I want to take the time to thank everyone that help support the NETLA and that became members as we come into the new year. Waiting for green grass and new calves coming. We want to thank everyone that sponsored the NETLA Sale this year. Without you it couldn't happen. Thank you for entering nice cattle in the sale. Cattle must be TB and Brucellosis tested for the sale. NETLA stepped it up this year by going to Dan Huntington for his services and Hired Hand Live for their services. Cow prices seem to be strong now, should be a great sale! Also don't forget about the social gathering and BBQ Friday night. Then Saturday morning NETLA youth will have breakfast and lunch. We look forward to seeing everyone there. Don't forget the NETLA Show and Futurity June 17 & 18. It's going to be a good one. A lot of new things happening with NETLA this year. We hope to see everyone at the events. Look for Branding Iron in the mail and check for updates on website

THANK YOU!

Your President,
Nelson Hearn

NETLA and our youth wish to

thank

**Rob Fenza of Northbrook Cattle
for your continued and generous support**
