It's with great pleasure that we welcome you to the Inaugural Midwest Texas Longhorn Association Sale in Marysville Kansas. We are very proud of the members and their selections that will showcase their breeding programs. These consignments will be a welcome addition to anyone's breeding program.

We are also humbled by the generosity of our 2025 sponsors that share our belief and commitment to marketing exceptional breeding stock in Kansas once again. Their vision and support have made it possible to grow this Affiliate with a united breeder's network while promoting the great Texas Longhorns.

The great Texas Longhorn trail drives ended in Kansas at the railheads, from 1865 to the mid 1890's approximately five million longhorns came up the trails and marketed these animals for a premium. In 1890 Kansas ranked third in the nation in cattle production, fast forward to 2024 and Kansas is still ranked third nationally in cattle production with 6.15 million head. Today our progressive members are still leading the industry with involvement, advertising, marketing and innovation.

On Friday, we will have our consignments on display, we will have our Spotlight Bull front and center, there will be a Special bench that all our consignors will brand and then be offered on sale day. We have sponsors for a Pre-Sale party Friday night with bar sponsors, there will be a Cowboy Poet sharing his longhorn story Friday night and we have a breakfast sponsor for Saturday morning. All of our sponsors have made sure that you will have a great time, and we can't wait to show you what we have.

Thanks to everyone that helped make this possible!

Jim Rombeck
