

# Stocking Stuffer SALE

*Helping others in the spirit of Christmas*

DECEMBER 9, 2022 | 6:00 PM CST

**ONLINE ONLY**

[WWW.HIREDHANDLIVE.COM](http://WWW.HIREDHANDLIVE.COM)

*Dear Fellow Breeders,*

*Christmas is once again upon us. For many of us it will be, as it always is, a time of joy and good cheer, but for others, many of them veterans, it will be just a continuation of yesterday and the day before that - trying to survive and to overcome debilitating diseases, mental and emotional anguish, homelessness, domestic violence, and unrelenting suffering.*

*Last year we found a way to help those in need by putting our longhorns to work raising money to support the efforts of non-profit agencies in our communities. It is those agencies that work tirelessly to save lives and deliver badly needed goods and services to those with the greatest need.*

*Our idea is quite simple. We hold a sale and bring some of our best cattle to it. The high bidder of each lot buys the animal, and then we give back to that buyer a credit slip which entitles him or her to direct us to give, to the charity of their choosing, 10% of the gross proceeds, but in no case less than \$500. Last year people liked the idea, and the non-profit community loved it, so we decided to do it again.*

*This year's event promises to be even better. First, we have expanded the group of sellers to seven widely respected breeders\*, and by doing that we have been able to improve the quality of the offerings across the board. Second, the sellers have increased the payback, so now the buyer's chosen charity will receive 10% of the gross selling price of each animal sold but in no event less than \$500. In other words, the buyer of any animal sold for more than \$5,000 will be able to arrange a gift of*

*more than \$500 to his or her favorite charity. Finally, two of the group of sellers have each contributed an additional lot which will be sold at the sale with 100% of the proceeds going to charity.*

*Our goal is to keep on improving this event and to make it an annual affair that just keeps on giving. In that respect, and whether or not you take home one of our offerings, we hope you enjoy the sale and have a wonderful holiday season.*

*SALE HOSTS: Mike & Jeanie Casey, Kurt & Glenda Twining, Janet Harman & Kent Mayes, Mike & Holly Davis, Jeremy & Lindsey McEntire, Wayne & Joanna Manning and Mac & Andrea Siller*

