Gulf Coast Association

## **YOU ARE INVITED TO TLBGCA's 2023 CATTLE BARON'S PREMIER LONGHORN SALE and WINCHESTER FUTURITY**

These events will be held on March 3rd – 4th at the Brazos Valley Livestock Commission in Bryan, Texas.

The primary purpose of the Texas Longhorn Breeders Gulf Coast Association is to promote Texas Longhorn cattle. The goal of our annual Cattle Baron's Premier Longhorn Sale and Winchester Futurity is to provide opportunities to breeders and other interested persons that promote the buying and selling of registered Texas Longhorn cattle. We are proud to offer a nice selection of cattle for your consideration.

A secondary purpose of TLBGCA is to assist in the education of youth associated with Texas Longhorns. We accomplish this secondary purpose by raising funds for college scholarships during the futurity and sale. We hope that in addition to showing, selling and buying cattle, you will help the TLBGCA youth by participating in the fundraising efforts.

Hopefully you are making plans to attend the futurity and sale, show your cattle, visit with old friends, make some new friends, and find a cow or two that you want to add to your herd. If you can't attend the sale, you can bid on-line through Hired Hand Live.

The TLBGCA looks forward to seeing you in Bryan, Texas on March 3rd & 4th, 2023. We appreciate your participation and support!

Sincerely,  
*TLBGCA Staff*

**BREEDING:** Exposed to JH Lightning In A Bottle from 3/31/2022 to 5/17/2022 and JH Rural Safari Son from 5/19/2022 to 6/26/2022. Blood-tested bred on 9/28/2022.

**COMMENTS:** OCV'd. DCT Hot Chocolate is a family favorite for her sweet disposition and striking Parker brown color. She's had brood cow written all over her since day one and has already proven herself as an exceptional producer. She gave us a dynamic heifer to add to the herd and that is the only reason we would let her go. Her dam is knocking on 85" TTT of low, lateral twist and her sire is a brindle son of the legendary JP Rio Grande. Deep foundation breeding abounds in this knockout. Sired by KDK Flamethrower, you bring in the mid 90" TTT TCC Houdini who would have been 100" TTT had he not passed at a young age. KDK Flamethrower's dam is the big brindle over 86" TTT Casnaova's Lady owned by M7 Longhorns going back to 91" TTT Lady in Red II. She's out of a daughter of Zeus, who is a full brother to BL Rio Catchit, the dam of 100"+ TTT Cowboy Tuff Chex. Her dam's side has out produced themselves consistently and with Phoenix's first heifer on the ground, she is doing the same. **BREEDING:** Exposed to Aragorn I Reckon from 8/19/2022 to 10/23/2022, confirmed bred on 10/21/2022.

**COMMENTS:** OCV'd. Are you looking for twisty horns? (Who isn't, right?) Are you looking for true black color? (Again, who isn't?) This young girl has both; true black and white color and beautifully twisted horns. She measured 58 5/8" TTT on 12/14/2022 and should exceed 60" TTT by sale date. And the calf she is carrying? Well, we almost didn't consign this cow because we are looking forward to that calf! It is sired by a Dickinson-branded bull, Aragorn I Reckon. He is a son of Reckon So, has 84" TTT and 103.5" TH, and also weighs around 2,000 lbs. The calf should be worth the price of admission!
