WELCOME

Fellow Longhorn Breeders and Enthusiasts,

Welcome to Springfield. We are excited to be back with our third year of the Midwest Sale with the Longhorn Legacy Group. We are in a new venue with a new futurity and what a great place to grow. This year we have joined up with Heartland Promotions to bring you an awesome weekend full of great cattle, friends, and fellowship.

The futurity sting has been on fire this year and we are thrilled to see the cattle coming out to be showcased from all across the country.

This year with a new location, we have had some amazing consignments come in and we feel that there is something for everyone here to add to your herd. We thank each sponsor, consignor and participant this year who has helped us make the Midwest Sale a great success.

We feel there is some strong growth opportunity in this region and thank each of you who had a hand in helping move the sale over to Missouri. We encourage you to say hi to new faces, as we were all once a new breeder.

With each and every Legacy Group Sale, we see it as a partnership with consignors and participants. This isn't the Longhorn Legacy Group's sale, it's the local breeders' sale. Our goal is to help establish, create and retain a market locally. With strong regional sales, it allows the entire breed to benefit.

We would like to thank you once again for being here with us. We hope you take in all Springfield has to offer and enjoy your time at the 2023 Midwest Sale.

Why the yellow highlights?

We wanted to be different and create a new feature to your standard sale catalog. Each of the yellow highlighted animals are over 80" TTT. Thanks to Hired Hand, we were able to track down many of these measurements. Although we're well aware that there are many great cows under 80" TTT, we wanted to give some extra promotion to the consignments who pulled from the heart of their herds. Thank you to each and every consignor!

(Concealed Weapon x RC Pacific Mermaid)
DAM: RJF CASANOVA'S RESPECT
(CV Cowboy Casanova x HL Hot Respect)

DOB: 4/21/2027

PH#: 729 REG: CI306562

BREEDING INFORMATION: Bull calf at side born 10/29/2022, sired by Gold Maxim GLR. Exposed to PCC Cactus Jack from 11/19/2022 to 2/1/2023.

COMMENTS: OCV'd. John's Negative. Here is an 80" TTT young cow (who would have been in the high 80" TTT without horn injury) that produces every year. She has a great pedigree combining RC Tsunami 2 (88" TTT), CV Cowboy Casanova (86" TTT), Concealed Weapon (84" TTT), RC Pacific Mermaid (83" TTT), Horseshoe J Example (90" TTT) and Horseshoe J Charm (80" TTT). She sells with a bull calf at side sired by Gold Maxim GLR (Gold Mine 1 x GLR Casanova's Maxim) and is exposed back to PCC Cactus Jack (82" TTT at 2.33 years old), for what should be a 3-in-1. Go to www.GillilandRanch.com for new updates.

Why the QR Codes?

