

The next few pages represent a portion of the graduating TLBT Seniors who have dedicated years and, quite a few, most of their lives to caring for, learning about, and showing their Texas Longhorns. These fourteen heifers will be auctioned off on Friday, June 20th, at 2:00 pm in Abilene at the Taylor County Expo Center. ALL the moneys collected will go directly to the youth for their use for their future endeavors. The last several years, this auction has averaged \$9,038 (2024) and \$9,303 (2023).

The TLBAA and TLBT thank the North Texas Longhorn Association for their sponsorship of the Senior Sale Auction. Their support allows for the extra promotion of the sale.

New for this year! Through the gracious support of Ben and Shawnda Herman of Herman's Horned Ranch, on-line bidding will be available through Hired Hand Live. You can go to their website, www.hiredhandlivebidding.com and look for Live & Upcoming Auctions. You can either place a bid to purchase the animal or there is an option to submit add-on's for one or all of the seniors. This option will be available through the auction on June 20. You can also contact the TLBAA office about add-on's through June 27.

Once again, the Texas Longhorn Longhorn Breeders of America Foundation will run the funds so your bids and add-on's will offer some tax benefit. New for this year, the Foundation will be represented on-site and able to take your checks and process your credit cards on the spot!

Take a look at the catalog, select your favorite animal or youth and send some support their way!

SANDDOLLAR V- VICTORIA**KALVARY TOP DOLLAR**

DOB: 1/11/2024 Reg: CI348487

BREEDING: Not Exposed.**SHOWING RECORD:**

Ark-La-Tex Fall Show — Junior Champion Female — Youth and Junior Reserve Champion Female — Youth Points
 Louisiana State Fair — Junior Champion and Overall Reserve Grand Champion — Youth
 STLA Edna Winterfest — Junior Champion Female — Youth Points
 Cattlemen's Congress — 3rd in Class — Open
 Matagorda County Fair — 3rd in Class — Open

COMMENTS: Kalvary Top Dollar is the total package: backed by exceptional genetics, built with power and femininity, and carrying a calm, confident presence in the ring. She is the kind of heifer you build a program around, whether you're looking to add quality to your herd or want a competitive show prospect — she's got the foundation and future to make a serious impact. Her sire, Kalvary American Legend has champion show genetics in his pedigree and her dam, Sand-dollar Dear Victoria is a great female who combines confirmation and frame size with the sweetest disposition. Dolly is the best of both of these great longhorns and will be a great addition to anyone's herd. My future plans include attending college in the fall at Stephen F. Austin State University to pursue a degree and physical therapy that will allow me to continue my passion for helping others and making a difference. After college, I plan to continue my passion for longhorn cattle by owning a ranch of my own. I am excited to build my herd, promote the breed and help preserve the heritage of the iconic Texas Longhorn for generations to come.

DOB: 2/01/2024 Reg: CI350361

BREEDING: Not Exposed.

SHOWING RECORD: She has won second place at multiple smaller shows but no recognizable shows specifically.

COMMENTS: My future plans are to become a cattle rancher after studying agribusinesses at Texas Tech University. I love Pima so much, she is what truly inspired me to pursue a career in the cattle industry and hopefully own and operate a ranch someday. She is wild and crazy and yet loving and unpredictable, she is a cow that could not fit me more.

BREEDING: Not exposed.

SHOWING RECORD: 1st in class at HOTLA Llano Roundup; Senior Champion at HOTLA Llano Roundup.

COMMENTS: In the fall, I will be attending Blinn College to study Agricultural Animal Science with the goal of becoming an Agriculture Teacher. The funds from the sale of my senior heifer will go directly toward supporting my education. This investment in my future will help me one day give back by educating the next generation about the importance of agriculture and inspiring students just as I have been inspired.

COMMENTS: I am planning to attend Oklahoma State University to study Agribusiness on the Pre-Law track, combining my passion for agriculture with a future in advocacy and leadership. This year, I'm proud to present my Senior Sale heifer, Annie Oakley CP—a long-bodied female with flashy coloring and excellent structure that's sure to make a valuable addition to any herd. Being a part of the Texas Longhorn Breeders Association of America has been an incredible experience, and I'm truly grateful for the opportunities, connections, and knowledge it has given me along the way.

**TJD SAFARI SKY**

DOB: 4/10/2024 Reg: CI351076

BREEDING: TJD Safari Sky will be exposed to Nitty Gritty CP from April 1st until the Texas Longhorn Junior Nationals. He is a Sanddollar Cisco Kid son out of Discovery Dot CP. We had a very successful 2023 show season with him earning 10 grand champion titles, 6 reserve grand champion titles, 4 senior champ titles, and 7 reserve senior champ titles.

