Welcome

Welcome to the 2018 Eddie Wood Cowtown Classic Sale in Fort Worth, TX! We are extremely excited to host each of you for this amazing sale. The consignors dug deep into their breeding programs to consign what we feel is the best group of cattle we have put together in many years.

The sale is starting with some amazing heifers and you will find many elite cows throughout the sale. It is our goal to provide a group of cattle that will meet the desires of every breeder. The quality of cattle has never been better and we are proud that we have consignments from breeders who specialize in show cattle to the best horn genetics available.

This sale is the first sale of the year and is also the largest exposure opportunity for our amazing Texas Longhorns, being a part of the Fort Worth Stock Show and Rodeo. We strive to bring all breeders together in an effort to utilize our talents and resources to market the Texas Longhorn Breeders Association of America and our amazing cattle to new buyers and the general public.

We encourage all TLBAA members to participate in the Longhorn weekend. Please attend the Directors Meeting and the Annual General Membership meeting, along with the Hall of Fame and Year-End Awards Banquet on Friday. You can also cheer on our youth at the TLBT youth show at 9 am on Monday and the TLBAA World Qualifying Open Halter Show is scheduled for Tuesday at 5 pm.

The Eddie Wood Cowtown Classic is a great opportunity to start the year off with a bang! Again, we want to thank our consignors for some amazing animals to offer at public auction. Come join the fun and excitement with your TLBAA.

Thank you for your participation and commitment to the TLBAA, our industry and our beautiful registered Texas Longhorn Cattle.

STARBRIGHT LEIGH (CF1)

Breeding: Exposed to Cowboy Tuff Chex from 11/1/17 to sale date.

Comments: OCV. Fancy heifer that has more sparkle than a diamond. Her dam is a phenomenal producer that has a son, Gun Lee Zee SH58/2, that is knocking on 90" TTT. This heifer's sire was unfortunately only used for one season on our herd. He is a RJF Sittin Dreamer (Sittin Bull X Sheza Whip Er Wil) over a full sister to Jet Black Chex that would be upper 80's TTT had she not damaged a horn. The icing on the cake is she is exposed to Cowboy Tuff Chex. No holes, just high dollar and high performance animals. Millennium Futurity eligible.

If you're wanting to add horn to your program, she is a cow that you should take a hard look at. She measure 56-1/4" on 09-30-17, so she is really putting it on. She is heavy bred to RR Safari Dust. Comments: OCV. Sharman is a really nice Butler cow with Loomis breeding. She produced a herd sire prospect in 2017 that we are keeping. She is exposed to our herd sire WS Elevation, who is a Cowboy Up Chex son out of WS Sun Star who is a 90" cow that sold at the Legacy Sale in 2017. Pregnancy update given at sale.

Comments: OCV. SR Blooming Blossom 849 is a large bodied, gentle, easy to work, cube eater. She is a strong, proven powerhouse foundation cow for Struthoff Ranch. Blooming Blossom has given us 4 heifers. Each heifer progeny consistently inherited a delicate, feminine face and substantial horn development. Breeding: Confirmed bred to Fire Away Star.

Comments: OCV. This young A.I. cow got her name from being born during the coldest and nastiest snow storm of the year. Her sire is the great Respect Me, at one time the widest TTT bull around. Her first born calf was a beautiful look a like heifer. She is bred back the same way to our terrific herd sire Fire Away Star. She is very gentle and inquisitive with outstanding horn growth. The person that branded her must have been very dyslexic in that the private herd number first digit is a backward 2 (she was born in February, not may of 2015) She is a Winner! Millennium Futurity eligible and palpated at 45 days on 10/19/17.

Breeding: Exposed to HL Bull Dozer from 7/19/17 to 1/10/18.

Comments: OCV. Cinnamon carries the Hudson Longhorn brand. She is an own daughter of Sittin Bull out of a great JP Rio Grande cow. She sells exposed to HL Bull Dozer owned by the Hudson/Hinton Partnership. Bull Dozer is sired by HL Red Baron out of a Top Caliber daughter. We weaned a nice heifer from her that we are retaining as a replacement.

Colonel "Eddie" Wood

A true industry legend, the Colonel sold over 1 million Texas Longhorns at public auction! Folks still remember the 8 hour sales with Wood standing all day selling over 300 cows. Eddie famously said, "a Texas Longhorn will stop more traffic than a dead body." The Colonel came to this comical conclusion after years of witnessing firsthand the impact these animals have while serving as the industry's top livestock auctioneer. An early supporter and longtime advocate of the breed, Eddie became charter member 110 when the Texas Longhorn Breeders Association of America was formed in 1964 and honored in 1991 with the Elmer Parker Lifetime Achievement Award. In addition to auctioneering Eddie served as an announcer at rodeos and horse shows, as master of ceremonies at award banquets, and volunteer auctioneer at many benefit auctions for such diverse groups as the TLBBA, the TLBT youth, the National Football League and the National Ranching Heritage Center. Eddie sold the Ada, Oklahoma Registered Horse Sales for 20 years, the Clovis, New Mexico Registered Horse Sales for 20 years, and the Roswell, New Mexico Horse Sales for 15 years in addition to many others. Wood has been nominated for inclusion in the Hall of Great Westerners at the National Cowboy and Western Heritage Museum in Oklahoma City. We are thankful to Colonel Eddie Wood & his wife Joyce Wood for their many contributions to the Texas Longhorn industry and we are honored to host this legendary sale!