**Registration 2:** CI298730  
**Breeder:** McCombs Ranches of Texas  
**Owner:** Fairlea Longhorn Ranches, LLC

**IRON MIKE ST X RM SPECKLED PEARL 547**

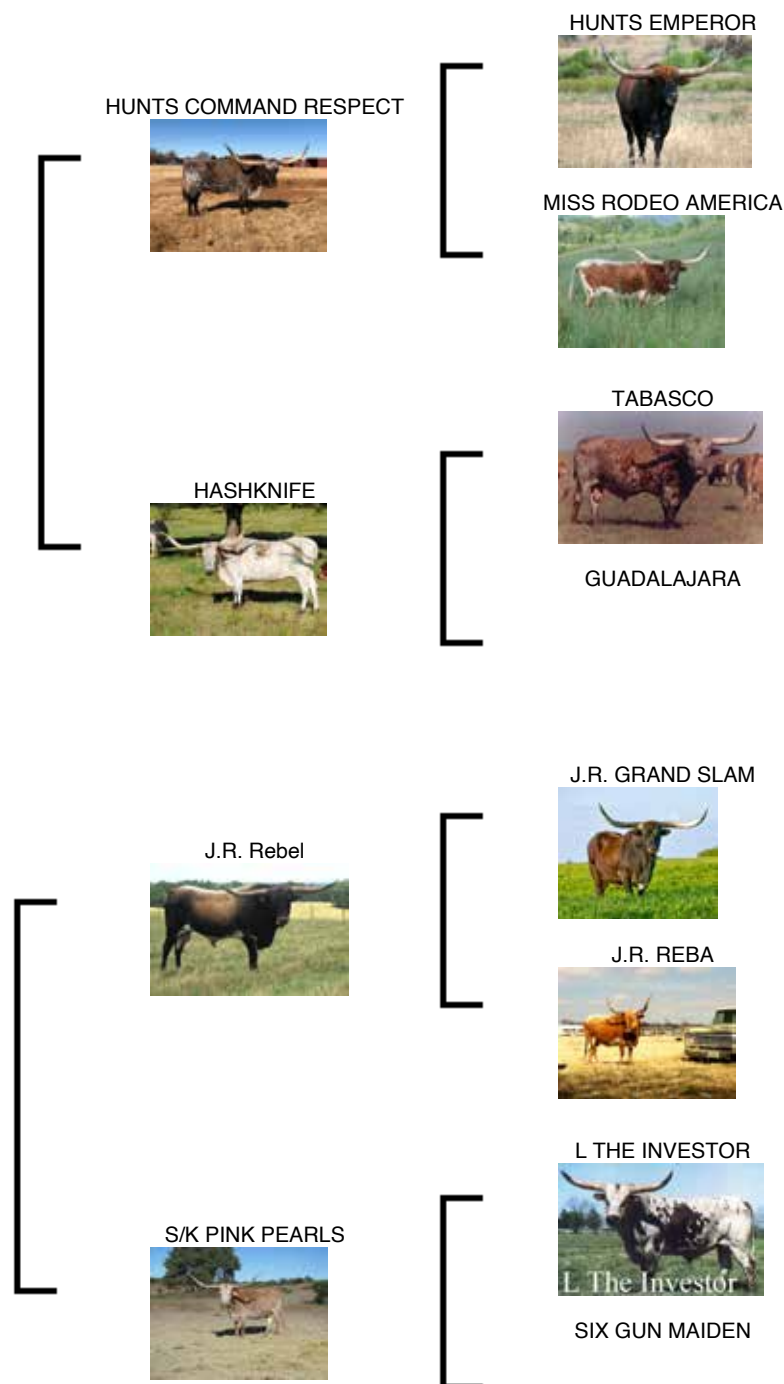

**BREEDING:** Exposed and bred to Frontier Boy from 3/22/22 to 9/29/22.

**COMMENTS:** They don't make them any prettier than Iron Pearl. She comes from Red McCombs' breeding program and more specifically from Iron Mike ST who was Red's favorite son of Hunt's Command Respect. From her colorful spotting pattern to her long and rolling twisty horn set, she shows off that Iron Mike bloodline, whereas her dam's influence is on display through her calm and gentle demeanor and her heavy milk production. Pearl is bred to Frontier Boy, my young Santee Chex son who is looking very promising.

**COMMENTS:** LM Becca's Diablo was born at side of a JBM Becca II daughter we recently sold at the East Coast Classic. This is a nicely pedigreed brindle heifer that will outcross well with any of the modern genetics currently in the marketplace. She's got nothing but upside for her lucky new owner.