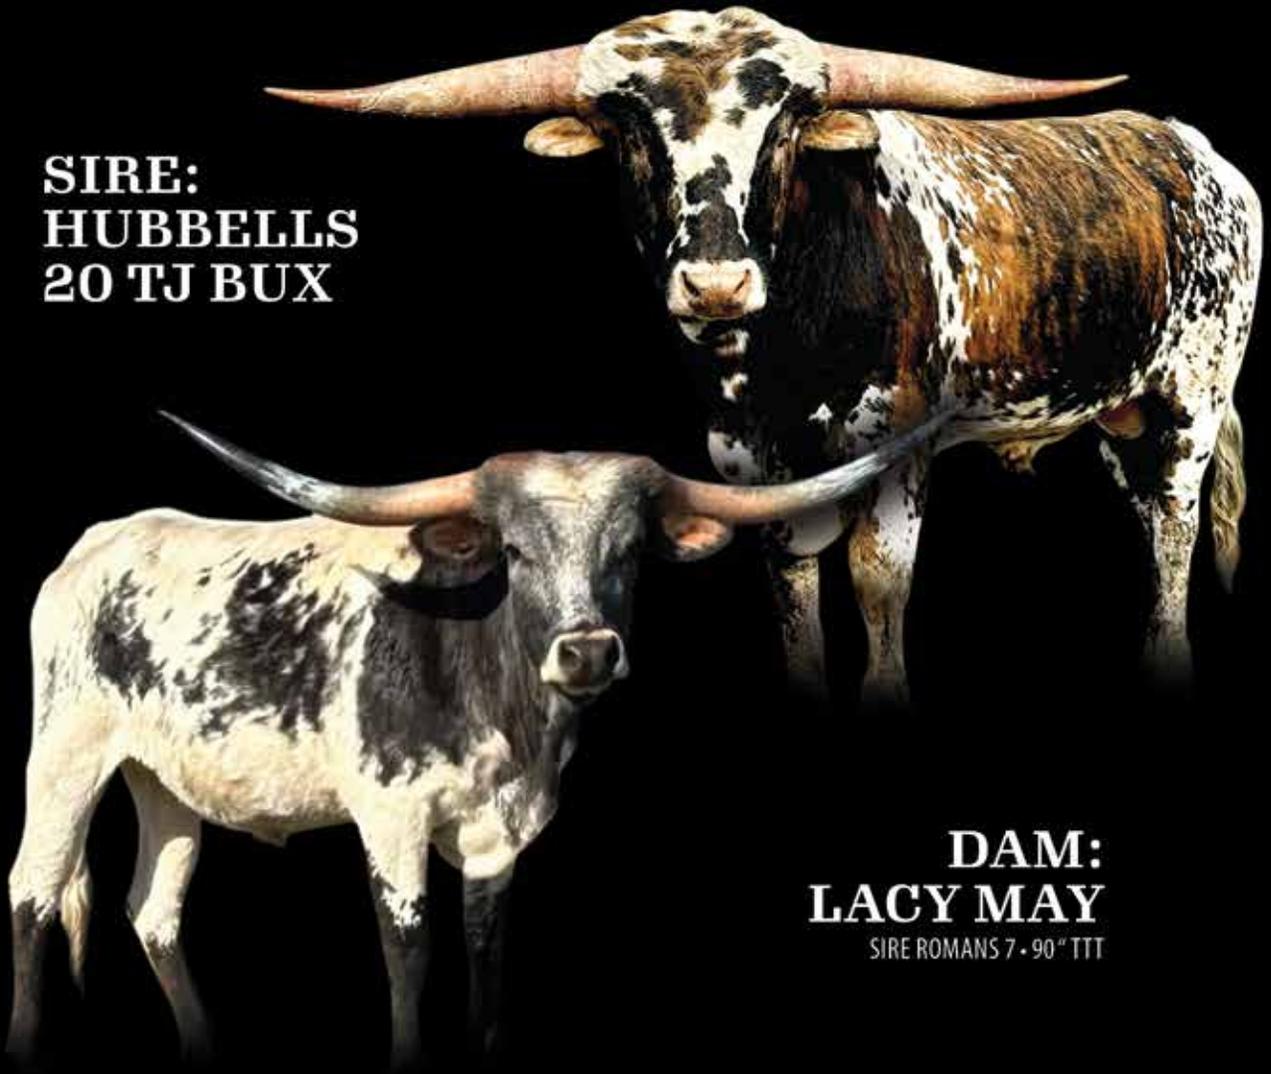

Online and paper sale catalogs are great, but when you're interested in purchasing or re-searching a handful of animals, Googling™ them all can be a tall task. As sale hosts, we're constantly trying to make it easier for potential buyers to find and research the animals they're interested in and give our consignors more marketing value when consigning to our sales. This new QR code feature does both.

To use the QR code just face your phone's camera at the screen image or paper copy of the catalog photo you're interested in learning more about and a notification will pop up asking if you'd like to be taken to that animal on your preferred internet browser. Proceed with that prompt and you can further research the animal or sign up to bid on her. It's that easy.

Thank you to the Hired Hand team for presenting us with this innovative idea.

COMMENTS: OCV'd. Slay the Action is a true black, deep-bodied, soggy, easy keeper. This is the first daughter of Near the Action we have made available to the public. Near the Action was a double bred Winchester cow that gave us six nice daughters. If you're a cow person, you'll love this girl. BREEDING INFORMATION: Palpated 4 months bred to High Stakes BCB on 11/11/2022.

COMMENTS: OCV'd. Are you looking to add some great twist to your program? Dunn Mint Julep is a beautiful brindle and white WS Jamakizm granddaughter with a serious set of twisty horns. Her dam, Dunn Over It, and her granddam, Dynamically Dunn, bring in a long lineage of great twisty horn sets, along with WS Jamakizm. Julep's always been a producer for us that breeds back early every time and we never have to doubt her milking ability with her great udder and her ability to take care of her calf. She is confirmed bred to our herd sire, High Stakes BCB (81" TTT at 3.5 years old), who is a look-alike Fifty-Fifty BCB son, and could possibly have her calf prior to the sale. We are retaining her 2022 beautiful brindle and white heifer as a replacement.

COMMENTS: OCV'd. Ginger Snap SRC is a young and pretty cow with horns that are rolling back. She delivered a beautiful black and white heifer the first time around that we are keeping as her replacement. This gal is not shy and will be one of the first ones up for cubes. She has no bad habits and milks excellently. The three bulls she's been exposed to are all over 85" TTT and have 90" TTT to 102" TTT dams. COMMENTS: OCV'd. This is one of the best heifers we've ever raised. She is sired by **Big City BCB**, who brings you the 2x Ultimate Bull, **Rowdy HR**, and the 96" TTT **Fantom Ring BCB** cow; this is the kind of power you want in a young heifer! Her grandsire is the great **Fifty-Fifty BCB**, who's sired four 100" TTT females. Flowers and Whiskey HCL is Bolen Ranch breeding at its finest. COMMENTS: OCV'd. **HL Social Butterfly** is one of our earliest **WS Vindicator** daughters and she definitely looks the part. She's a moderate framed cow, but makes up for it with her lateral, twisty horns that are closing in on 85" TTT at a young age. She's also proven herself as a producer early on, as proof from her last heifer. With a pedigree filled with productive cows, it's no accident she is where she is today. She has a beautiful orange and white color and gave us a wonderful **CV Call of Duty** heifer as her replacement. This gal has no bad habits and milks very well.
