WELCOME

Welcome to the Chisholm Trail Select Sale & Futurity. We hope, with your participation, that this becomes an annual event bringing a Texas Longhorn marketing opportunity to this region. Please enjoy these wonderful cattle and the company of other Texas Longhorn breeders this weekend.

This event could not happen without the support of our many Sponsors. The decision to sponsor a first time event couldn't have been an easy decision and we want the sponsors to know that they are deeply appreciated. Without your friendship and leadership in the Longhorn Community this event would not be possible.

The Chisholm Trail Futurity features both Bull and Heifer calves, with the Grand Champions being named after a "Shoot Out" round of Class Winners and High point animals.

The Chisholm Trail Select Sale represents excellent animals brought from a seven state region by some of the best Texas Longhorn Breeders in our country. We thank these breeders for digging deep and bringing animals that can both benefit other programs and that represent the consigner's program.

The Chisholm Trail, which brought millions of cattle from Texas to the rail heads in Kansas ran right through Enid, Oklahoma. Many of you, I am sure, drove part of that trail to get here. I hope that your schedule allows you to enjoy Enid and some of the history of the Chisholm Trail.