**HEART BREAKER X D/O AXMANS BRINDLE LADY**

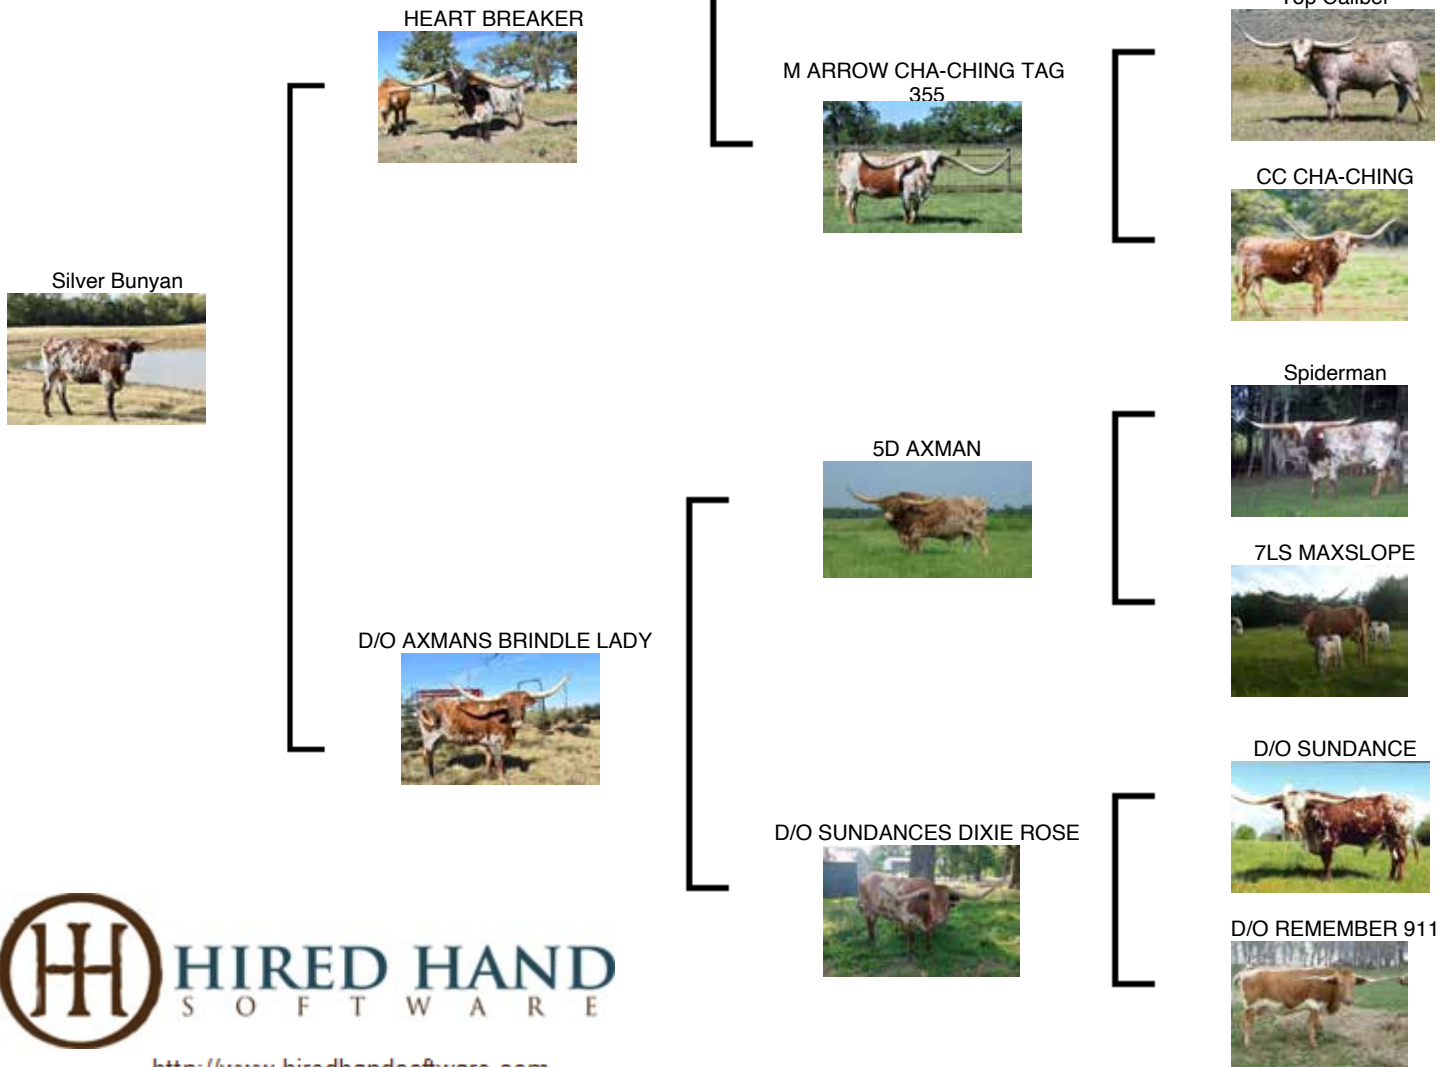

**BREEDING:** Not Exposed

**COMMENTS:** When I recommended this heifer for the sale, the answer came back why that one as she is so pretty. Yes she is, and we committed to bring something special to this sale. This is the only heifer that we have ever had that looks just like her sire Heartbreaker. We don't sell these genetics very often, in fact we are holding them back as they are the most part very special. You have M Arrow Cha Ching 100 ttt/140+tot and then you add Tuff Chex who is also 100 in both categories and you have the two longest total horned cow and bull in the Breed coming through the Heartbreaker bull. (3x HSC Champion 90 ttt/116 tot. Then the bottom side brings in brindle and 5D Axman was also a HSC Champion. Her mother is a large framed beautiful cow that milks like a dream. If you are looking for serious color, genetics and horn potential then she is your gal. She is not exposed so breed her back to the bull of your choice. Really super heifer with great confirmation. Bid in confidence on this one...

**COMMENTS:** If you like twisty horns, take a look at this girl's maternal line. You can't go wrong with names like BL Mazue 4, BL Rio Chachit and DH Rio Frosty in your pedigree. Snowcone's sire does not need any introduction being the 2017 & 2018 bull of the year! This is one knockout young cow. She sells with a heifer at side by Smoking Gun Chex who has been producing some beautiful calves. These are 2 great females that you don't want to pass up!

**BREEDING:** Confirmed bred to Cowboy Ruff, our 90+" son of Cowboy Tuff Chex out of the 108" Rex's Red Rose.

