Welcome to the 2023 Eddie Wood Cowtown Classic Sale in Fort Worth, TX!

We are incredibly excited to host each of you for this fantastic sale. The consignors dug deep into their breeding programs to consign what we feel is the best group of cattle we have put together in many years.

We are thrilled to continue to be a part of the legendary Fort Worth Stock Show & Rodeo. The Stock Show offers an excellent opportunity to showcase our breed in front of the general public and other livestock enthusiasts.

The sale includes some amazing heifers, and you will find many elite cows throughout the sale. Our goal is to provide a group of cattle that will meet the desires of every breeder. The quality of cattle has never been better, and we are proud to have consignments from breeders who specialize in show cattle with the best horn genetics available.

The Eddie Wood Cowtown Classic is the first sale of the year and the most prominent exposure opportunity for our amazing Texas Longhorns, being a part of the historic Fort Worth Stock Show and Rodeo in Fort Worth. We strive to bring all breeders together to utilize our talents and resources to market the Texas Longhorn Breeders Association of America and our exceptional cattle to new buyers and the general public.

We encourage all TLBAA members to participate in the Longhorn weekend. Please attend the Directors Meeting, the Annual General Membership meeting, and the Hall of Fame and Year-End Awards Reception on Friday. You can also cheer on our youth at the TLBT youth show at noon on Sunday, January 15, in the Watt Arena. On Monday, January 16, the day begins at 9:00 am in the historic coliseum with the Open Haltered classes. The Open Non-Haltered classes and the exciting Trophy Steers follow them.

The Eddie Wood Cowtown Classic is an excellent opportunity to start the year with a bang! Again, we want to thank our consignors for some amazing animals to offer at public auction. Join the fun and excitement with your TLBAA.

Thank you for your participation and commitment to the TLBAA, our industry, and our beautiful registered Texas Longhorn Cattle.

Sincerely,

Phil Norwood

TRAILS MAGAZINE MEMBERSHIP DIRECTORY COVER

The membership directory is published in July every other year and contains the contact information for all of our members who are active at the time it publishes. It is invaluable for reaching out to fellow breeders and for having those member numbers when filling out forms for registrations and transfers.

Be on the cover of an issue that many breeders keep at hand as a daily reference for two years. Often they buy an extra copy - one for the house and one for the barn or truck.

Breeding: Exposed to Solid Ground BCR from 9/8/22 to sale

Comments: OCV'd. This 2 year old heifer's pedigree and the calf she is carrying come from the heart of our program. Daisy has such a feminine head and neck, long body, long flowing switch and solid black feet. She is a good-natured heifer and easy to work. She is a granddaughter of Tari Graves FM 49 and Don Julio. On the top is Jamakizm's Alphie and Spicy Vixen, a Julio Vixen ECR daughter. Daisy is pregnant to our up and coming junior bull, Solid Ground BCR, who is going to be a 70" 2 year old. He is a Cornerstone ECR son, whose dam is a tremendous cow, ECR Amore de Coyote, both over 90". His grandsire is Julio Vixen ECR, the sire of ECR True to Tradition, dam to HR Rebel, whose daughter just sold for 700k. This heifer introduces some blood lines that few people have put together - solid foundation. Do your homework - lots of Don Julio and Tari Graves in her blood, and that can only be a good thing. She measured 51" at 23 months, with a beautiful twist. www.bullcreeklonghorns.com.
