Consignment Rules

1. All cattle must be registered in the Consignor/Seller's name. Calves selling at the dam's side must be noted on the dam's transfer application.
2. **Reserves/Pass-Outs ("P/O"):** Reserves can be placed on the consignment forms. In the event of a P/O, the Consignor/Seller will be charged a P/O fee of 8% of the final bid price of the lot. **For example,** if an animal receives a bid of $2,500 and the Consignor/Seller has established a Reserve Price that is higher than $2,500, the Consignor/Seller will be charged $200. This fee must be paid at check-out to receive load out documents.
3. Upon completion of the consignment form, all nominations must be accompanied by the following:

   A. Signed Consignment and Consent Forms.

   B. A catalog quality photograph of your animal in one of the following formats: Standard 4" X 6" size or Digital photo jpeg) can be sent via email to chasevasut@gmail.com or uploaded with your online Consignment form.

   D. Original TLBAA or ITLA Registration Certificate.

   E. Completed TLBAA or ITLA Transfer Certificate. If your consignment has a calf at side, be sure to fill in the breeding information so the calf can be registered. If not completed, the Consignor/Seller will be charged $100 for processing the transfer.

   F. If your COW has been artificially inseminated, an official TLBAA or ITLA Breeding Certificate signed by the technician is required

   G. Please mail all original Registrations and transfers to

   Chase Vasut
   PO Box 713
   Elgin, TX 78621
4. All cattle must be tested for interstate shipment. Each animal must have an individual Health certificate showing **Brucellosis and T.B tests. Johne's tests is not required but highly recommended with a blood test (draw blood before TB injection)** Cattle from certified-free states must still be tested for Brucellosis and T.B. All cattle must be tested within 30 days of the sale date. Health papers must be

dated within 30 days of sale date. Serological test for Brucellosis and Johne's must be conducted in a State/Federal lab.

5. 9. Health Certificates must be presented at the time the animal enters the sale facility. Make sure your veterinarian clearly identifies the Private Herd Number and Lot Number of your animal.
6. 10. Duplicate copies of the original Health Certificate can be used for each lot. Animals without complete health papers will be rejected, and all consignment fees forfeited.
7. 11. Please be aware that the latest Texas health requirements do not allow for any latitude. Without complete health papers as per paragraph #7, and proper ear tag identification per paragraph #8, the Glendenning Fiesta Sale will not be able to accept your consignment. The consignment will not be unloaded from the trailer, and your consignment fee will be forfeited.
8. 12. All females, **28 months or older**, must be blood tested for pregnancy or palpated by a licensed veterinarian and pregnancy status written on the health certificate.
9. 13. The sale chairman or his representative will visually inspect all cattle and health papers upon arrival at the sale facility. All inspections will be carried out with the utmost discretion.
10. The Shawnee Showdown and Sale assumes no responsibility or liability for any guarantee made by the Consignor/Seller. All guarantees are strictly between the Consignor/Seller and the Buyer.
