# MEET THE JUDGE

Our Longhorn adventure began in 1976, with the establishment of Flinthills Longhorn Ranch, in the beautiful flint hills of Kansas. Kim's Dad, Bob Bergkamp, purchased a ranch near Cassoday, KS that soon became home to approximately 100 MOMMA COWS, WHERE I SERVED AS RANCH MANAGER. BOB AND FRANK DOHERTY WERE CLOSE FRIENDS, AND WE PURCHASED OUR FIRST COWS from Frank, at their annual Baker/ Doherty Champagne Sale in Lawton, Oklahoma, while on our honeymoon.

In 1982, the ranch was sold and herd dispersed due to severe health issues with Bob. We continued to retain a few of our favorite cows, but sold the remaining a few years later, as we built a commercial starter/ backgrounding yard with youngest son, Andy.

In 2014, I surprised Kim with a longhorn steer for Christmas, purchased from Mike Bowman. We bought 2 cows at the Midwest Sale the following spring, and hence the rebirth of Flinthills Longhorns. Our youngest son, Andy, has since purchased the starter yard, Haywire Cattle Co, which has allowed us more time to do more important work.

In the early years, while managing the ranch, I also served as president for the Kansas Texas Longhorn Association, and produced several production sales. We are back in the auction business as well, with the recent purchase of Flinthills Elite Auction, that serves purebred breeders with a first class barn. Our herd is steadily growing, improving genetics along the way. Kim and I are thrilled to be back in the business of raising these beautiful cattle, that are rich in history, rugged, and even today, have many attributes to offer the industry.

We are centrally located at the crossroads of America. We love visitors, stop and see us when you are passing through!