**COMMENTS:** Double Trouble is a gorgeous black and white daughter of Scott Pace's PCC Rim Rock bull. She has 87" TTT and is well on her way to 90+". She has given me a beautiful Gold Mine heifer who I plan to keep as her replacement. She is currently safe in calf to Cowboy Ruff Chex, our son of Cowboy Tuff Chex out of the spectacular 108" Rex's Red Rose. "Ruff" is already over 90" at 4 years old. **BREEDING:** KDK WILDFIRE 1/19/2022 to 5/16/2022. PCC GAME CHANGER 5/31/2022 to 7/5/2022.

**COMMENTS:** Monacos Feisty Top is an excellent young cow with lots of twist in her pedigree, from the Overhead genetics on the bottom side and Lady Monika on the top side. She is sweet, gentle, easy to work, and a great mama - all the attributes we value in a Longhorn. Her first calf, a gorgeous brindie bull, is owned by Richard Filip and we are retaining her second calf, a very nice heifer out of TKR Royal T, to preserve her genetics in our herd. "Mona" boasts a maternal half sister who measured 80" ttt at just 3 years 3 months. We're anticipating Mona will have a calf at side by sale time by KDK Wildfire, our large, tall, colorful, HSC bronze winning bull who measured 90" ttt before his fourth birthday! Exciting package! **COMMENTS:** Who doesn't love a brindle and a lot of spots! Watson is a calm and excellent mother with a perfect udder. We have retained her 2021 heifer calf who is already 52.5" TTT at the very young age of 16 months. She will be exposed to Colluder this fall for late spring calf. Colluder and Watson's brindle should make for a beautiful calf that should do well in futurities.

