SHAWNEE SHOWDOWN AND SALE

WELCOME TO THE INAUGURAL

This premier event was born from a unified vision to do something monumental for the entire Longhorn industry. This isn't just another sale weekend; it is a collective effort to unite our community and set a bold new standard for both this Friday night sale and the Longhorn Futurity Championship.

To our friends, breeders, sponsors, and consignors, thank you! After competing hard all year long, your dedication to bringing the nation's finest young Longhorns this weekend makes this vision a reality. Your passion drives the industry forward, pushing the standard for higher-quality cattle and promoting our breed.

Gathered along the historic Shawnee Trail, where Texas Longhorns once blazed a path north and shaped the American West. We invite you to experience the elite genetics, electric energy, and unmatched fellowship of this event. Our mission is to provide a cornerstone for the community with the first-class national futurity final you have all worked hard for and truly deserve.

We look forward to welcoming even more breeders into the fold to showcase their programs with us in next year's sale.

We hope you find that special young bull, heifer, or cow to take your program to the next level. Most importantly, enjoy the fellowship and make great memories at this historic event. Let's celebrate the Texas Longhorn together!

May God Bless you and yours,

Rex & Sherese Glendenning, Randy Murry,
Mac & Andrea Siller, & Mike & Holly Davis

DOB: 2/4/2025 **PH#:** 32/25 **REG:** CI359077

BREEDING INFORMATION: Not Exposed.

COMMENTS: OCV'd. GF CeCe Winn is one of our amazing "BeBe Sisters," out of GF Buck Winn and Brazos Miss Rebecca, affectionately known as "BeBe." These genetics just click! Her oldest sister, GF BeBe Winn, sold to Stark Ranch at the 2025 Hudson Stockyards Sale. GF DeDe Winn is staying in our pasture, bred to BR Cracker Jack, while GF GiGi Winn is currently at side and every bit as gorgeous! CeCe carries on the family tradition with the beauty, femininity, conformation, and quality we expect from this proven mating. CeCe Winn is one you can bid on with confidence!

DOB: 2/6/2025 **PH#:** 31/25 **REG:** CI359078

BREEDING INFORMATION: Not Exposed.

COMMENTS: OCV'd. GF Lottie Kay Winn may be the most lovable heifer we have ever raised, and we seriously mean that! This girl has A LOT of love to give, so be prepared to give plenty right back. Beyond her sweet personality, Lottie Kay is an absolute beauty with beautiful conformation, femininity, horn, and that unmistakable GF Buck Winn look. Her dam is a striking black and white cow from the Red McCombs program that has quickly become a favorite at Glendenning Farms. Lottie Kay is one of the best Buck Winn daughters we have raised. Oh my, how we will miss this one!

DOB: 2/4/2025 **PH#:** 32/25 **REG:** CI359077

BREEDING INFORMATION: Not Exposed.

COMMENTS: OCV'd. GF Athena Winn is Rex's favorite heifer from our 2025 calf crop, and once you see her, you'll understand why! She is a true WOW heifer - an absolute eye-catcher with tremendous presence, beautiful conformation, and she has been packing on the horn. Her dam is the one and only Zeus Four Eyes, measuring over 98"TTT, with a pedigree combining the immortal JP Rio Grande and BL Catchit, one of the great females from the Loomis breeding program. Add GF Buck Winn to that genetic powerhouse, and the result is something pretty special. We don't offer heifers like Athena every day. If she is your pick of the three, we believe you'll be taking home a female with all the makings of a standout cow for years to come!

DOB: 3/16/2026 **PH#:** 61 **REG:** BI113129

COMMENTS: We don't offer bull prospects lightly, and this one is especially hard to let go. SLL Night Vision represents the very first bull offering by Nighthawk, and we will be extremely selective about which Nighthawk sons ever leave our program. Night Vision combines Nighthawk with SLL Top Beauty, bringing together Horseshoe J Journey and 3S Iron Beauty — two females with serious horn and the kind of beautiful twist we love to see in a pedigree. This young bull is bred for horn, twist, color and the kind of presence we look for in a future herd sire. His striking black-and-white color gets your attention, but it's the pedigree behind him that makes us excited about his future. SLL Night Vision — bred to leave an impact.

COMMENTS: This young bull is very special! Black Log Farm and I have agreed to sell 50% ownership of this powerhouse bull. The buyer will get this bull for 6 months of the year and 50% of the semen rights. He's an own son of the nearly 100"TTT triple twist, only 5 years old, incredible, Kapital Attire (Formal Attire x Kapital Tantrum) whom sold for $65,000 as a young heifer and produced a $24,000 6-month-old heifer calf. His sire ACE, owned by Craft Ranch, is the 94"TTT, only 4-year-old son of the legendary JH Rural Safari Son and out of the ultimate producer Awesome Nova, who's produced two daughters well over 100"TTT, giving this young bull two maternal sisters who measure over 100"TTT. Here's a real opportunity for a serious breeder to add color, horn, value, and consistent genetics to their bull lineup.

DOB: 11/22/2024 **PH#:** 289/24 **REG:** BI111108

COMMENTS: If you are looking for a herd sire, look right here! GF Native Texan has it all! Incredible color, horn and more horn, excellent conformation, and a genetic package that is hard to beat. His dam is the one and only Native Beauty 50/50, who is pushing 105"TTT. She needs no introduction, as her genetics and offspring speak for themselves. He is sired by GF Buck Winn, our over 92"TTT son of the legendary Drag Iron. Buck Winn has consistently produced outstanding offspring with size, horn, and conformation. Native Texan's pedigree is loaded with some of the breed's greats, including Drag Iron, Fifty Fifty BCB, Delta Van Horne, JP Rio Grande, and more. He has the pedigree, look, and horn to make an impact. We are proud to offer him. Put him to work in your pasture!

	3S DANICA	RM CHECKERED FLAG 3S TOUCHDOWN TARI

DOB: 3/27/2023 **PH#:** 173 **REG:** BI108711

COMMENTS: Rattler LM was aptly named after taking a rattlesnake to the neck as young bull calf. We all know about the legendary 3S Danica, and fellow longhorn breeders know that we hold our Danica genetics tightly. Copying the Bob Loomis model with his Cowboy Tuff Chex sons, we would rather snip a young bull than flood the market. We typically only sell one bull per year off a Danica daughter and it's not cheap. The last bull we sold out of TCC Dani was Dani Boy LM, who sold for over $100,000. TCC Dani, the dam of Rattler, sold in this same Celina ring for $110,000. The sky's the limit there.

COMMENTS: OCV'd. GF Cool Fisted is a gorgeous embryo heifer from a powerhouse mating of the over 94" TTT Drag Iron daughter, Iron Fisted, and the award-winning Cool Hand Luke Chex. Luke has quickly become one of the industry's leading young bulls, and Cool Fisted is a beautiful example of why we are so excited about this mating.
