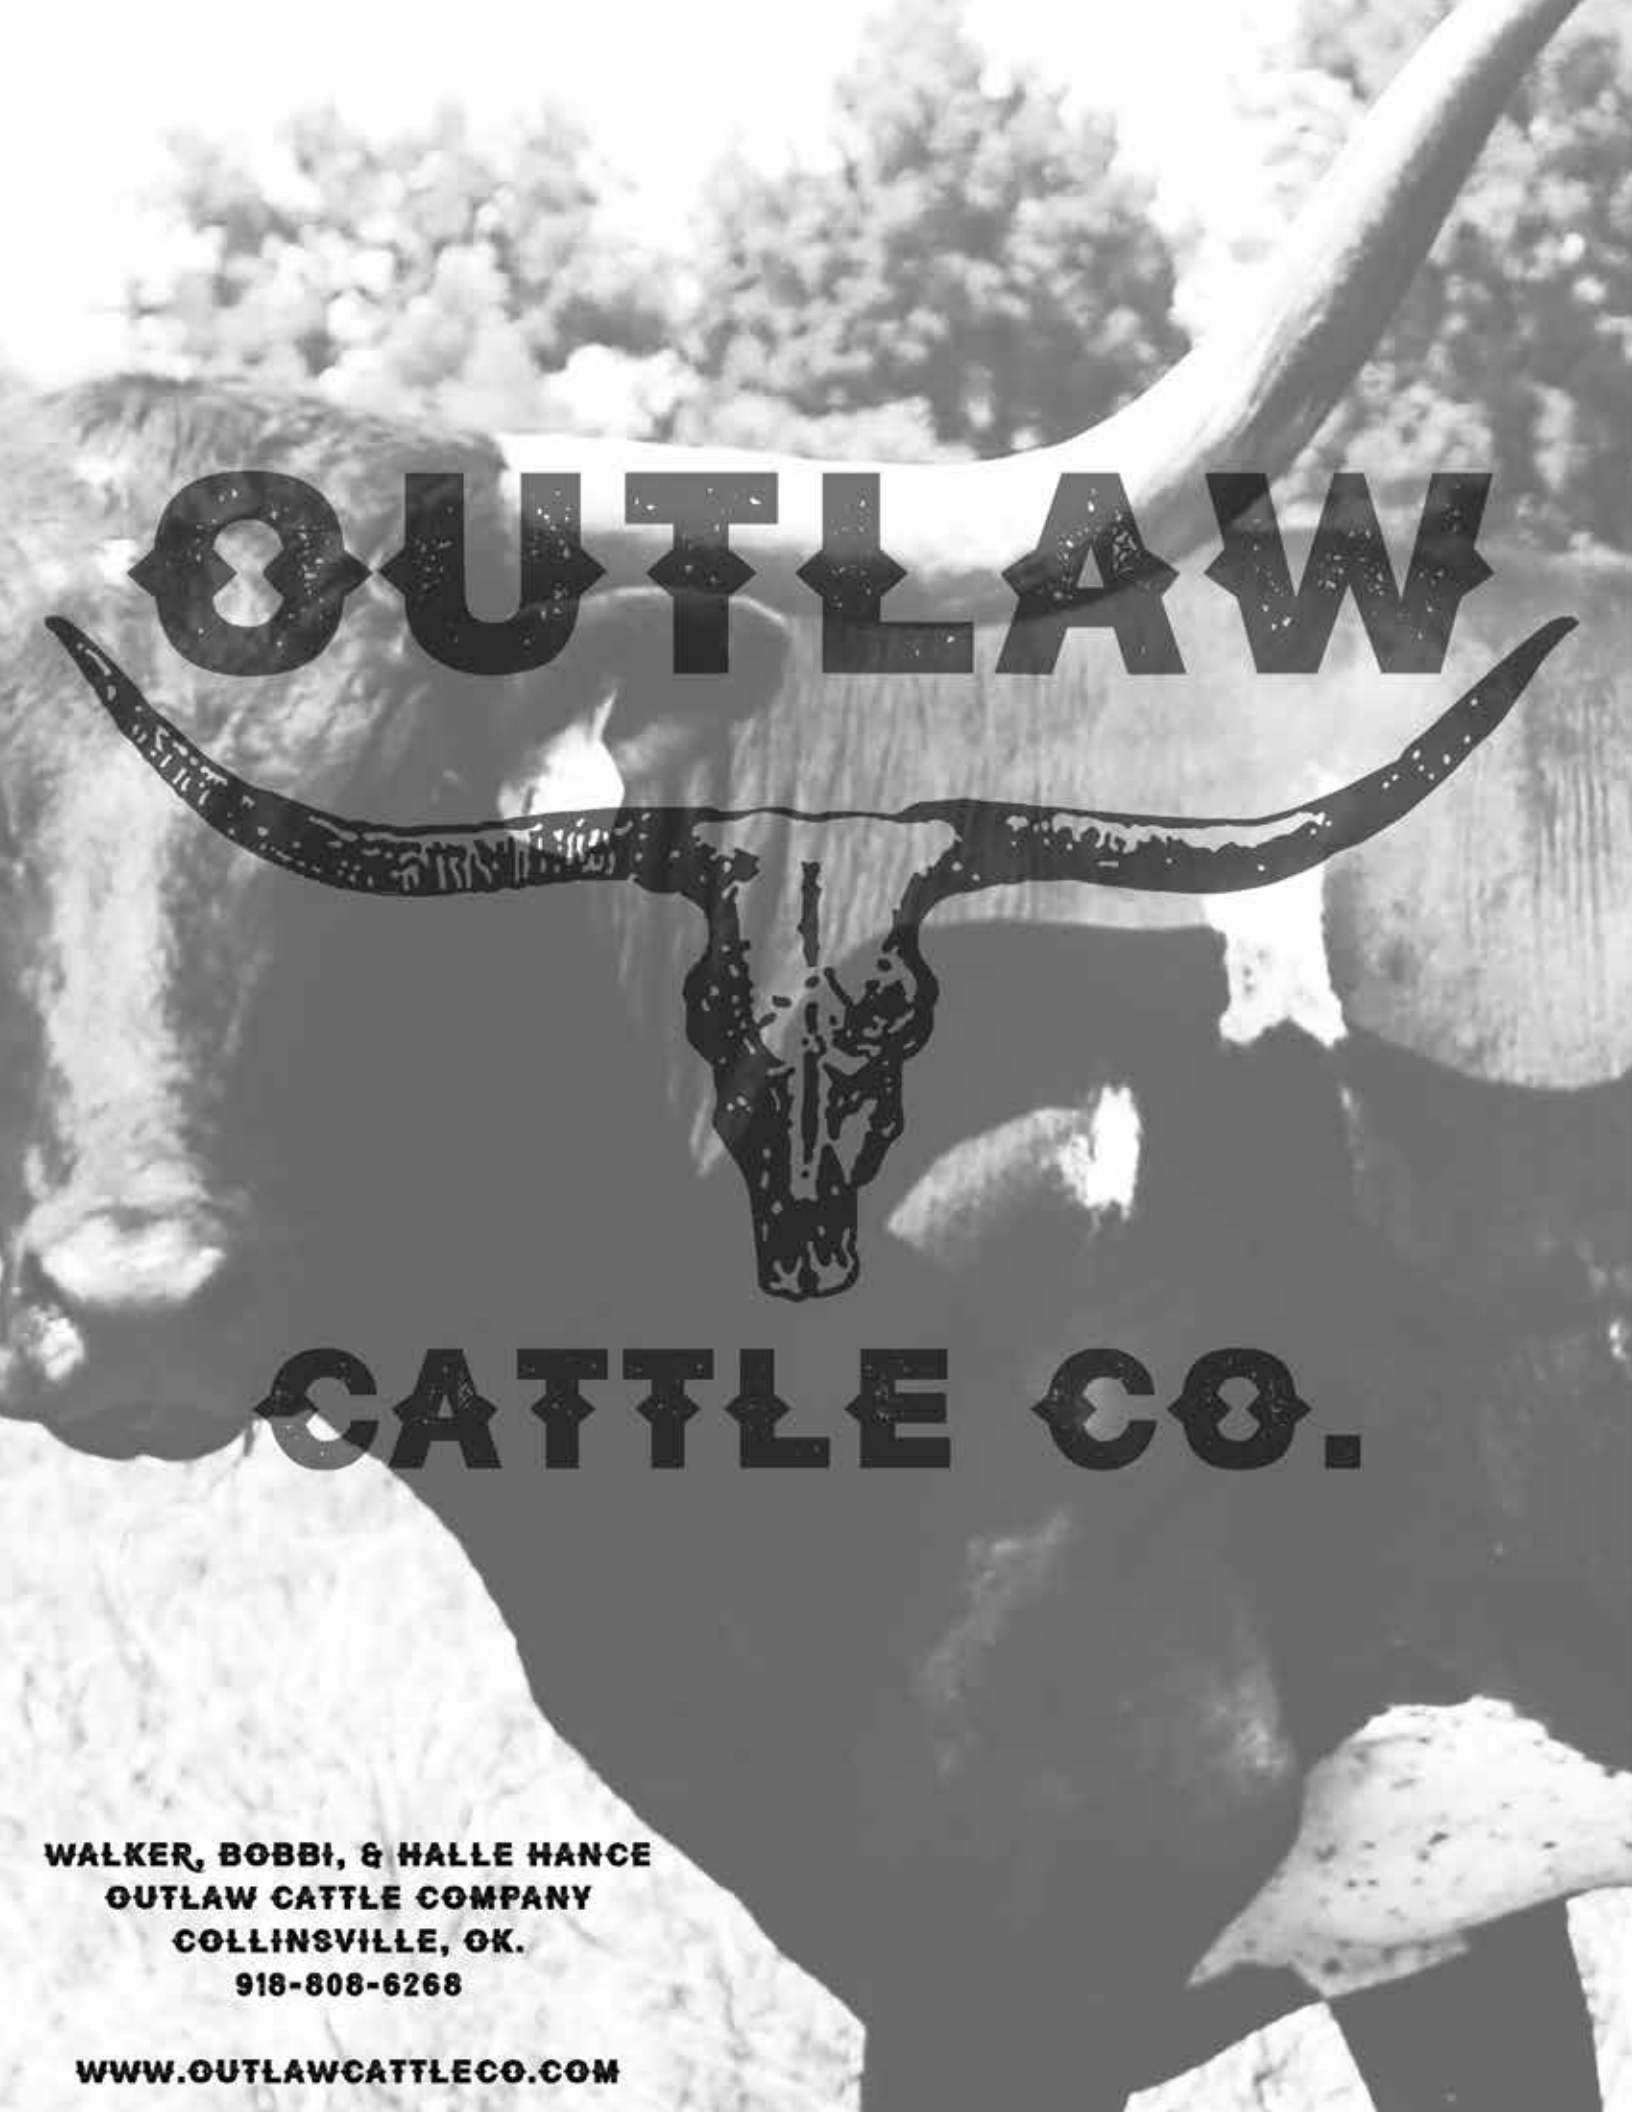

This year of 2022 brings a whole different level to the Futurity world. Our goal is much like the Millennium Futurity's "For the promotion of Longhorns." We want to add another value to these cattle that are quantified. In 2022 we are going to offer five award buckles for five different categories. Multiple futurities have already committed to helping collect this data meaning that their shows will be added to these figures. Any checks won in any of these shows will be represented on the Futurity Money Earners List for both the sire and dam of that money winning animal, as well as the owner of that animal. Special thank you to Molly & Jaymie at Hired Hand for their belief in this concept. Hired Hand has sponsored this year's buckles.

## 2022 FUTURITY MONEY EARNER AWARD BUCKLES PRESENTED BY HIRED HAND SOFTWARE

- Bull of the Year awarded to the sire whose offspring wins the most money
- Cow of the Year awarded to the dam whose offspring wins the most money
- Exhibitor of the Year awarded to the show contestant that wins the most money
- Producer of the Year awarded to both sire and dam whose offspring wins the most checks of the year

Please contact Beardavidson@gmail.com to add your futurity to the list.