SHOWING RECORD:

Fort Worth Stock Show – Junior Champion – Open
 Fort Worth Stock Show – 1st Place in both Youth & Open classes
 Houston Livestock Show 2nd Place Youth

COMMENTS: Get ready to elevate your program with TJD Safari Sky. This truly exceptional heifer embodies the best of both horn-bred and show-bred genetics. TJD Safari Sky is sired by Discovery Skywalker CP, the 2021 World Grand Champion Bull, and is out of CO Grand Safari, the 2020 and 2022 World Grand Champion Non-Halter Mature Female. This pairing merges horn genetics with elite show-ring performance, offering the best of both worlds. Don't miss your chance to own TJD Safari Sky! I plan to attend Lubbock Christian University to pursue a degree in agribusiness, where I will build on my passion for agriculture and business management. Through my experiences with the TLBAA for the past 8 years and my background in cattle showing, I have developed a strong work ethic, leadership skills, and a deep understanding of the agricultural industry.

 OTLA Spring Show – Reserve Junior Champion – Youth, Points Only & Open

COMMENTS: Her sale comes with a free breeding to Perpetua James, the breeding fee is for free, but the holding fee doesn't come with her sale. She is extremely sweet, and has been used for showmanship multiple times and loves all the attention. I plan on attending Tarleton State University in the fall and majoring in Agricultural Education so that I can become a teacher so I can give back to the Agricultural community, and hopefully take a group of kids to all the stock shows and rodeos.

 STLA Winterfest – 3rd in both Youth and Open

COMMENTS: When I started showing longhorns three years ago, I only hoped I would come across a heifer like Ginger as my senior sale heifer. She is a very sweet heifer with a great disposition that is packed with top notch genetics. Not only do I feel she will be a great long-term producer coming out of the Circle K herd, but I also believe she will continue to be a great heifer in the show ring for years to come. After finishing my youth show career with Ginger, I plan to attend Stephen F. Austin State University where I plan to earn a bachelor's degree in agriculture with a minor in business. I also plan to pursue a certification in artificial insemination. After graduation, I plan to attend TCU's ranch management program.

**HC HALO'S CALYPSO**

DOB: 3/08/2024 Reg: CI350193

BREEDING: Not Exposed.

SHOWING RECORD: Consistently in the top ten for class 3.

COMMENTS: HC Halo's Calypso is a March 2024 parker brown and white female with striking face markings. I purchased her from Meredith Kirkscey and her parents Tanya and Joe Mendenhall of Holy Cow Ranch Longhorns. We went and toured the ranch and I knew almost instantly she was the calf I wanted. She has consistently placed in the middle or better of her class. Calypso has many greats in her pedigree. She is sired by Machinist, a son of Macanudo, who is sired by Saddle Horn (sire of Saddle Jewel) and out of Winning Smile; His dam is Tuff Enough, which is also the dam of Stop Already. She is sired by Cowboy Tuff Chex and is out of Dragon Smile. Calypso is out of an M Arrow Ziptie daughter, who brings in Happy 9 and M Arrow Cha-Ching. Her maternal grand dam is M Arrow Fannie's Prize, a daughter of a Day's Feisty Fannie clone, and sired by a Maximus ST son. Calypso will sell open, ready to be bred to the bull of your choice. In the fall, I will be attending Texas State Technical College in Waco to attain an Associates in Welding and continue on to The Ocean Corporation in Houston, to complete my Commercial Dive Certification.

**SHR MUSTANG SALLY**

DOB: 8/15/2023 Reg: CI349100

BREEDING: She is confirmed bred to Dunn Wired Up and due to calf in August. Dunn Wired Up is a September of 2022 Bull with Wheels Up on top and Dunn Asset Annie on the bottom. The incredible genetics that both Sally and Wired Up carry will undeniably produce a beautiful calf!

SHOWING RECORD:

At the 2024 State Fair of Louisiana, Sally was awarded Reserve Senior Champion out of an extremely competitive group. She has also held her ground in many shows, such as at the Houston Livestock Show where we placed 4th out of a large class and the judge stated she was the best he has seen of her type and kind.

COMMENTS: Sally holds a very special place in my heart. When I first started to work with her, it was safe to say that we butted heads, but we quickly grew to have a close connection. Sally is a sweet heifer with a huge personality, and it will break my heart to let her go, but the support that this will bring me will be incredibly beneficial to helping me further my education. I will attend Tarleton State University in the fall to major in Agriculture Communications, so I can continue to grow my passion to advocate for the agriculture and livestock industries!