**STAR ENFORCER X ALEMEDA LEIGH**

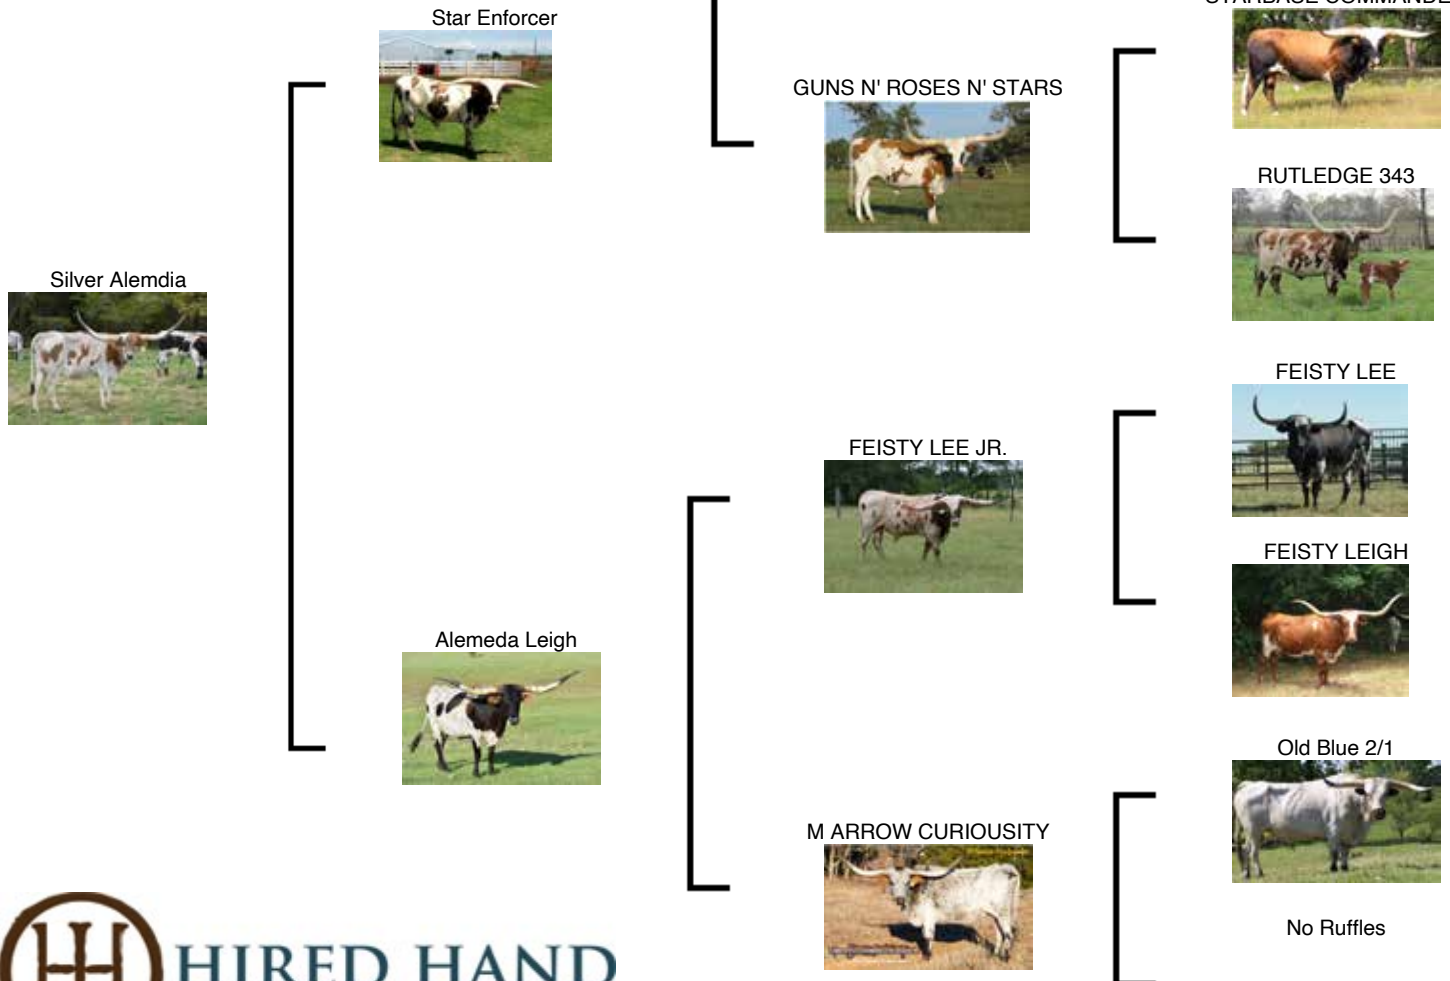

**BREEDING:** Vindicator's Edge 6/1-8/18 Heartbreaker 8/19-sale  
Potentially Butch Cassidy from 10/1-sale

**COMMENTS:** Silver Alemdia is out of the best producing cow we own Almeida Leigh. These are very hard genetics to get. Her dam is a 87 TTT big black and white cow who has produced a half sister that is a 98 ttt brindle four year old cow, a black and white bull that is over 80 TTT at 32 months old and two more painted heifers in our herd. Silver Alemdia's first two calves were stunning bull calves, one was a crazy brindle color and the next one was black and white both loaded with horn and now she has heifer by Heartbreaker that we are retaining as a replacement and she is running with him for a future repeat calf. That gives you M Arrow Cha Ching and Tuff Chex in the pedigree which are the two longest total horned animals in the breed. Her color is unique in that it is blonde and yet has over tones of black from her mother. She has excellent mothering capabilities and will throw the rainbow of colors. She is well built with great confirmation and milks great. We may also place her back with Hubbell's Butch Cassidy to bring in the black and white Delta Van Horn 90 TTT and Cowboy Catchit 85 TTT. She will produce calves that other people will want to own that I can promise you. Bid in confidence.

**COMMENTS:** Look closely at Silver Noel and try to find something you don't like about her. Seriously, she is one of those animals that checks every box. She is a tall and large framed cow whose personality is calm and gentle. Her color is as flashy as the lights on your Christmas tree, and her horns surpassed 80" when she was five years old, and she'll probably top off in the 90s. Along the way she'll raise a stunning and healthy calf every year. I'm keeping her January 2022 heifer calf as her