WELCOME

Welcome, friends and fellow breeders, to the 2025 Oregon Trail Sale!

Summer is the best time to visit the Pacific Northwest and Oregon has a lot to offer! We not only have an outstanding group of cows coming to Oregon this year, but we have a plethora of activities planned and plenty of beautiful things to see and do while you're here.

We have packed this sale weekend full of Longhorn fun! Friday morning we'll kick things off with our Wine Tasting tradition, then a Meat Tenderness seminar in the afternoon and our featured Futurity of the West at 4:00 pm. The futurity features a \$10,000 prize payout for the Grand Champion Bull, as well as a \$5,000 payout for the Grand Champion Heifer. After the futurity we'll be moving to the event barns for dinner and dancing here at the ranch.

Saturday morning cattle viewing starts at 8:00 am. At 1:00 pm is our main event: The 5th Annual Oregon Trail Sale. For those who are sticking around Saturday evening, after the sale, we will move back to the event barns for happy hour followed by BBQ!

We're so excited to host everyone back in Oregon. It's a great place to visit in June!

BREEDING: Bred to Tsunami on 2/15/25.

COMMENTS: We are pleased to offer this young female. It took a while for her to mature. Wow, has she turned it on! The twist she has going on is amazing. She has every animal in her pedigree that you want in your herd, which includes the great Longhorn traits. Then, add the cash cows, top-selling bulls, and world record holders. Her picture does not do her justice. We bred her to Tsunami to add the great RC Pacific Mermaid cow power.

INTERNET VIEWING & BIDDING

Courtesy of Hired Hand Live, a Product of Hired Hand Software

- Go to www.HiredHandLive.com and follow the prompts to either log in (if you've used our system before) or become a verified, registered bidder. Please use Google Chrome as your Internet Browser. Do not use Safari.
- Bidders are required to register for each sale they wish to participate in. Viewers are not.
- New bidders are required to go through a verification process that includes a valid credit card.
- There is no fee to participate or buy online. There is no buyer's premium added to sale prices.
- All winning bidders will receive a notification. At that time it is your responsibility to:
 - contact the sales office and arrange payment. Sales office information can usually be found in the front of your sale catalog and is not the same as Hired Hand Live.
 - arrange hauling/transport.
- Hired Hand Live and it's employees are not responsible for helping you arrange payment or hauling. Please complete these tasks on your own.
- Absentee and max bids can be placed ahead of time, if you are unable to be online live during the sale. These types of bids are blind and are placed automatically by our system in order to purchase the animal at the lowest price possible for you. We do not disclose max bids amount to any sale staff.
- All terms and conditions listed in the sale catalog apply to on-line bidding. Users also agree to terms and conditions upon signing in to use Hired Hand Live, therefore bidding is a binding contract. Dishonesty in bidding or abuse of the system will result in being banned from future use.
- Contact Hired Hand Software for additional assistance as needed. While the sale is in progress, if your call is not answered, please listen to the voicemail recording of other available numbers to assist you. info@hiredhandsoftware.com