replacement. Beautiful Texas twist horn set, great udder, her color is the rainbow when you get up close to her with brindle pushing through everywhere. **COMMENTS:** We wanted to offer one of our very best 2020 heifers for this special sale. KDK Valiant's Phoebe is a stunning brindle with lateral horns, great conformation, and a very feminine appearance. She is a FULL sister to our primary herd sire KDK Wildfire (90" tt on his 4th birthday). We are parting with her only because her genetics are well represented in our herd. Phoebe is cautious about going into the pens, but with that said, we have always been able to catch her when she is due for vaccines and dewormer. We have exposed Phoebe to our black and white Pace Cattle Company bred partnership bull, PCC Game Changer for an exciting spring 2023 calf. ### TUFF ENUFF CHEX X DIAMOND RING BCB

**BREEDING:** Game Changer 1/15 - 4/15, Heartbreaker 4/16-8/18, Hubbells Butch Cassidy 8/19 to sale

**COMMENTS:** This is a top shelf cow in anyone's program. She will have just turned 6 at the sale date and measured 89.5 ttt in October so by the time you get her home she will be knocking on 90 ttt. She is a large framed brindled cow with a perfect udder and has given us back to back brindled calves. Her last one out of Call of Duty will enter our bull program as a potential herd sire. Her pedigree is some of the best out of the Bolen and Loomis programs. Tuff Chex, BL Safari Sue, BL Rio Catchit, Ringman BCB, Red Diamond BCB and Diamond Ring BCB. It really doesn't get much better than this. Just loaded with horn and genetic fire power. Not quite sure why we are selling her other than to raise some significant money to donate to your cause. This cow is flat out big time and whoever takes her home will have front pasture lady for many years. Bid in confidence, she has no flaws and has been exposed back to three industry leading bulls.

**BREEDING:** Heifer Calf at side sired by BH Ferdinand. Bred back the same way for a 3 in 1

**COMMENTS:** RC Fantasy – She’s a daughter of Cowboy Tuff Chex, and she is out of a daughter of JP Rio Grande. No wonder she has over 80” of lateral twisting horn at just five years old. But it doesn’t end there. She’s gentle, she’s a milking machine, and she has a weanable heifer calf at side by BH Ferdinand, our 90+” Patton son, and she’s bred back the same way for a three in one.

### CV CALL OF DUTY X ALLENS CHERRY TOP 348

**BREEDING:** Game Changer 4/15-6/1, Vindicator's Edge 6/2-8/18, Heartbreaker 8/19 to sale

**COMMENTS:** The story of Silver Star begins with the greatest flush ever with Allen's Dark Cherry to Top Caliber. Three heifers were born and all of three went over 90 ttt. We took her dam Cherry Top and crossed her with the the 85ttt CV Call of Duty and Star was born and looks just like her mother and is already over 80ttt with much more to come. This has to be the quietest cow we own. Easy disposition and has given us three Heartbreaker painted calves in a row and is running back with him again. This gives you M Arrow Cha Ching and Tuff Chex the two longest total horn bull and cow in the world for the future pedigree. What a stacked pedigree. We would not be selling her if we did not have a replacement heifer as her full sister. She's young, pretty, easy and is kid friendly. Bid in confidence and take her home and watch her in your front pasture.

**BREEDING:** Bull calf at side sired by Game Changer. Exposed to Game Changer 1/15-4/15, Heartbreaker 4/16/-July 18, Hubbell's Butch Cassidy 8/19 to sale.

**COMMENTS:** Bomber's Babe is a long tall lady that changes color by season from black and white to dark brown and white. She has a very flat horn set that went from the 60's ttt to the 80's ttt in a very short period of time and we expected her to be a high 80's ttt at the end of the day. We love her double black eyes and she passes this trait on to her offspring. She has a great genetic pedigree with Nancy Dunn breeding on top going back to Bomber Chex JP Rio Grande, JBR Chrome on the bottom with gives you Hunt's Command Respect. We purchased her from the G&G program because we respect what they do and how they promote the breed. She has just calved with a crazy colored black and white bull out of Game Changer our black and white bull out of Goldmine and the 85 black and white, PCC Razzle Dazzle, which is out of Fifty-Fifty BCB and the 90 ttt gray Dazzle Doll, really strong genetics. She is also the queen of the pasture and will be the first one into feed. Alpha females raise large calves. Goldmine, M Arrow Cha Ching, Tuff Chex and Catchit are all possibilities to be in this pedigree. Bid in 100% confidence as she has no flaws.

Her pedigree proves her elegance as well with a maternal sister, Jamadans Latte knocking on the 90" TTT club as a 5 year old. To complete this perfect purchase, Athena has been exposed to Colluder for a late spring calf. Her painted red and Colluder's brindle should make for something exciting.

There are 14 animals over 80 ttt in her short pedigree. She has produced two orange and white bull calves out of Heartbreaker so far so if we put her in the sale, then your odds of getting that heifer are good. Well conditioned lady, fine udder and has an easy disposition. She is just 5 years old and will only get bigger and better over time. Exposed back to several great bulls for your 2023 calf. **TOTEM POLE X RM SUPER CARMELA 350**

**BREEDING:** Heifer calf at side born 5/17/22sired by BH Ferdinand. Bred back the same way for a 3 in 1

**COMMENTS:** Here is a great example of Owen McGill's breeding at its best. Not only do her horns extend out over 92" TTT, but they also reach up toward the big Wyoming sky and barely fit under the overpass near Owen's ranch. Her sire, Totem Pole, was one of the first longhorn bulls (if not the first) to hit 75" TTT and over 100" of total horn. Owen used to say that Hay Hook was the best cow he ever raised,

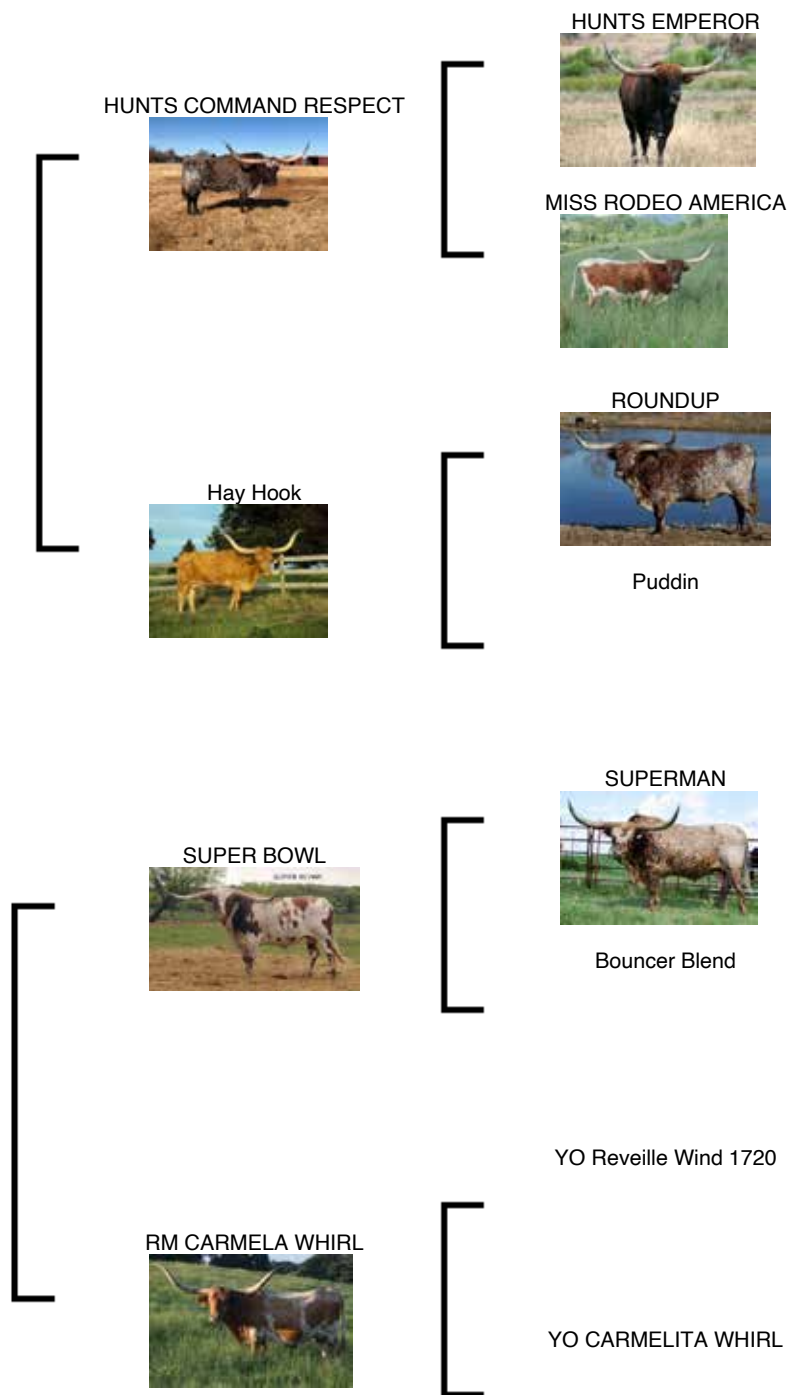

This offering isn't just LAR Mello but also includes her gorgeous heifer at side by BH Ferdinand, our mulberry roan colored 90" Patton son. The icing on the cake is the Ferdinand calf she is carrying for a Spring birth.

Remember that 10% of the selling price goes to a charity of buyer's choosing. While you bid to buy Mello,, please be mindful of all the people who will benefit from your generosity.
